Summary: PIERRE BONNARD (6) is capable of bouncing back after an unplaced effort in the St Leger (Gr.1) at Doncaster last month. He won the Critérium de Saint-Cloud 2025 (Gr.1), and is a class act on his day. He faces strong opposition in VICTOIRE MAGIQUE (7), who seemed to like an untroubled lead when scoring on his latest start at Parislongchamp in a Group 3 last month, when staying on stoutly to repel SPACE WALTZ (4), who was second that day. JABRACADABRA (5) is another to consider and is stable-mate of VICTOIRE MAGIQUE (7).

He can edge this from WIMBLEDON HAWKEYE (3), who ran a solid race when failing by the narrowest of margin's in the Irish Champion Stakes (Gr.1) on his latest start when second at Leopardstown. DISTANT STORM (7) gained a confidence boosting success in a Group 3 last time out and warrants close attention up in trip today. Summary: This could go to REMBRAND TO GO (4), who has been consistent recently and was a decent second on his last visit to this track in a Class 2 handicap last month. SHARPSHOOT (11) could be the main danger. He is improving with experience and has not reached his ceiling yet. NITY GALESTE (9) ran well over 2000m at this track when third recently and should like this extra distance today. EBIYAR (13) is a previous course winner and has been running with credit of late and can not be discounted. SHRIHARA (5) is also worth a mention and can have a say in the finish.

Summary: I WILL BE KING (8) made a good impression when scoring on his debut at Deauville in August in a race that has produced plenty of winners. He can follow up from likely main threat BREATH OF PARADISE (1) who was a good third in a competitive race at the Curragh (IRL) when last seen and has more to come. MAGIC HARRY (3) won nicely at Leicester (UK) on his second start and can keep on progressing. ASTABUEN (6) and MASTER MAN (7) are both improving and can not be ruled out.

- 11. SUGAR ISLAND** - Unplaced in a Group 1 at Parislongchamp over 2400m on the 6th of September 2026. Will need to show more to compete, can be left out

Summary: SUNLY (6) finished a strong third last time out in the Prix Vermeille (Gr.1). She will definitely be the one to beat. She is drawn favourably and her quality should shine through here. WAARDAH (3) is coming off a win in the Park Hill Fillies Stakes (Gr.2) and should carry that into this race. She steps up in class here but should show why she's a two time Group 2 winner. CONSENT (5) had a positive run in third last time out and does make a case for the top three here. She is a winner over this course and distance so should be one to watch. SANTORINI STAR (7) was well beaten in second last time but she still warrants interest for the minor places.

10. SHEEMA'S ROSE - Unplaced in a Class 3 Handicap at Deauville over 3200m on 25 August 2026. Does not have a chance, others are preferred

Summary: SCANDINAVIA (1) has not lost in his last eight races, the latest in the Irish St Leger (Gr.1) and looks to be a serious proposition in the race. He has had one race over the distance and was victorious, he has a big chance of repeating. CABALLO DE MAR (7) comes into this race full of confidence after winning well last time out in the Doncaster Cup (Gr.2). He was a winner over this course and distance last year but did battle over the distance more recently. If staying on stride he should contest the finish. QUEENSTOWN (2) was not disgraced when finishing second last time out in a highly competitive race. He will have his work cut out for him if he wants to win but he should have a better chance for the places. DOUBLE MAJOR (9) has had numerous runs into the money this year but has struggled to find that extra bit to see him into the winners enclosure so far. Do not see that changing here, he should produce a strong run into the minor places.

Summary: QUDDWAH (1) is coming off a good win in the Solonaway Stakes (Gr.2) at Leopardstown over this distance. He has major claims in the race and should get on well. He is the one to watch in the race. ISAAC NEWTON (7) ran fourth in the same race as QUDDWAH (1) and so the winners box will be a far reach for him this time around but he should still gather interest for place bets and the runner-up spot could have his name on it. FALLEN ANGEL (8) was not disgraced when third last time out. She will have work to do if she wishes to go better against the boys here. A definite place consideration. ELASTIC (10) steps up in class here and will find it difficult to compete for the top spot but he should not be left out of place bets.

Summary: CLAVUS (1) comes into the race on the back of four straight visits to the winners box. He will be looking to make this five wins in a row and should go close. ELIMAN (9) just missed out last time and will be eager to go one better here. His penultimate was a success and he could find just enough to get him across the line first here. HALF HALF (2) has consistent form and is no stranger to earning a cheque. He will need to overcome his draw to compete well in the race. MELUSINE DU HOULEY (10) is the only filly in the race but she has produced positive results against the boys and should do that once again.
