10 Remjahn is a winning machine who has won ten out of 13 race. He scored a good victory in the last bigger race. He faces a double handicap but this small field is a clear advantage. **8 Troll Winther** is the main challenger. Has won three of seven races this year and is coming off a strong victory despite a tough journey. Gets an offensive trip here? **7 Komnes Hera** took her first win in a long time in the last race and won from the lead. She has two runs under her belt and should be on the way up. **5 Lykkje Trolla** competed last Tuesday and was not empty after an inside trip. Match in a couple of tough races before. Will probably take the lead here.

4 Kick The Man is our pick here. He has earned the most money this year and took two straight wins from the lead in July. He is our clear favorite for the front. Good chance. **12 Timber Tile** is probably the best horse and came back strongly after a gallop last time. However, he has a difficult lane and has not convinced in Sweden for a long time. Now with Ole Johan Östre. **5 Bara Joe** is not as good as our top duo but is possible behind them. Good lane and is driven this time by Tom Horpestad. **6 One Big Bang** was second over 3140 meter in July and likes the long distance. Has not won yet this year but could surprise.

12 Maserati Salt had a pretty good season last year without winning. Comes from several good efforts and was third in the Norwegian Derby in September. Our winner in a weak race. **13 Support Young** got a nice trip in the last race and sprinted to victory. Run under his belt and is driven this time by Markus Linryd. Interesting lane. **10 Chocoshotsun** won with Östre at this track in August and should also be considered early in this field. **5 Tyzzon** comes from victory but has been a scratch due to a cold after that. Contender.

8 Mindyourlove W.F. has won three out of twelve races this year and is one of the best horses in this company. Will probably get an offensive start by Mikael J Andersson despite this lane and could take over the lead after a while. **2 Leo the Lion** has been quite heavily backed towards the end but galloped. Is a quick starter and has a good lane but needs to avoid a mistake first. **7 Son of Sizzling** won three races last year and finished second with today's driver Ole Johan Östre at this track. Early choice in this field. **12 Hero Boom Bay** scored an outstanding win in May. Came back after a layoff in the last race and finished well after a late opening. Run under his belt. Warning.
