6 Weekend Vibe wins often and has faced much tougher horses lately. Has done well and should have top chance in this field. Banker. **5 Rönnerdahl** finished nicely to a second place in the last race and has been consistent and good at the end without winning. The main challenger. **4 Pensacola** had a pretty good season last year and has started okay this year as well. Is better than the latest results show and has to be considered behind the favorite. **3 Bravestile** returns after a layoff and is exciting in this debut for a new trainer. Good lane. Outsider.

7 Alm Romeo has already taken five wins this year and won from the lead in the last race. The horse finished second from the lead last time and is looking for revenge. Nice lane. **2 Åsmin** was fourth in the last race but has a 20 meter advantage towards Rand Elden this time. He is also well drawn. Early choice. **5 Kvern Kvikk** is quite consistent and good and at least a place bet.

1 Beauty has only one win in 35 starts but is our idea in this open race. Has shown good form towards the end and has got an excellent lane. **4 Queen of Dodo** had energy left in two starts back and finished nicely in the last race. Can open fast and should get a nice trip. **10 Ossie Artist** has been consistent and good at the end without winning. Hopes for quick pace from here and can fight for victory. **3 ML's Dynamite** won six out of 14 races last year. Not as successful at the end but could be at least an outsider.

14 Sun's Adele is our pick in this wide open race. She galloped last time but had taken three wins in a row before that. Tricky number. **5 Sweet Coat Genius** is coming off a very surprising win and beat some of today's opponents. She should not be overlooked again. **6 R.M.G. Tiger Feet** was second to Sweet Coat Genius in the last race and is looking for revenge. Was clearly more heavily backed then. **13 Explosive T.N.T.** has won three of 14 races. Fifth in the last comeback race but needed that run under his belt. Certainly improved now.

On the way up and will probably go for the lead. Challenger. **7 Ros Venn** won six races in 18 starts last year. Still without victory this season but sprinted to a nice second place in the last race. Early choice. **5 Kuven Lennart** has not won yet after 15 races this year but comes from two good efforts and is at least a place bet.
