10 Good Wine gets the tip in this tricky race. He faces good conditions money-wise and comes from a nice third place at Solvalla. He will face easier opponents now and has an interesting lane. Stefan Edin. **8 Elegance Runner** comes from Finland but has raced in Sweden recently and done well. Won at this track two starts back and is now driven by Ove A Lindqvist. **3 Smash Is Smash** has also shown good form of late and she is our close favorite for the lead among several fast starters. Early choice in that case. **4 Michelle P Hill** is already five years old but is competing in her first season and has done quite well. She can open fast.

6 The Teknologen has almost earned one million SEK and faces good conditions. Has won six races this year and took four victories in a row this summer. Third in the V85 two starts back. Gets an offensive trip? **4 Guli Stina** has a 20 meter advantage as a filly and that could be enough. She won five of 15 races last year but is still without victory this season. Is consistent and should be considered early. **5 Hulte Sixten** is also good for this company. Made a mistake from the start in the last race but had shown good form before that. A bit tricky number. Now driven by Ludvig Wickman. **3 Prinsessan Stöen** wins often and is clearly better than the latest results show but her form is a question mark. She is our favorite for the lead.

6 Dalens Elvis has earned the most money this year and has a nice task here. Has been matched in some tough races and done well. Should get a good start from this lane. Good chance with the right trip. **3 Warhol** did not trot well from the lead over the home stretch in the last race and is looking for revenge. Scored a good win two starts back and can open quickly. **7 Viking Lane** has shown good form of late and deserves a win. Like our pick one, he has an interesting lane and he has five wins in six attempts from the front. **2 Bank Angel** has got locked in towards the end and is clearly better than the latest results show. Driven this time by Ove A Lindqvist and that is clearly interesting. Has five out of five from the lead.

1 Almond Remix has a good task here. He won very easily from the lead in the last race and looked nice. Top chance to reach the front again here and then he is the horse to beat. **7 Our Own Pastime** has won five races this year and earned the most money. Finished quickly in the last race after a poor start and should be considered early on. **6 Sundance Kid** is better than the latest results suggest. Won six of ten races last year and comes from a third spot over today's long distance. A bit tricky number. **3 Abbott** won last time over today's long distance and is driven by Susanne H Osterling now. Could reach the position behind the leader?
