6 Hendrix gets the tip in this fairly open race with only six participants. He is coming off a win and looks in fine form. Driven again by Kasper Foget. **2 Houston T T** has made several good races without winning. Is fast from the start and will probably take the lead here. **1 Jeff** was unplaced in the last race but was actually more heavily backed than our pick Hendrix who won the race. He is looking for revenge and has a good lane. **3 Hardcore Diamond** has won six of 27 races. However, he has not won for a long time and is mostly a place bet.

3 Forest Jet made the most money last year and is probably the best horse in this race. Has faced much tougher opposition towards the end. Good chance. **6 Dark Night** was second in a bigger stayer race last time. Seems in good form and is a challenger to our winner. **2 Jackson la Marc** had a good season last year and has started quite well this season too, winning two of seven races. Contender. **1 Kesse Tårs** has only scored one win in 26 starts but is an early choice in this race. Was third in a bigger race last time and is fast from the start. Good lane.

2 Latenightcap has only one win in eleven attempts but he has the best draw of our favorites and that decided our pick. Met much tougher horses last time. Easier now. **7 Lyon** has won six of twelve races. Galloped last time but took two wins in a row before that. Contender. **8 Kaiser Faust** is poorly drawn but he has already won three of eight races this year and should be considered in this company. **6 Kima Kyvsgård** also wins quite often and has been consistent and good at the end. Possible.

10 Marius Vang has not won yet but he has started quite well and should be considered in this field. Returns after a layoff but we assume that the horse is well prepared. **6 Kohinoor** faced tough opposition in the last race and had an impossible starting position. Better conditions this time. Has won two out of nine races. **8 Maserati Flamengo** won at this track two starts back and is a contender again with a similar effort but needs a bit of luck from this lane. **9 Leonardo** is without victory after 14 starts but could be at least a place bet in this company.

6 Kong Arthur has won three of 13 races and is clearly the best horse in this field. He won despite a gallop two starts back and should have a good chance here with a similar performance. **7 Kaiser Svendka** usually competes at Ålborg and has won two out of ten races this year. A bit tricky number but is a contender. **1 Lennart Forsgren** has not won yet after 13 attempts but is not that bad and has a good lane now. **2 Level Up** is not a superstar but in this company he is at least a place bet from this nice number.

9 Isotope d' Am didn't win a race last year but has already taken two wins this season. Galloped on the way to a good result in the last race and looks in fine form. Our winner. **3 Express A P** faces very nice conditions money-wise and has a nice task here. Is a quick starter and could take the lead. Comes from a second place. **8 Fakir de Beauvalet** won the last race and faces nice conditions money-wise as well. Good form and should be considered. **10 Muscle Crown** has competed under the saddle recently and done quite well.
