RANK

8 Haugestad Hårfagre wins a lot of races and often by a close margin, including last time. Will probably be driven offensively here and find the lead early on. Good chance in this mediocre race. **6 Vy Jerven** had a pretty good season last year and is good for this field. However, he galloped in his last comeback race and is a bit hard to predict. Magnus A Djuse is driving this time. **10 Briskeby Miks** is a fairly small Norwegian horse who faces good conditions. Has been consistent in Norway and sprinted decently last time as fifth. Close to victory as second in Sweden last year. **11 Pårs Carla** probably prefers to race under the saddle where the horse has been quite successful this year. Galloped last time in a major sulky race. Difficult lane. Contender behind the favorite.

RANK

11 Julia Donatella is our pick in this race for three-year-old fillies. She won easily despite a rather tough trip last time and showed that she can do it tough. Good chance despite this lane. **3 Allinclusive Trot** took the lead in the last race despite a tricky lane and could score a sensational win. Could reach the front again and is dangerous then. **7 Sidecar** was heavily backed in his seasonal debut at Visby last time but got defeated for Daniel Redén. He did alright but can probably do better and is looking for revenge. **12 Gioia** comes with two third places after good performances. He is poorly drawn but should not be overlooked.

RANK

10 Prince Newport is our pick in this rather low class race. He comes from a good second place and is driven by Magnus A Djuse again here. Gets an offensive journey? **3 Viktor Roc** made his debut for Andreas Lövdal in the last race. Galloped from the start but came back well and looked nice over the home stretch. A run under his belt now. Contender. **4 Islander Inn** took two wins in a row at Hoting in July and never found room in the last race. Seems in good form and can open fast. Tricky number though. **1 J.K.Fortuna** has an ideal lane and is fast from the start. Will probably get a good trip and is one of many contenders in a fairly open race.

6 Paw Patrol V.S. makes his debut in Sweden and has a good chance straight away. Was strong from the outside of the leader two starts back and met top horses like Fragolino Rosso last time. Much easier now and certainly gets an offensive start. **3 Iron Dice** has started quite well and is approaching the first victory for trainer Mattias Djuse. Good lane and early choice. **12 Roswitha Boko** made a mistake from the start in the last race but had put in three good performances before that. Poor number now but should not be overlooked if the pace gets high. **10 Bardissimo** has not won yet but makes his debut for Jasmine Ising after a short layoff. May need this race but should not be overlooked.
