3 Liam won at this track in June and was only closely defeated from the lead in the last race. He is consistent and we believe he has a good chance from this starting position. **1 Touchtoomuch** gave up in the last race at Årjäng but won comfortably two starts back. Nice lane and should get a good trip. **11 CC Hammer Time** has improved of late. Was second from the pocket two starts back and won easily from the front last time. Different number now but still an early choice. **2 Fenwick Gene** took his first career win in his 18th race in the last race and did it from the outside of the leader. Good lane.

11 Iron Fist has started really well with three wins in five starts. He finished well in the last race in a much tougher race than this one and should be considered early despite this starting position. **2 Sironi** has two wins in a row. He won the last time after a layoff and should be even better now. Has a much better lane than our pick. **4 Resilient Riesling** competed as recently as last Tuesday and held well as fourth. Tight starts are a bit of a question mark. Still a contender behind our top duo. **7 Enjoythecash S.C.** has not won for a long time but is a little better than the latest results show. A big outsider.

2 Global Branding has won six of 18 starts and won from the lead in the last race as the mega favorite. Good lane and gets the tip.

5 Nonstop Bonanza has earned the most money but was perhaps not at his best in the last race. He was first and second from the lead before that and can open fast. **9 Tom the Brady** won seven of 13 starts last year and is coming off a very easy victory from the lead.

Different number now but still a contender. **1 Lucky Luciano** was closely defeated in the last race at Färjestad in Sverige. Perfect lane.

10 Noravinn just kept up the pace last time in a slightly tougher race but had shown good form before. Will face modest opposition today and gets the tip. **5 Pave Berit** is a contender too. Galloped in the last race but had done well before. Hasn't won for a while but could surprise in a weak race. **12 Ellvåk** won three out of five races last year and is one of the better horses in this race. However, he has struggled a lot towards the end and is a bit hard to predict. **9 Best Rauen** has earned the most money this year but the form is a question mark after many gallops.

4 Resilient Reddington faces nice conditions and wins quite often. Coming from victory and in good form. Has a nice lane and should have a good chance again. **2 Shahjahan T.H.** faces tough conditions money-wise but has three wins in a row and is in very good form. Challenger. **1 Quantum Tile** got a tough journey in the last race but had scored a couple of good second places before that. Will probably get a good trip from here. **8 Secondstartotheright** is probably one of the best horses in this race and has won two races in Sweden. He was not empty last time. Great outsider.

4 Apieceofcupcake did well against tough opposition in Sweden last year and won straight away in his Norwegian debut two starts back. Returned in the last race after a long layoff and finished well. Run under his belt. Good chance. **7 Good Gal** is a three-year-old filly who has started well. She was a good runner-up last time and had done really well in tough races before that, finishing fourth and third. Early choice. **3 Girl Next Door** has won four of twelve races this year. Followed well as fifth last time and has to be considered behind our top duo. **1 Global Graceful** had a pretty good season last year and comes from two good starts after a long layoff. Warning from a nice lane.
