4 Solkattens Express was completely superior in the last race and is probably even improved now. Gets an offensive trip and should have a good chance of winning. **11 Nikki Lane** finished 09.2/700 meter in the last race and showed that she is in good form and she has a nice chance to be in the mix. **2 Koppars Cocobahia** goes for the front and has taken all three wins from that position. He leads the race for a long time. **3 Lucky Lane** is consistent but will find it hard to challenge the best horses in this race. Mainly a place chance.
