V64 ATG

RACE 4 — V64-1 — Auto 1640

10 Hällebackens Nike made his debut for Roger Nilsson in the last race and put in a good effort. Seems to be much faster now. Our pick. **6 Domenik Broline** scored a good win last time from outside the leader and is in fine form. Will probably get an offensive trip again. **11 Ethel Face** is not reliable and gallops a lot but has very good capacity for this company. **5 Edmundo** scored a nice second spot in the last race and has good capacity when he is at his best.

RACE 5 — V64-2 — Volt 1640

9 Guli Sanna has been matched in tough companies lately and is going down a lot in class to this race. Our pick. **13 Rive Rodin** is used to much better opposition and will go down a lot in class and is now driven by gifted Ulf Ohlsson. **3 Risårigel** scored a good win in the last race and is a strong and tough horse. Good position from which he should get off to a good start. **2 Snabb** is very fast and likes this short distance. Sandra Eriksson is a big plus.

RACE 6 — V64-3 — Auto 2140

8 Macao de Busset has made two starts and won both easily. Driven by Ohlsson and our pick. **6 Deal of the Day** has put in two good performances so far and is the favorite to take the lead after a while. From there he will not be easy to beat. **11 Nightwish Sisu** has made two good races without a mistake but galloped twice too. Not reliable but without an error she is in the mix. **2 Asa Always on Time** was tested barefoot in the last race but that didn't work. Comes back after a break.

RACE 7 — V64-4 — Volt 2140

9 Captain Corey is a nice 3-year-old who has had a very good reputation. He has two runs under his belt now and won after a strong finish in the last race. Our winner. **14 Jean Crowe** won in a big way in the last race despite a tough journey during the final lap. Really good when he is at his best. **11 Babish** is consistent and finished quickly in the last race. Should be improved by that run under his belt. **6 Facit Vendil** galloped in the last race but was really good before that against good horses. Should be considered with the right journey.
