

R1 VINCENNES [L-H]

C1 - PRIX PANDORA - 2700m (a1m1/2) - Class E - Harness - EUR € 52,000

- 1. ILOULOU JASMA** - Simply superb since early-May and was most recently successful in a Class F at Pornichet over 2,725m on 27 August. Takes on some superior horses this time but should nevertheless hold his own
- 2. ITALICA** - Finished 3rd in a Class E at Les Sables D'Olonne over 2,775m on 24 July. Gave a good account that day and although unlikely to open her 2026 account, can nevertheless mix it up
- 3. IDEAL D'URZY** - Regularly a case of all-or-nothing, as it was at Mauquenchy a month back when disqualified in a Class F, but is hard to fault when behaved and will be justifiably well-supported
- 4. IPIPOURAX PAULOIS** - Second in a Class E at Les Sables D'Olonne over 2,775m on 24 July 2026. Comes here fresh and, with his mind on the game, can play an important role
- 5. HELEN DES OUBEAUX** - Unplaced in a Class D at Enghien over 2,875m on 12 August, making light of his result at Les Sables-d'Olonne, and can be passed over
- 6. IN LOVE D'ECAJEUL** - Made it 2 in a row when dominating a Class F at La Capelle over 2,750m on 30 July. Is never far from faulting but on good behaviour can give INSERT BOY (18) something to consider
- 7. IZIO DU POMMEREUX** - Gave a reassuringly good account when 3rd to INCREDIBLE GO (17) in a 2100m claimer here a fortnight back but a repeat is not on the books
- 8. HEIDI DU BISET** - Ran 7th in a Class E at Cabourg over 2,750m on 21 August, continuing her modest run of form, and can be ruled out
- 9. IF DE LA COUDRE** - Has been like a horse reborn since moving yards, most recently winning a Chinon Class F in mid-August. Is arguably better on turf but in current condition should be retained
- 10. INSIDE** - Unexceptional sort that has been struggling lately and is not about to upset the status quo
- 11. HORACIO DE CERISY** - Showed improvement mid-August when 5th in a Class E on turf but in this company will struggle to make his presence felt
- 12. IDEAL MOSSA** - Encouraged during the spring but subsequently lost his way and even though barefoot this time will have little to offer
- 13. INSIDE MAN** - Returns to racing barefoot following a pair of modest runs, lastly trounced in a 2100m claimer here 2 weeks ago, and will have few takers
- 14. IRIS DU LIVIER** - Useful for the most part and most recently 2nd in a Class F at Vichy over 2,950m on 25 August. Is reunited with Matthew Abrivard who won with her last winter and cannot be discounted
- 15. HOPE YOU CAN** - Gave a fine account to run second in a Lisieux Class E last Saturday. Takes a notable hike in category though and is unlikely to create an upset
- 16. HISTORY MAJYC** - Fifth in a Class E at Lisieux over 2,675m on 17 August 2026 after having run 2nd at Cabourg. Is no stranger to Vincennes and is not about to return home empty-handed
- 17. INCREDIBLE GO** - Got back in the game when successful in a 2100m claimer here a fortnight ago. Enjoys a good entry but is out of his depth this time
- 18. INSERT BOY** - Made it 3 on the trot after winning a Class E Apprentices' race at Pornichet over 2,725m on 6 August. Has raced little here, but always to good effect, and is easy to fancy for the win

Summary: INSERT BOY (18), who has enjoyed an exceptional year, should logically attract the majority of votes. In good form lately, the barefoot IN LOVE D'ECAJEUL (6) nevertheless looks a serious rival. The speedy IPIPOURAX PAULOIS (4) can give this a good shot if applied, as can the tough IDEAL D'URZY (3), and the same caveat applies. ITALICA (2) reassured last time out and should have a say at the business end of affairs.

C2 - PRIX BAPTISTINA - 2700m (a1m1/2) - Class E - Harness - EUR € 41,000

1. **KID D'ECHAL** - Respectable trotter that was disqualified in a Pornichet Class G 11 days ago, but is still being aimed too high
2. **KORISOLIS DE ZIETTE** - Raced better in a Class G at Les Sables-d'Olonne 2.5 weeks ago than his 7th place would imply. Ran second under these conditions last winter and, barefoot this time, will have an important role to play
3. **KUROKO LAUAR** - Had been on a fine run of form until last month when out of the picture in two, and can be ruled out
4. **KAIROS DE BOMO** - Fifth, on comeback, in a Class E at La Capelle over 2,700m on 25 August. Will have progressed for the run, is competitively-shod this time, and can make his presence felt
5. **KEEPSAKE MOSSA** - Runner-up in a Class F Amateurs' race at Vincennes over 2,100m on 22 August. Imposed at La Rochelle earlier that month and deserves to be taken seriously
6. **KARAIELLA BOND** - Very disappointing in 2026, most recently 7th in a Cabourg Class E 3 weeks ago, and even racing barefoot is unlikely to spring any surprises
7. **KIROVAL DU VINOIS** - Useful element but appears to have lost his way recently and is unlikely to generate much interest
8. **KISS COOL MIJACK** - Has not won for some time, but is consistently in the thick of things in both codes, most recently coming second in a 2200m Agon monte Class H on 16 August. Went close last time here and can repeat
9. **KAISER TURBOT** - Finished 5th in a Class E at Cabourg over 2,725m on 4 August. Is not a priority but goes both directions and will be one to monitor
10. **KNOX JENILOU** - Put an end to a fine string of runs when disqualified at Meslay 3 weeks ago. Seldom disappoints over the main track and should not be far off the mark
11. **KARTER LEWIS** - Gave a good account on re-entry when 3rd in a Strasbourg Class E last week. Is confirmed with his driver but others still easier to back
12. **KAMIKAZE** - Victorious in a monte Class F at Chateaubriant over 2,400m on 7 August. Is here for a change of scenery and can be passed over
13. **KING DE LARRE** - Pleasantly surprising 2nd in a Cabourg Class E early last month. Is not the biggest fan of Vincennes and is unlikely to shake things up
14. **KATIA DE MUZE** - Has won 2 of last 4, most recently a Laval Class G 12 days ago. Enjoys a good entry and, if applied, can play a prominent part
15. **KOPA VRIE** - Kept up the rich vein of form when runner-up in a Class E Apprentices' race at Meslay-du-Maine over 2,875m on 28 July. Is patently close to winning another and will be expected to deliver

Summary: KOPA VRIE (15), who has enjoyed an excellent spring and summer, can take advantage of this superb entry. In good form, KATIA DE MUZE (14) is also well in at the limit of earnings and will be no soft touch. KISS COOL MIJACK (8) should not be underestimated, nor should KORISOLIS DE ZIETTE (2) who races barefoot for the first time in almost two years.

C3 - PRIX BELISANA - 2175m (a1m1/4) - Class C - Harness - EUR € 46,000

- 1. MARS COBBA** - Was unable to confirm July performance when disqualified in an Enghien Class C early last month. Showed his form that day though and the shorter trip may be just what the doctor ordered
- 2. MISTER CHARLY** - Failed to deliver in a Cabourg Class D 3 weeks ago. Will be shod as he was at Enghien 8 days earlier but others still preferred
- 3. MOURILLON** - Made up for July sanction when 3rd in a Class C at Enghien early last month. Will be barefoot, with François Lagadeuc in the bike this time, and can give this a good go
- 4. MONSIEUR AS** - Is not without merit but has looked decidedly ordinary since imposing at Cordemais in April and can be ruled out
- 5. MALMO DE PUCH** - Victorious in a Class C at Vincennes over 2,700m on 24 August, his first win since last October. Should appreciate this shorter trip and will generate interest
- 6. MAURICIEN** - Has been somewhat out of sorts since imposing at Beaumont-de-Lomagne in late-May. Is shod as he was under the saddle here in June and is unlikely to spring any surprises
- 7. MEYDAN VOIRONS** - Runner-up in a Class C at Enghien over 2,875m on 6 August. Is as tough as they come and can make his Vincennes bow a successful one
- 8. MUZE MAKER** - Finished 5th in a Class B at Lisieux over 2,725m on 17 August. Was most impressive here earlier in the year and returns to the venue with a realistic chance of getting his nose in front
- 9. MISTER BARRA** - Reassuring in a Class B at Divonne over 2,650m on 20 August, however a repeat seems most improbable
- 10. MON PLAISIR** - Unplaced on comeback in a Class B at Lisieux over 2,725m on 29 August. Has shown a considerable liking for Vincennes and is unlikely to disappoint

Summary: MEYDAN VOIRONS (7), a five-time winner from 10 starts, still has plenty to offer and should play a leading role. Back at Vincennes, where he won twice during the spring, there is a strong case to make for MUZE MAKER (8). MARS COBBA (1), partnered by Benjamin Rochard, and MON PLAISIR (10), barefoot following his re-entry run, have claims on the places.

C4 - PRIX BRUNA - 2850m (a2m) - Class D - Harness - EUR € 46,000

- 1. LOULIANA DE VANDEL** - Finished 6th in a Class D at Enghien over 2,150m on 10 August. Has ample ability but is shod this time and will have other priorities
- 2. LODEN D'HERFRAIE** - Won a Class E at Chatelaillon over 2,500m on 27 July 2026. Is new to 2850m at Vincennes but has previously won here and is easy to like for a spot in the picture
- 3. LUTIN JABA** - Very disappointing since returning to competition in late-April and recent results do nothing to inspire confidence
- 4. LEDETROIT CHENOU** - Ran 7th in a Class D at Lisieux over 2,725m on 17 August 2026. Is being prepared for a monte campaign though and can be passed over
- 5. LULU JIVE** - Fifth in a Class D at Cabourg over 2,750m on 24 July. Is new to Vincennes though and can expect to find this a stiff test
- 6. L'AS DES CARAIBES** - Has enjoyed a fruitful 2026, most recently 4th in a Class D at La Capelle 10 days ago, and although not a priority, will sport 4 pads for the first time and cannot be ruled out
- 7. LUCKY LOVE** - Finished 7th in a Class C at Cagnes-sur-Mer over 2,150m on 3 August. Struggled in last 2 but is barefoot this time, reunited with Louis Baudouin, and not incapable of getting in on the action
- 8. LOOK MESLOIS** - Oddly lacklustre 6th in a Lisieux Class D 2.5 weeks ago. Has form at the venue and will not be too far from the action if Pierre Belloche keeps him trotting
- 9. LOOPING MIL** - Fourth in a Class B at Grenade-Sur-Garonne over 2,700m on 15 August. Has been fitted with a new formula and with Benjamin Rochard reining will be no easy touch
- 10. LOUIS QUATORZE** - Fourth in a Class D at Lisieux over 2,725m on 17 August. Has been hard to fault this term and while not a contender should nevertheless hold his own
- 11. LORD DE BRION** - Classy winner of a Class D at Divonne over 2,600m on 18 August. Has been in cracking form for the past 2.5 months and is in with a reasonable shout of giving LE CAPORAL (15) a run for his money
- 12. LORDIUS** - Ran 5th in an Abbeville Class E on 16 August on first start following his break. Will have come on for the run but others still easier to back
- 13. LUTECE D'ELA** - Unplaced in a Class D at Enghien over 2,875m on 11 July 2026, just her second start since the spell. Will be fit by now though, won last time at Vincennes, and must be respected
- 14. LADY PRINCESS** - Won a Class E at Enghien over 2,875m on 22 July, at 16-1, when first-time barefoot. Shoes off again and looks competitive for a place in the frame
- 15. LE CAPORAL** - Third in a Class D at Lisieux over 2,725m on 17 August 2026. Presents fine left-handed references and has every chance of winning this

Summary: LE CAPORAL (15) was beaten only by a very good horse on his last left-handed start. He benefits from a superb engagement here and Adrien Guarato knows him inside out. Barring mishap, he should fight it out with LORD DE BRION (11), who won with authority at Divonne-les-Bains. LOOPING MIL (9) has enjoyed an excellent summer, is re-shod, and will be vying for a podium finish, as will LADY PRINCESS (14), who produced a superb turn of foot at Enghien, and LODEN D'HERFRAIE (2), who is reunited with Eric Raffin who imposed with him on their first and only association.

C5 - PRIX CONCORDIA - 2700m (a1m1/2) - - Mounted - EUR € 47,000

1. **IQUEM NARCY** - Looked rather ordinary when 5th of 6 to IDEAL DE BANNES (3) at Vibraye in mid-August and can be passed over
2. **IGNACE GUENESERIE** - Unremarkable trotter that placed just once in 5 starts this term and is not about to create an upset
3. **IDEAL DE BANNES** - Finished 6th in a Class E at Cabourg over 2,750m on 21 August, just 6 days after imposing at Vibraye. Under these conditions though will need to find more
4. **IBIZA DE CONNEE** - Produced a pair of excellent runs at Pornichet before losing her action under harness at Thouars 12 days ago. Reverts to a previous formula and can play a small role
5. **ISUTAH** - Has been out of sorts since winning 2 straight earlier in the year. Luka Ott in the saddle this time but is still not an obvious choice
6. **IMAGE D'HERFRAIE** - Finished 11th in a harness Class D at Enghien over 2,150m on 18 July 2026. Can be a bit spirited but on good behaviour will be expected to get in on the action
7. **IN LOVE DE BLARY** - Tricky element with a pair of harness conditioners under her belt. Has won twice under the saddle at Vincennes and looks competitive for a place on the podium
8. **IXOR DE L'ITON** - Finished 6th in a Class D at Laval over 2,850m on 28 August 2026. Consistently gives everything he has but that may not be good enough here
9. **JADE DU PARC** - Ran 3rd at Meslay before finishing runner-up in a Class E at Cabourg over 2,750m on 21 August. Is confirmed here and should again figure prominently
10. **JUST A COUET** - Opened his monte account when routing the opposition in a Pornichet Class E early last month. Was kept on the boil under harness and is back under the saddle with a lot to contribute. Chance
11. **JAG ROYAL** - Gave a good account on return to the discipline at Laval a week ago, finishing fifth in a 2850m Class D. Has demonstrated considerable aptitude for the code and is unlikely to let the side down
12. **JAGUAR DE KARA** - Finished 7th in a Class E at La Capelle over 2,750m on 25 August 2026. Returns to his code of preference, benefits from a terrific entry, and can get his nose in front

Summary: JAGUAR DE KARA (12) made a good return under harness and, reconfigured, now faces a challenge that is well within his capability. JUST A COUET (10) was impressive at Pornichet and will be shod as he was that day. JADE DU PARC (9) has been knocking at the door and will be fitted with 4 pads for the first time. IN LOVE DE BLARY (7) is competitively-shod this time and, with application, has the ability to go close.

SELECTIONS

C6 - PRIX KLYMENE - 2700m (a1m1/2) - Class D - Harness - EUR € 40,000

- 1. MAYA PONT VAUTIER** - Returned to winning ways at Le Mans on 25 July when comfortably securing a 2950m Class E. Is pitted against superior horses this time though and chances seem limited
- 2. MULANE DU BOCAGE** - Third in a Class D at Cabourg over 2,050m on 21 August 2026. Presents respectable left-handed credentials but others still preferred
- 3. MA BRISE TIME** - Victorious in a Class E at Pornichet over 2,650m on 20 August. Has done nothing but improve since the spell and with Eric Raffin back in the bike, will be afforded every chance
- 4. MOON DES ARRIS** - Finished 7th in a Class D at Enghien over 2,150m on 22 July, 19 days after having won a Cabourg Class E. Races first-time barefoot but at this level will have too much to do
- 5. MALINE DU PLESSIS** - Should not be too hastily-condemned for losing her action in a 2100m Class D here two weeks ago. Is clearly in race-mode this time and will be no pushover
- 6. MAYA D'AUBRIERE** - Fifth in a Class E at Saint Malo over 2,950m on 11 August 2026. Consistently gives what she can but in this category looks a minor place prospect at best
- 7. MERRY DE MALABRY** - Second in a Class B at Meslay-du-Maine over 2,850m on 28 July 2026. Tends to show more racing clockwise but in current condition is hard to ignore. First 5
- 8. MEDEE DU VIVIER** - Unplaced in a Class C at Laval over 2,850m on 19 August. Has been off the boil since May and will struggle to make any impact
- 9. MAERLINE D'AVEL** - Ran 6th in a Class E at Les Sables D'Olonne over 2,775m on 26 August, but is clearly better than that. Gets the chance to race barefoot this time and we should see another side to her. Place prospect
- 10. MITSY DU NOYER** - Runner-up in a Class D at Cagnes-sur-Mer over 2,700m on 13 August 2026. Is new to Vincennes and takes on some better fillies, but should nevertheless acquit herself honourably
- 11. MISS DE LA FERME** - No slouch on a good day and has form under these conditions, but was out of the picture on last two starts and needs to get her house in order
- 12. MONNAIE COURANTE** - Moderate filly that has failed to make the grade for some months and can be confidently ruled out
- 13. MOANA MESLOISE** - Disqualified in 3 of last 4 starts, the latest a Class D over course and distance on 31 March 2026, and will have few friends
- 14. MISS ROBINSON** - Finished 3rd in a Class D at Vincennes over 2,100m on 22 August 2026. Has demonstrated excellent versatility and looks the one to beat
- 15. MOONSTAR JYL** - Won twice over course and distance last winter but has been very disappointing since and with shoes fitted is unlikely to spice things up
- 16. MY LADY PRINCESS** - Got back in the winners' circle when securing a Class D at Cagnes-sur-Mer over 2,700m on 13 August 2026. Benefits from a fine entry here and can bring the fight to MISS ROBINSON (14)

Summary: MISS ROBINSON (14), who finished third on her Vincennes debut recently, will be racing barefoot for the first time and looks a formidable contender. Also barefoot this time, MY LADY PRINCESS (16), who has won four of her last six, and MAERLINE D'AVEL (9), are candidates for the leading places. MALINE DU PLESSIS (5), who caught the eye after faulting here a fortnight ago, excels in the day's configuration, and can set the cat among the pigeons.

SELECTIONS

MISS ROBINSON (14) - MY LADY PRINCESS (16) - MAERLINE D'AVEL (9) - MALINE DU PLESSIS (5)

C7 - PRIX CAMILLE DE WAZIERES - 2700m (a1m1/2) - Gr2 - Mounted - EUR € 120,000

1. MOLLY WHITE - Failed to make any impact in her three return runs. Has been reconfigured for the occasion but is simply not up to the task

2. MEGANE DE CERISY - Unremarkable and difficult filly that has no place in this field and has no possible chance

3. MIMI D'AUTHISE - Not the easiest of horses to handle, and has never been tested at this level, but is patently talented and with shoes off this time could prove something of a spoiler

4. MIRATISSIME - Has been disqualified in all 6 starts since returning from her early-season layup and can expect to have few friends

5. MALICE CAILLERIE - Got the year off to a victorious start but has been rather spirited since. Is not devoid of ability but others still easier to trust

6. MILOR DE LA VALLEE - Unraced since being disqualified in a Group I at Vincennes over 2,850m on 21 June. Has buckets of talent, is Gr.1-placed, and with application will have his chances

7. MUNHOA VEDAQUAISE - Classy filly that made up for her Gr.1 disqualification when outclassing the opposition in a Group III at Enghien over 2,250m on 14 August and Paul Ploquin can be forgiven for feeling bullish. Claim

8. MISS DES BESACES - Starts for the first time since coming 3rd in a Group I over 2,850m here on 21 June. Will have been specifically prepared for this and represents the main danger to MUNHOA VEDAQUAISE (7)

Summary: MUNHOA VEDAQUAISE (7) has been impressive when applied and can pull off another big performance. Unseen in public since finishing third in the Gr.1 Prix du Président de la République, the diminutive MISS DES BESACES (8) will once again give her all. MILOR DE LA VALLEE (6) was quickly eliminated that day and Eric Raffin will be eager to set the record straight. The tricky MIMI D'AUTHISE (3) races barefoot for the first time and should not be underestimated on her first attempt at this level.

C8 - PRIX INO - 2100m (a1m1/4) - - Harness - EUR € 35,000

- 1. NYMPHADORA TONKS** - Finished 3rd in a Class E at Lisieux over 2,100m on 17 August, her first start since February. Will have progressed for the race but is a minor place chance at best
- 2. NATALIA MELODY** - Very disappointing since getting off the mark in an Amiens Class F in late-June and is not about to trouble the opposition
- 3. NAGA JOLOKIA** - Goes left-handed for the first time after running 4th in a Cabourg Class E 10 days ago. Is still learning her trade but has bags of ability and is not incapable of getting off the mark
- 4. NOUMEA LIGNERIES** - Eliminated on re-entry 2 weeks ago in a Divonne Class E. Has merit, and will sport hind pads this time, but others still preferred
- 5. NELL DES RIOULTS** - Big filly that has shown significant promise in the provinces, most recently 3rd in a Pornichet Class E a fortnight ago, and can wrap this up if she adapts to the main-track profile
- 6. NEPTUNE MADRIK** - Showed early promise but has come completely off the boil over recent weeks and can be confidently disregarded
- 7. NOISETTE DU LINON** - Has turned a corner over recent weeks, lastly winning an Abbeville Class F on 8 August. Makes public debut on a hard surface but is padded for the occasion and unlikely to disappoint
- 8. NOUNASSIMA** - Disqualified on comeback 10 days ago in a Class E at La Capelle. Clearly has ability though and will be fitted with pads for her main-track debut. Attention
- 9. NILY UP STAR** - Failed to confirm Enghien effort when disqualified at Montier-en-Der 12 days ago and can expect to garner little support
- 10. NEW CREATION** - Victorious in a Class F at Sable Sur Sarthe over 2,825m on 9 August, her first appearance since April. Is competitively-shod for the first time and will be no pushover
- 11. NORA DE BEYLEV** - Runner-up in a Class F at Graignes over 2,700m on 8 August. Faces a much tougher task this time around though and even with pads fitted is not about to take Vincennes by storm
- 12. NANOU D'AIMTE** - Finished 3rd in a Class F at Pornichet over 2,725m on 24 August 2026. Sports 4 pads for the first time and although unlikely to lose her maiden status, should nevertheless give an honest account
- 13. NESSY D'AR** - Got back in the game when second in a Class E at Saint-Galmier over 2,650m on 22 August. Will be fitted with 4 pads for the first time but the draw will do her no favours
- 14. NAVETTE SPATIALE** - Fourth in a Class E at Pornichet over 2,725m on 20 August 2026. Is not ideally-drawn but has taken well to racing left-handed and her Vincennes bow could well pay off

Summary: This looks an open contest. NELL DES RIOULTS (5), who has made the frame in all three starts to date, looks close to losing her maiden tag. Well-placed behind the car, NAGA JOLOKIA (3) should prove a serious contender if she takes to the new conditions. NEW CREATION (10), winner on re-entry and sporting front pads for the first time, and NOISETTE DU LINON (7), fitted with 4 pads for the occasion, have claims on a place in the picture.
