8 Teknologen is in top form and has four wins in a row. Has a poor lane but can do it tough. Gets an offensive trip now? Good chance regardless. Banker. **9 Guldhagens Pirat** has not won for a long time but was quite heavily backed in the last race against Teknologen and finished second behind him by a fair distance. Looking for revenge. **10 Friska Viljan** never had a real chance in the last race but has met much tougher horses than these. Hopes for quick pace and could fight for victory then. **4 G.G.Qurre** doesn't win very often but is quite good for this field and he is our favorite for the lead together with Tomas Pettersson.

3 Gaga Lady never had a real chance two starts back but was clearly improved in the last race and won from the outside of the leader. With a similar performance she should have a good chance again. **2 Pearl di Quattro** has clearly earned the most money this year without winning. Never had a real chance in the last heat to the Derbystoet. Consistent and good before that. Should be considered early. **5 Global Empress** has also done well of late without winning. Is fast from the start and our close favorite for the lead. Early choice. **9 Kueen Simoni** was second to Monkey Wine in the last V85 race. He is facing easier horses now than at the end and is possible despite a slightly tricky number.

8 Guldhagens Oscar wins often and gets the tip despite a difficult starting position. Defeated from the lead in the last race but has a run under his belt now. Where will he end up from here? **2 Tekno Tana** is one of many contenders behind our favorite in this open race. Is our close favorite for the lead among many quick starters. **3 Våler Nikolai** is coming off a superior win and looked nice. Driven again by Marcus Lilius and should be considered from a good lane. **5 Kalmar** is quite consistent and good and he is also possible in this open cold-blood race. Mats E Djuse is driving this time.

5 Rico Be Coger gets our pick in this very difficult race. He has raced in the southern part of Sweden and faces a bit easier opposition here in this debut for Oskar Kylin Blom. Good number. **7 Xanthis Knopfler** has won two out of ten races and is not bad for this company. Run under his belt and on the way up. **8 Rooibos M.A.** had a decent season last year and comes from a comfortable win in a low class race. He had the same difficult starting position as today. **2 Lovely Nish** makes his debut for Viktor Lyck. Is the least experienced horse but has a run under his belt and is our favorite for the lead. One of many contenders in an open race.
