4 Justcangetenough took the lead in the last race and won with plenty of energy left. Good lane again and he will not be easy to defeat from the front. **5 Ditte Gel** has not raced for a while and even though her form today is a bit hard to predict, she is an early contender in this race. **3 Gibson Brodde** is in great form. Nice starting position and should be followed with Ulf Ohlsson for the first time. **2 Myrsjös Tage** is consistent, but does not win very often.

4 Joners Majah has shown good form towards the end without winning. Quick starter and if the mare takes the lead her chances of winning increase. **7 Dream From Above** won from the lead in the last race but is good from behind too. With the right backs the horse is good enough to fight for victory. **3 Freja Hammering** has the highest capacity in this race but is not reliable at all. Good chance without a mistake. **2 Mi Ma Samurahja** came back after a long layoff last time and will be improved for this race.

3 Zally Bris won in a nice way in the last race. She has been a scratch after that, but if the mare should still be in fine form and score a new victory. **5 Infectious Pride** held strongly as third in the last race after a trip from outside the leader. Gets better with every start and will soon score the first win. **9 Harry Vendil** comes from a good performance and is constantly improving. One of several contenders who can win this race. **1 Hell Of A View** won easily in the last race and will not be easy to defeat from the lead.

8 På Toppen won easily last time without being empty. The five-year-old is both strong and fast and should have a good chance of winning despite this handicap. **3 Damned Good** has taken the lead twice and won both. Could reach that position again now and from there he is the horse to beat. **9 Västerbo Surprise** is consistent and good. Got a run under his belt in the last race and will be sharper now. **2 Suger Meet Melody** will have difficulty matching the best in this race and is mainly a place bet.

American bike for the first time is interesting. **11 Coco's Melody** scored a good win in the last race. Passes many opponents but needs quick pace. **2 L.A.'s Blackmillion** has done well so far and will soon score the first victory.

7 Mando Gowan did well last time and for most of the summer too. Has earlier won over this distance and could do so again. **9 Vixi Garbo** comes with two wins in a row and is in top form. Won in a 10-time in June and could very well be a winner again here. **12 Apollo Prophet Cal** has a tough starting position, but if the pace is high, he could pass many opponents at the end.
