Summary: INCREMENTAL (3) can go one better than his latest second at Compiègne early last month. He may have too much in his locker for his main rival, KENSILVER (1), who ran on strongly in the latter stages when finishing fifth on his latest outing at Compiègne in July. MIYALAA (11) is not the most straightforward but has the ability to have a say in the finish. Veteran MYKISS (2) is also worth considering, although his best form has come on soft ground on the turf.

3. MASTER QAM - Finished 10th in a Maiden at Clairefontaine over 1,600m on 6 July 2026, 4th over this track on debut in early December last year over 1900m in a conditions race. Has work to do

4. NATURALISTE - Two unplaced runs of late, the most recent over 1600m in a handicap at Vichy on July 24. Drops in class and has been placed in a maiden in May over 2000m. In the mix

11. MARANELLO -

12. HUNTIQUE - Filly by Hunter's Light, the dam won 5 races. Can be expected to improve for this outing and is best watched with the future in mind

Summary: MEFIE TOI (1) could be the best option in this claiming event. He won on turf at Parislongchamp in June in a claiming race and handles most types of surfaces. The main danger could be CHICA SUERTE (9), who knows how to win on turf and makes her debut on the PSF. MIDNIGHT RODEO (5) is another to consider having won on the all-weather surface in the UK last year twice. NATURALISTE (4) completes the shortlist.

15. **MITARC** - Unplaced in a Class 4 Handicap at Nancy over 2,000m on 20 May 2026. He has shown very little this year and makes no appeal

Summary: BELLA CIAO (4) is the tentative selection in a race where a large number of the field seem to be out of form. She was a decent second last time at this track and can edge it over HIGHFIELD HEIRESS (8), who ran well at Compiegne recently when she was second in early June and can have a say in the finish. GOLDEN TRIP (2) could be one for the each-way backers to latch on to, and DETESNOUVELLES (1) is also worth considering despite racing off the top of the handicap.

15. **QUI EVIDAMENT QUI** - Unplaced in a Class 4 Handicap at Dieppe over 3,000m on 18 July 2026. Her form seems to be regressive and others preferred

Summary: ESTELLA MOBRAY (3) was a decent second over this track and trip in a Class 3 handicap when last seen on July 12th and has solid claims of going one place better this time. Her main danger could be POLMINHAC (5), who was a couple of lengths back in third in the same race on his return from a seven month absence.
