16. **LE TREZY** - Finished 4th on the most recent start at Strasbourg over 3600m in a Class 2 hurdle on September 20. Look for an alternative

Summary: MASKINA (3) ran a solid race when third in a Listed handicap hurdle at this track on her latest start in September and this lightly raced filly can step forward from that run and gets the vote over PASCIALELLA (9), who was a pleasing second on her latest start over track and trip last month. DINADAME (2) is another to pay close attention to and has been running well at this track on her last three attempts. GABISON (4) won over this track and trip in April and is worthy of each-way attention. MEMERHON (6) looks best of the remainder.

- 5. CALLISTO DU NORD** - Outclassed the opposition in a Maiden on the flat at Angers over 3,000m on 21 September and useful winner over hurdles on five of his six runs. Sets the standard on chasing bow

Summary: CALLISTO DU NORD (5) shaped well when scoring on the flat at Angers last time and now makes his chasing debut. This useful five time winner over hurdles should be well prepared by his connections and is preferred to BOYSTONE (3), who has valuable experience over fences and performed well in a Class 2 chase at Auteuil in September. MON MARCEL (2) also made a promising start over fences, finishing third in that race after jumping soundly. A hurdle winner at Auteuil last year, he can also play a leading role.

9. **MILORD DU BERLAIS** - Promise to be 3rd at this track over 3600m on his only run to date on September 12 in a conditions hurdle. He can step forward and warrants attention

Summary: BAGHERA DU BERLAIS (3) made a promising start when second on his hurdles debut at this track in a Class 1 early last month and with natural improvement he looks like the one to beat. NARVICK SWEEN (4) can be a danger, he also showed a good amount of promise on his debut when second at this track last month and can be competitive. MILORD DU BERLAIS (9) was third in the same race and will know more this time. MAX DU MATHAN (6) is another to pay attention to and can have a say at the business end.

2. **JOJO LAPIN** - Two unplaced runs since a 3rd at this track in a Grade 2 chase at this track over 4400m in May 2025. Not seen since June 2025 but he will be well tuned for his return to action
3. **DENTOR DES OBEAUX** - Came home 4th in a Class 3 Condition Chase at Auteuil over 3,500m on 12 September when behind two of today's rivals. Others rate higher

6. **GRANDBAT** - Ran well to be 2nd at Le Lion D'Angers over 3700m in a Class 3 hurdle last time on September 4. Back over fences and enters calculations

Summary: JEUNE COKO (1) could have the fitness edge after a recent second at this track in a Class 3 chase last month and get the better of JOJO LAPIN (2), who has been off the track sine June 2025, but was third in the Prix Des Drags (Gr.2) chase at this track in May 2025, and with fitness taken on trust he can be a major threat. HIM MALAYA (5) was back in third in the same race as JEUNE COKO (1) last month and has less than a length to find to reverse that form, so can make things interesting.

Summary: Former winner twice on the flat, SILAWAY (1) has taken well to hurdles, scoring on her debut in late August at Clairefontaine and she followed up with a decent fourth in a Class 2 hurdle at this track in September. She will be a tough nut to crack and can score at the expense of MENTION SPECIALE (4), who got off the mark at Angers in a Class 3 hurdle in February when last seen and should have no fitness concern on her return to action. LILY DES CHAMPS (9) and GOLDEN DISC (6) can dual for minor honours.

C6 - PRIX DE NANTES - 3500m (a2m1/4) - TURF - Class 2 - Hurdles - EUR € 51,000

- 9. NINETTE DU SEUIL** - Finished 7th over 3600m at this track over hurdles on her sole start on September 12. She has to improve to trouble some of these
- 10. PEPS NOLIMIT** - Fourth in a Class 4 Condition Hurdle at Compiègne over 3,400m on 9 September on her second start. One to pay attention to
- 11. LA DUCASSE** - Well held in 8th over 3600m in a conditions hurdle at this track on September 12 on her only start. She can improve but faces a stiff task

Summary: LISSADELL (1) won with authority on her only start at this track in a Class 2 hurdle in early September and looks like a useful prospect over hurdles. She can be too smart for ALBERTINE (2), who has shown solid credentials at Clairefontaine on her last two starts, with a win and a second. PEPS NOLIMIT (10) has to be respected after two decent efforts, the latter at Compiègne when fourth last month over hurdles. She can have a say, as can PANAMA LUX (4), who looks best of the remainder.

- 3. MEROVEE** - Recent winner over 3600m at this track in a handicap hurdle on September 12. Hard to rule out despite a penalty
- 4. BLIDA** - Ran well to be 3rd last time behind MEROVEE (3) in a handicap hurdle over this track and trip on September 12. On more favourable weight terms she has to enter calculations
- 5. CAMPO GRANDE** -
- 6. PAREIL PAREIL** - Finished 4th on his last run over this track and trip behind MEROVEE (3) in a handicap hurdle on September 12. Her has ground to find and others more persuasive
- 7. MAURA MAGUIRE** - Finished 5th in a Class 5 Condition Hurdle at Le Touquet over 3,500m on 12 September when last seen. Hard to recommend
- 8. SCILLA** - In good form and finished 3rd in a Class 5 Condition Hurdle at Nancy over 3,800m on 27 September. Handicap debut and she might find a few of these too smart

- 10. HALTREE DES OBEAUX** - Finished 5th last time over this track and trip behind MEROVEE (3) on September 12 in a handicap hurdle. Place chance at best

Summary: MOUSSE DU CHEF (1) has shaped with a good deal of promise in her three runs and can get off the mark on her handicap bow. She faces a live threat in recent course and distance winner MEROVEE (3), who scored by three lengths last month and can be competitive despite a penalty for that success. BLIDA (4) was back in third in the same race and is a sensible option for the each-way backers to latch on to. SERIAL WINNER (9) completes the shortlist.

9. **MENTION BIEN** - Well held in 12th at this track over 4400m on September 12 in a handicap chase last time. Others make more appeal
10. **BIASCA** - In good form and finished 3rd in a Class 3 Condition Chase at Compiegne over 3,450m on 9 September last time out. Leading chance

Summary: BIASCA (10) ran well on her first attempt over fences when she was third at Compiegne in a Class 3 race last month and this lightly raced filly can do well over the larger obstacles. Her main danger today could be CIEL MON CASTOR (6), who got off the mark at Dieppe in August in a Class 4 chase and looks like she can keep on progressing. LOUBA (2) has recent placed form at this track over hurdles and fences and is a logical each-way option. SILVER BUCKLE (5) makes up the shortlist.
