2 Amore took two victories in a row this summer and won easily at this track in August. Galloped when he had just taken the lead last time and is now looking for revenge. Can open fast. Early choice. **7 Deesse** has one win and four second places in nine starts. Followed well as second after a short layoff last time and should be even better now. Is a quick starter and gets an offensive start. Good chance if he finds the lead. **3 Pastor Pete** makes his debut in Sweden. Has won three of nine races this year and was third in the last race from the pocket. Run under his belt. Early choice. **5 Luxury Belief** has only one win in 19 starts but did well as second in the last race and seems in good form. Nice lane.

7 Lens Mann scored two outstanding wins in a row in Norway in May and June. Nice victory two starts back too. Early gallop last time and has not won yet in Sweden. Probably gets an offensive journey. Our pick. **6 Troll Winther** is a good challenger. Has shown fine form lately and faces perfect conditions money-wise. A bit tricky number. **2 Vikenja** has won two of eight races this year and should get a nice trip from here. Could also take the lead for Mikael J Andersson. **15 Kvick Revy RF** won closely from the pocket two starts back. Last time at Bjerke she gave up completely from the lead over the home stretch. Should not be overlooked.

8 La Liga Boy gets the tip in this good lunch race. Came back brilliantly after a great gallop in the Danish Derby two starts back and followed well last time too. Jepson is of course very interesting. **2 Luna Lane** has done really well for Robert Bergh. Took four victories in a row and won in the V85 two starts back. Never got a real chance last time for a poor position. Better task now. Won with Östre in August. **12 Chaplin** is a stable companion to Luna Lane. Comes from a win in the V85 and looked really nice. Tough number now and Mikael H Björklund is not a plus. Still an early choice. **5 Chocoshotsun** has won three of ten races this year and was close as second in the last race. Very fast from the start and our favorite for the lead.

2 Lynam comes from a really good performance when he won by a wide margin from the lead at Järlsberg. Also today driven by Tom Erik Solberg. They could lead this from start to finish. **5 Kajser** took two wins in a row earlier this year after good finishes. Has had a break but is driven this time by Carl Johan Jepson which is very exciting. Good lane. **10 Febe** had not won for a long time but was still very heavily backed in the last race and won easily from the front at Järlsberg. Run under his belt and is now driven by Victor Rosleff. **9 Barrique Wine** has only won once in 30 starts but has earned the most money this year. Comes from a second place and starts directly behind our favorite.
