3 Mira Kiro is in great shape and has taken three wins in a row in fine style. Has a strong final lap and she should once again have a good chance of winning. **6 Guli Theo** was brave in the lead last time. Had scored a couple of good wins before that and will be in the fight for victory again if avoiding a mistake. **1 Grisle Kongen GL** finished quickly in the last race and looks and is still in fine form. In the mix with an opening in time at the end. **5 Ängspuma** faces better conditions here than last time, but is still mainly a place bet.

5 Saga Wania has not won a race yet, but the mare owns great speed for this race. Nice chance if she handles this number. **1 Bönan** won her debut and was good that time. Nice starting position and if she only finds an opening in time, she could sprint to victory here. **7 Sundbo Tuja** comes back after a break and even though the form is hard to predict, this task looks really nice. **6 Gold Match** is interesting too in this first start in Sweden. Has to be considered in a wide open race.

Normally in the fight for victory. **7 Andre Walter J.M.** scored a good win but has been scratch before this race and is hard to predict.

9 Marley Wania is a speedy horse with high capacity. This number could suit him well and if he trots well he should have a good chance. **2 Abbott** makes his debut for a new trainer and is of course hard to predict, but he has shown good speed and should be considered here. **6 Val De Zeun** is consistent and is both reliable and easily placed. Will soon score a victory. **10 Re Express** won closely from the lead in the last race. Gets better with each start after the layoff and should be followed despite this post.

5 Arn Silvio is a quick starter and should be able to find an early lead here. Barefoot now just like when he won three starts ago and from the front he will be hard to beat. **12 Imperator Godiva** is at least as good as our pick and is the main challenger. **1 Filling Fuel** opens fast and it looks like he will reach the position behind the leader and from there he has to be considered. **4 Beast** competes barefoot which is a plus. He has earlier won over this distance and can do it again.
