RACE 1 — V4-1 — Auto 2140

6 One And Only earned the most money last year and is our pick in this mediocre race. She has not started since July but is making her debut for Troels Andersen and that is interesting. Goes for the lead? **9 Explosiven** was second behind Sweet Elina in October and more heavily backed then. American bike for the first time is exciting. **8 Sweet Elina** scored a good win in the lead at this track in October and is an early choice with a similar performance. Offensive start by Jan-Olov Åberg despite this lane? **12 Gispy Moth** was second with Filip Lindholm in September and has done well after that too. He has a poor lane but is good for this company.

RACE 2 — V4-2 — Auto 2140

8 Sättrans Gulliver is the least experienced but probably the best horse here. Took three wins in a row this summer and showed enormous speed last time when he came back after a big mistake and was close to winning. Now driven by Emelinda Persson who has two wins in twelve starts this year. **11 Måns W.J.** challenges. Won a mediocre race at this track in October and is a contender with a similar effort. Note that he competed as recently as this Monday. **6 Hade Tur** is a stable companion to our pick and driven by trainer Jan-Olov Persson. Fourth from the lead in the last race and will probably go for that position again. **7 Majprinsen K.L.** has scored one win in 41 starts but been quite consistent. A place bet.

RACE 3 — V4-3 — Auto 2140 — RANK

1 Thor Tooma comes from several poor results but the three-year-old has faced completely different horses than these. For example, he was second behind gifted Kodiak Zet in July. Driven by trainer Henrik Larsson. Our winner. **8 Flat Tire Grue** has taken three wins this year and earned the most money. He faces easier opposition than usual. Has to be considered behind our favorite. **6 Kipling Sautreuil** has also won three races this year and seems in pretty good form. Early choice. **7 Queen Tobina** won this year's race from the lead. Could get an offensive start and might be allowed to take over the lead. Possible in that case.

RACE 4 — V4-4 — Auto 2140 — RANK

12 Sanoroc News is our winner despite a poor lane. He made his debut for Troels Andersen in the last race and was completely superior from the lead. Should be even better now. Barefoot. Probably gets an offensive journey. **11 Olivia Hazelaar** has earned the most money this year without winning. She has done well at the end and will face easier opposition this time. **6 Make A Mil** is better than the latest results show and the Tinter stable usually does well this time of year. Gets an offensive trip by Robert Wilhelmsson and might find the lead. **8 Ajlexes Oyecomo Va** has taken two wins this year. Won a mediocre race in August and is possible with a similar effort. However, was a scratch twice in October.
