5 Flash Express has won half of his eight races but is now back after a long break. Makes his debut for a new trainer as a gelding and is now driven by Örjan Kihlström. Our pick. **7 Maker's Wall Ås** is perhaps the best horse but has a difficult lane. He can finish really fast and hopes for quick pace. **3 Kohkahycumest** wins often and can open quickly. Nice lane and should get a good trip. Should be considered early. **2 Henessi Kiev** is better than the latest results show. Quick starter and our close favorite for the lead. Possible from there.

1 Emerald Broline is the best horse but hard to predict after galloping in both starts this year. Shoes now but the question is where he ends up from his inner lane. Good chance if he lives up to his potential. **4 German Kaiser** was second after a short rest in the last race and should be even better now. Driven this time by Örjan Kihlström and that is of course interesting. **3 Headstrong** was also second after a layoff in the last race and he also has a run under his belt. He is a quick starter and our clear favorite for the lead. **7 Lion** is one of the best horses in this race and was quite heavily backed in a bigger race last time. Not at his best then and is now trained by Jennifer Persson. A bit hard to predict but good enough to be in the mix.

2 Icannoliwearchanel took the lead in the last race despite a tricky lane and won quite easily. He is our clear favorite for the lead here too and the horse to beat from there. **9 Nuria du Campus** has started well with two wins in three starts. She faces tough conditions money-wise though and has a difficult lane. Early choice anyway. **3 Julia Sweet Success** is stable companion to Nuria du Campus and also good for this company. However, she has not competed since February and is a bit hard to predict. Rikard Skoglund is now driving. **5 Freja Hammering** scored a good victory in April and can surprise with a similar performance. Good number. Claes Sjöström is the driver.

11 Global Caps has won 13 of 29 races. Won during the Elitlopp weekend in a 09-time and is very good for this company. Difficult lane but still a good chance. **12 Nouri di Quattro** is also trained by Timo Nurmos. Was really good as a young horse but has not been able to compete continuously. Has done well in two races after a layoff. On the way up. Bakker now is not an advantage. **8 Express Cash** has met good horses of late and is better than the latest results show. Has already taken four wins this year and started really well. Contender despite this post. **7 Reshevsky** is possible too. He won in May after a layoff and will return after a short break here too. Tricky number.
