8 Majblomster is a top horse who has earned the most money in this field. She was second in Elitkampen from the same post and is coming off victory. Probably driven offensively. Good chance. **7 Hulte Annika** beat our pick at the end of May and is coming off a win in the V85. She was brave then and is the main challenger. **9 Hulte Alva** won ahead of Hulte Annika two starts back but never had a real chance last time. A bit tricky number but contender with the right journey. **6 Tiras Perla** had a good season last year. Hasn't won yet this year but put in several good performances. Never had a chance in Norway last time.

8 Cabello was really good for Geir Vegard Gundersen but is now trained by Daniel Redén. Debut here for the Solvalla trainer and will face quite easy opponents. Good chance despite this lane. **12 Fantom Jet** is the logical challenger. Gocciadoro's horse was good last year and has put in several nice efforts without winning. Tough draw. **5 Diamant Vendil** was close to win in June and came back well after a gallop in the last race. Place bet. **9 Cala Karamell** was very successful last year but has not scored a place yet this season. Now driven by Jorma Kontio. Tricky number.

3 Pearl di Quattro has not won yet after 15 attempts this year but has earned over SEK 400,000. Was second to Maroon in the last V85 race and is our favorite for the lead here. Good chance. **9 Peaceful Day** is a good challenger. Has shown great form lately but needs a bit of luck from this lane. American bike now. **4 Freccia Laksmy** is without victory after eight starts this year but is not that bad. Gocciadoro's horse is well drawn and driven this time by Magnus A Djuse. **10 Pebbles Newport** is good for this class but has not impressed of late and the form is a bit of a question mark. Hopes for quick pace.

4 Kalida has galloped towards the end but was third at Rättvik over today's distance before that. Took a total of four wins at the start of this season and all of them in Sweden where the horse has been successful. Our pick. **9 Önnes Eldner** comes with several straight gallops but is not that bad and has already taken three wins this year. Now driven for the first time by trainer Jan-Olov Persson. Tricky number. **12 Lassas Vårvina** is good for this field but did not convince in the last race at Hoting. Is probably better now but driven by his trainer Joel Wennström and that is normally not an advantage. **8 Andre Walter J.M.** won easily two starts back and did well. Did not convince last time and has a difficult lane. Still possible in this rather weak race.
