7 Gaudi Laksmy was incredibly good in the last race. The Gocciadoro horses are a bit up and down but normally he has a good chance to win. **2 Cross Lane** owns high potential and now has two runs under his belt after a long layoff. **4 Face Time Love** had galloped in two straight races before the last start, but avoided a mistake in the last race and scored a nice victory. **3 Gasparito** is chasing a third win in a row together with Bergh. He faces a slightly tougher task now, but should not be overlooked.

3 Facetime Cash has met some of the best horses of his year and did quite well as fifth from an impossible lane in a heat to the Stochampionatet. Our favorite here. **9 Piccadilly Pellini** held really well as third from the outside of the leader in the V85 in the debut for trainer Bergh. **4 Jadwiga Zet** is the favorite for the lead and has taken all three wins from the front. **5 Polly Vici** has not started for a while and has not convinced so far, but competes barefoot for the first time.

11 Clean Table followed well after an inside trip in the last race at Halmstad and faced slightly tougher horses then. He is matched in tougher companies than this. Our pick. **3 Wizer** made his first start for Thomas Dalborg in the last race and put in clearly positive performances. Early choice if he avoids a mistake. **12 For You Roc** scored a nice win over easier conditions two starts back. Was not as good last time. **7 Fast Food** races barefoot now, which we suppose will be an advantage.

4 Fatal Attraction took his first career win in the last race and did it in convincing style from the lead. Good number again and will certainly get an offensive trip. Our pick. **1 Graffiti Brodda** has never missed the podium in seven starts and has also scored four wins. Very good horse for this race. **3 Diamond in Pj's** has put in good efforts against very tough opposition and is also a quick starter. **7 Swept Away S.** returns after a short break but should be well prepared and is good enough to be in the mix.

7 Don Quijote Face galloped two starts back but was very good in the last race when he won from the outside of the leader. Early choice.
10 Aegon J.W. was very good two starts back the first barefoot but galloped in the last Derby heat. Has to be considered. **5 Kiss My I.D.** is a quick starter and is the initial favorite for the lead; after that there are several different choices.

9 Willy Rapid raced barefoot for the first time in the last Solvalla race and put in a really nice effort when he won easily after a sharp finish. Shoes again now but is still our pick. **8 Muscle Express** has shown very high peaks but was not at his best barefoot. **3 Ulix Turner** is still chasing the first win of his career but it should come any time. **6 Henessi Otan** has started the career well. First barefoot behind this time. Exciting!
