RACE 1 — V65-1 — Auto 2040

5 Love Idhair won comfortably from the lead in the last race and will probably go for that position again here. Good chance in that case. **7 Who's The Queen** was more heavily backed than our pick in the last race and finished strongly to a second place. Looking for revenge but has a tricky lane. **6 Cassandra** has three wins in eleven starts and is better than the latest results show. Kept up the pace alright in the last race as fifth. **3 Tiger Ann** has two wins and two second spots in twelve starts. Third from the pocket two starts back but galloped last time and has been a scratch since then.

3 Wilma O. has won five races this year and earned the most money. Consistent and good at the end and is well drawn. Our winner. **6 Haaland D.E.** comes from victory ahead of Sociedad, among others. He won from the lead but may find it hard to get there this time. **4 Sociedad** were fourth behind Haaland D.E. two starts back but won very easily last time. Good form and early choice. **5 L.A.'s Aela Skye** competes often and is quite consistent. Came in fourth in the last race and could be an outsider.

3 Valle Bork finished quickly to a second place in the last race but has galloped in the other two races. If he avoids a mistake, he should be considered very early here. **1 Lykkje Dronninga** was quite heavily backed in her debut last time and she was still in the fight when she galloped shortly before the finish. She is looking for revenge and has a nice lane. **12 Lannem Borken** sprinted to victory in the debut and was fourth from the pocket as a mega favorite in the last race. Chases revenge but faces a 20 meter handicap. **8 Mjölner Ingrid** won in her debut but was not as good last time and galloped.

6 Rappmira Are has taken five wins this year and earned the most money. Took a close win two starts back and finished well as fifth last time after an interference. Has been a scratch after that but should normally have a good chance. **7 Brenne Barsk** has been consistent and good towards the end. Won from the lead in the last race and can open fast. Will probably go for the front again and gets an offensive start despite this lane. **11 Kom Solen** has also had a pretty good season. Comes from victory and seems in good form. Has a difficult starting position though. **12 Nagel** wins quite often but needs a lot of luck from here. Hopes for quick pace.

3 Hole Texa has a nice task here. She has won two out of five races and was superior in the last race. She will probably take the lead after a while and will be hard to beat again. **12 Gomnes Prinsen S.E.** has won three of 13 races. Won comfortably from the lead in July but has galloped a lot since then. Contender without a mistake but faces a 40 meter handicap. **11 Sandos Ö.K.** raced as late as this Monday but galloped straight away. Is not that bad and has been quite consistent. Without victory this year though. **7 Grude Rolf** is often heavily backed but has not really lived up to the expectations. Should not be forgotten.

4 Laredo has won five out of twelve races and comes from a strong victory. He should have a very good chance in this field. Good lane. **5 Too Young** finished fourth in the last race but had taken two nice wins from the lead before that. Will probably go to the front again and is a challenger. **6 Jalte Bork** galloped two starts back but has otherwise put in really good efforts at the end. Shared victory in the last race and early choice. **2 Grand Duchess** won from the lead in October but was sixth behind One Last Piece and Ann's Kronos T. last time. Can do better and is looking for revenge.
