7 Onyx BR finished fourth in the last Norwegian Trotting Derby and did really well. Will be driven by Magnus Teien Gundersen this time and even though he has a lane outside of the main rival he should have a good chance of winning. **6 Bully Pepper** finished behind our pick in the last Trotting Derby. Has shown good strength and uses to put in nice performances. **8 Catchagaga Volo** will meet stallions/geldings this time, but is very speedy. **5 Casanova Dream** is gifted but not reliable.

1 Apieceofcupcake has shown fine form for a while and has met somewhat easier opposition lately after being beaten in the Swedish V85 during the summer. Nice conditions here and has a good opportunity. Opens well, without being very fast. **9 Prank** was nice in the last race and has won more than half of his starts which is awesome. Barefoot and American bike now. **10 Charlie Laross** sprints well. **11 Napoleon B.R.** is a place bet.

12 Tysvær Odd has not raced for almost two months but shown good speed, capacity and development during the summer. Likes to be driven by Eirik Höitomt and races with an American bike now which is interesting. Good chance despite this lane. **9 Odinnyxen** is up and down, but wins often and when he is at his best, he is really good for this class. **5 Vik Tor** was nice despite a gallop in the last race. **10 The Ferden** is disadvantaged by this post but owns good speed.

1 Athena Games scored a good win last time. Is developing well. Opens alright, without being very fast. Our pick. **10 Liv Halbak** finished second behind talented Solito two starts back. Was the favorite against our pick last time, but galloped straight from the start then. Could get revenge here. **2 Tomahawk Akt** qualified in a fantastic way in the last race and if she is at her best and avoids a mistake, she could be dangerous. **6 Classichap's Lady** scored a good win in the last race and is developing well.

4 Kleppe Nido competed under the saddle in the last race but never had a real chance. Should be judged on the two performances before that which were really good. Likes to race in front and should have a good chance of taking the lead, at least after a while. Good chance. **10 Voje Hero** is matched in good races and does well most of the time. **2 Vestpol Kongen** is a quick starter and could give the lead away to our pick. **1 Skeie Blesen** is a contender too if things work out along the way.

4 Id Duchess started her career a bit slowly but has really started to get going lately. Has impressed lately and her performances in the last two starts have been splendid. Good chance to reach the front and from there she will be hard to beat. **12 Sanctuaire** is probably at least as good as our pick but has a poor lane. Needs some racing luck from here. **3 Lizzi B.R.** might prefer the short distance. **5 New First Lady** is used to win and was nice in Sweden last time.
