1 Natural Boko finished really well in the last race as second in a nice time. This inside lane is perfect and from the lead the mare is difficult to defeat. **3 Nightbird** is a classy type who has not come close to losing in two starts. Tougher opposition now but main challenger anyway. **2 Lillemor Games** is consistent but still without a win. Finds it tough to challenge the best in the race. Place bet. **7 Global Hanky Panky** did well in the last race. Gets a defensive trip and chases good money.

7 Twigs Khaleesi did not convince in the last race but can do much better than that. Now he will go for the lead - and from that position he will be hard to reach. **6 Arn Silvio** can open quickly and will reach a good position straight away. Has won two out of three over this distance. Challenger. **9 Justin Bieber Sisu** is in fine form and good enough to challenge for the top places despite this number. **4 Legacy Of Sound** is basically good. Now coming back after a short break and for a new trainer. Should not be underestimated.

2 Stylish Jog gave up in the last race after an outside journey. Better starting position now and one of several horses who can win this race. **10 Bokono Garde** galloped with energy spared in the last race. Doesn't win very often but this still looks like an appropriate task. **4 Green Dream** has put in several strong efforts and will soon score his first career win. **9 Ultimate Scotch** has two straight gallops but if he avoids a mistake he is good enough to challenge for victory.

2 Herkules A'lir has faced tough opposition for a while and done a good job. Nice task here and if he just handles this number, he should have a good chance of winning. **6 General Silvio** has shown nice form and won five of the last six starts. Main challenger. **3 Plucky Swamp** has galloped in the last two starts but still looks in good shape. Djuse for the first time is interesting. **9 Conrads Palle** is good for this class and with a perfect trip he could challenge for the top places.
