BETTING FORECAST:

9-4 Binkend, 4-1 A Major Payne, 6-1 Kokanee, 7-1 King's Hand, 9-1 Birthday Angel, 10-1 Kaaranah, 12-1 Bobacious

TIMEFORM VIEW:

BINTKEND is in excellent hands and makes her handicap debut after just 3 runs so can account for more exposed rivals. A Major Payne is in good heart but has a penalty to contend with, while Kokanee was beaten only a short-head on his reappearance and could bounce back from his Nottingham disappointment to figure.

TIMEFORM VIEW:

SOVEREIGN BAY caught the eye on his handicap debut at Haydock 15 days ago and this lightly-raced 3-y-o is open to improvement and makes plenty of appeal here. Fans Favourite showed improved form when third at Windsor 12 days ago and should be suited by this step up in trip, while Del Corso has been consistent since switching to handicaps.

Going: **Soft (Good to Soft in places)**

Left handed. Round course is about a mile and a half in length, which intersects the straight, of seven furlongs and one hundred and forty yards, nearly half a mile out. The downhill turn into the straight means that those poaching an advantage at this point are hard to reel in. Essentially a sharp course, putting a premium on speed and adaptability, though the whole complexion of the course changes when the going becomes testing.

Draw: **N/A** Pace Information: **Very Weak**

Going: **Soft (Good to Soft in places)**

Left handed. Round course is about a mile and a half in length, which intersects the straight, of seven furlongs and one hundred and forty yards, nearly half a mile out. The downhill turn into the straight means that those poaching an advantage at this point are hard to reel in. Essentially a sharp course, putting a premium on speed and adaptability, though the whole complexion of the course changes when the going becomes testing.

Draw: **N/A** Pace Information: **Weak**

| Proved a totally different proposition after being gelded and switched to handicap company, showing plenty of speed when dead-heating with Boston Max in 5f event at Chepstow in May. Only 1 lb higher switching back to the all-weather so bright claims of a follow up. |   |                                     |                                   |            |

Going: **Soft (Good to Soft in places)**

Left handed. Round course is about a mile and a half in length, which intersects the straight, of seven furlongs and one hundred and forty yards, nearly half a mile out. The downhill turn into the straight means that those poaching an advantage at this point are hard to reel in. Essentially a sharp course, putting a premium on speed and adaptability, though the whole complexion of the course changes when the going becomes testing.

Draw: **Against Mid**    Pace Information: **Even**

However, in top hands and gelded since last seen, so quite possible he'll prove a different proposition as a 3-y-o. |    |                                    |                               |    |

| Havana Gold filly who made a bright start to her career on all-weather during the winter, again finding only one too good in a Kempton maiden (7f) in January. Fancied to be on the premises back from a break on turf debut.                         |    |                                 |                             |  |

BETTING FORECAST:

**6-4** Princess Maitha, **13-2** Drymee, **7-1** Show Me Gold, **10-1** Sayidah Aleen, **11-1** Dovecote, **12-1** Don Pablo Colina, **22-1** Arc At Her, **28-1** Turton, **28-1** Ernie Mccrew, **40-1** bar

TIMEFORM VIEW:

PRINCESS MAITHA shaped with plenty of promise when second in a Catterick maiden that has worked out very well and, with progress anticipated now debuting for a new yard, she makes plenty of appeal in her bid to go one place better. Drymee and Show Me Gold may provide chief resistance of the others, while it would come as no surprise to see Dovecote leave his only start as a 2-y-o behind (gelded ahead of return).

TIMEFORM 1-2-3:

**1. PRINCESS MAITHA 2. DRYMEE 3. SHOW ME GOLD**

EIKON HELPING YOUNG PEOPLE IN SURREY HANDICAP (4)  
4yo+ (Rated 0-80) £10,800 6f (1210 Metres)

Going: **Soft (Good to Soft in places)**

Left handed. Round course is about a mile and a half in length, which intersects the straight, of seven furlongs and one hundred and forty yards, nearly half a mile out. The downhill turn into the straight means that those poaching an advantage at this point are hard to reel in. Essentially a sharp course, putting a premium on speed and adaptability, though the whole complexion of the course changes when the going becomes testing.

Draw: **N/A** Pace Information: **Weak**

| All 4 of her wins have come at Wolverhampton, the latest of those over 6f in December. However, having had excuses on previous outing, she wasted no time returning to form when third at Bath (5.7f) 2 weeks ago. | Found plenty when doubling her tally at Newcastle (5f) in March and has performed well all 3 starts since, likely she'd have got closer still to the first 2 but for hanging left at Thirsk (5f) 3 weeks ago. 5-2 Pixie Diva, 5-1 Queue Dos, 6-1 Charlie Mason, 8-1 Monsieur Kodi, 8-1 Tyger Bay, 11-1 Raffles Angel, 11-1 Hierarchy, 14-1 Brazen Idol

TIMEFORM VIEW:

No shortage of chances but CHARLIE MASON's most recent effort following a short break at Kempton was a solid one and, with conditions looking ideal, he could be worth siding with. Pixie Diva is another holding sound claims on recent form and may provide the chief threat ahead of Queue Dos.

Going: **Soft (Good to Soft in places)**

Left handed. Round course is about a mile and a half in length, which intersects the straight, of seven furlongs and one hundred and forty yards, nearly half a mile out. The downhill turn into the straight means that those poaching an advantage at this point are hard to reel in. Essentially a sharp course, putting a premium on speed and adaptability, though the whole complexion of the course changes when the going becomes testing.

Draw: **N/A** Pace Information: **Strong**
