RACE 1 — V4-1 — Volt 1640

2 Tahia Håleryd is a three-year-old filly who is the least experienced in this field. Has started quite well and comes from a second place. This time she is driven by Magnus A Djuse and that is exciting. Our pick. **1 Shivers** took two straight wins from the lead in July. Not at his best in the comeback last time but run under his belt and our clear favorite for the lead. **3 Keep In Touch** won from the lead in the last race and looks in fine form. Driven for the first time by Fredrik Plassen.

RACE 2 — V4-2 — Auto 2140

11 Sol Flamma has had a good season this year and showed good form in the last race when he finished fast to a second spot. Difficult lane of course but good chance with the right trip. Tomas Pettersson is driving again. **4 Trollbalder** has the best lane of the favorites. Is better than the latest results show and should be considered early with Henrik Svensson. **10 Mynta V.S.** did well in the last race and has one run under his belt now. He is one of the better horses in this race. Magnus A Djuse. **12 Hulte Janina** is coming off an easy victory at this track and beat several of today's opponents. Much tougher lane now. Should not be discounted.

RACE 3 — V4-3 — Volt 2140 — RANK

2 Thyra A'lir has started well without winning. Has a nice task here and is our close favorite for the lead. From there the three-year-old filly will not be easy to beat. **4 Electra A'lir** has not won after seven attempts either. She is also three years old and has done well so far. She is driven this time by Magnus A Djuse and that is of course interesting. **13 Perfect Dream** has won three races and earned the most money this year. Comes from a second place but has got a very tough lane. Hopes for quick pace. **1 Diskoteka** returns after a pause but has a perfect lane and should get a nice trip together with Ludwig Wickman.

RACE 4 — V4-4 — Auto 2140 — RANK

12 Höstbo Sigrid has won easily at the end and is our pick despite a disappointing number. However, she has been a scratch and her form is a bit of a question mark. **6 Ava Inga** doesn't win very often but has been matched in good company lately and done well. She is now trained by Fredrik Fransson. **3 Guli Black** is a stable companion to our winner and driven this time by Jan-Olov Persson. The horse has won five races this year and is clearly better than the latest results show. Good lane. **5 Brenne Maja** comes from a second spot. She is a quick starter and our clear favorite for the lead. How will the tactical plan be?
