

R1 CABOURG [R-H]

C1 - PRIX DES CEDRES - 2725m (a1m1/2) - - Harness - EUR € 29,000

1. **KARBONE CASH** - Moderate element with just the one race in him since the spring break. Has never produced the goods at this level and is unlikely to start now
2. **KENTUCKY SOMOLLI** - Unplaced in a Class E at Lisieux over 2,725m on 15 July after having imposed at Vitre and Avranches. Excels at Cabourg, has pulled a good number, and must be taken seriously
3. **KANT** - Third in a Class F at Chatelaillon over 2,500m on 27 July. Caught the eye that day and from the 3 slot can apply the pressure on KITTS ET NEVIS (4)
4. **KITTS ET NEVIS** - Tenacious winner of a Class E at Amiens over 2,900m on 29 July. Has yet to deliver at Cabourg but in current form is easy to like for the double
5. **KOME DU DOME** - Successful in a Class E at Clairefontaine over 2,900m on 19 July, making it 2 on the trot. Would be preferred on turf but still has the wherewithal to secure the three-timer
6. **KID PARKER** - Sports 4 pads for the first time after being eliminated at Pornichet a fortnight ago. Did show his form at Le Croise-Laroche on penultimate outing though and will have his supporters
7. **JIDEO STREET** - Modest trotter that has picked up this summer where he left off in February. Goes barefoot this time but still not a concern
8. **KALAMITY DE CHENU** - Unplaced in a Class F at Pornichet over 2,725m on 23 July, her first appearance for 4 months. Is still being conditioned and can be passed over
9. **KENOR DESBOIS** - Won a Class E over 2750m here a fortnight ago before being eliminated in an Enghien Class D a week later. Will appreciate returning to racing clockwise and should not be underestimated
10. **KRYSTAL DU RUEL** - Completely out of the picture since imposing at Meslay-du-Maine in April. Starts on back line and will have little to contribute
11. **KNOCK OUT** - Has ability but is never far from losing his action. Eliminated in 2 of 3 Cabourg starts and is not an obvious choice

Summary: KITTS ET NEVIS (4) finished third behind KOME DU DOME (5) on the turf at Clairefontaine on 19 July before going one better at Amiens 10 days later. The pair can renew rivalry here, with KANT (3), who clocked an excellent 1'12"9 when third over 2500m at La Rochelle last time, able to split them. KENTUCKY SOMOLLI (2) is capable of better, sports modified shoeing, and is worth another chance.

C2 - PRIX DES LISERONS - 2750m (a1m1/2) - Class E - Harness - EUR € 26,000

1. **KONG** - Disqualified last time out in a Class G at Vichy over 1,609m on 4 July. Has otherwise been in good condition, but is being aimed a bit too high
2. **KINGSTON DU MINON** - Complicated element that ran 2nd under these conditions on 17 July, 12 days before faulting at Amiens. Is plainly in shape though, is competitively-shod this time, and must be afforded respect
3. **KOLOSSE RHODES** - Has not been seen out since being disqualified in a Class F at Le Croise-Laroche over 2,700m on 23 February and is going to need the run
4. **LORD OF THE RINGS** - Imposed at Caen mid-June then easily confirmed in a Class F over 2,725m here on 14 July. Is unbeaten with his driver who can justifiably expect to stay so
5. **LE GRAND AMOUR** - Ran 3rd at Lisieux mid-July but failed to confirm when eliminated at Biarritz 10 days later. Appreciates Cabourg conditions though and is easy to like for minor honours
6. **LYS PETTEVINIERE** - Disappointing at Vichy after having imposed at Fougères. Encouraged 3 weeks ago though at Ostend and, while not a priority, cannot be discounted
7. **KINO DE LAUMIERE** - Unplaced in a Class E Apprentices' race at Laval over 2,850m on 22 May. Has done nothing noteworthy so far this season and is unlikely to change his ways
8. **L'ARTISTE DE BOMO** - Runner-up in a Class E at Biarritz over 2,975m on 25 July, just missing out on the hat-trick. Faces a tougher task this time but should nevertheless hold his own
9. **KSAR UNICK** - Finished 6th in a Class E at Lisieux over 2,725m on 15 July. Has looked ordinary since being campaigned in the provinces and can expect to have few takers
10. **L'ONCLE SAM** - Handy sort with a pair of conditioners in him since the spring break. Stays shod though and best to keep one's powder dry
11. **LEONARD DE VINCI** - Produced a fine performance to come 3rd in a Class F over course and distance 2.5 weeks ago. Has no penalty to incur this time and can bring the fight to LORD OF THE RINGS (4)
12. **KIMONO JULRY** - Lost his action in both starts for his new trainer but has ample ability. Benjamin Rochard gets the nod this time and can finish close if he manages to keep him focused
13. **KOLMI DES EPINES** - Delivered a couple of decent performances in the spring but has subsequently come off the boil, lastly well-beaten over 2550m on turf 12 days ago, and others easier to support
14. **KRAC GAILLARD** - Fourth in a Class E at Lisieux over 2,725m on 15 July. Is back on track following his Enghien blip, enjoys an excellent entry here, and Yoann Lebourgeois will be keen to make hay

Summary: LORD OF THE RINGS (4) has been impressive in winning both starts this term and can make it four for four with Alexandre Abrivard. LEONARD DE VINCI (11), who caught the eye here on 21 July, looks the one most likely to make him work. Reconfigured for the occasion, KIMONO JULRY (12) has the ability to play a major role if he stays in stride, while a padded KRAC GAILLARD (14) appeals as the pick of the remainder at the limit of earnings.

C3 - PRIX DES COREOPSIS - 2725m (a1m1/2) - - Harness - EUR € 26,000

1. **L'ETOILE DE ROCHE** - Ran 2nd at Laval on just second start back but failed to confirm at Meslay 10 days ago. Is plainly in decent condition though and can play a small role
2. **MAGIE DE CHAHAINS** - Finished 2nd in a Class D at Enghien over 2,875m on 11 July after having run 3rd in a Vincennes Class D the previous month. Is confirmed at the venue and the draw and new configuration stand her in good stead
3. **MELOPE DU GOUTIER** - Like a horse reborn since starting to race barefoot and should not be condemned for faulting at Enghien late last month. Excels with David Thomain who will be determined to set the record straight. Claim
4. **MARA DU SAPHIR** - Finished 4th in a Class D at Enghien over 2,150m on 29 July. Has won her only start at the venue and from the 4 slot will be no pushover
5. **LE RIB** - Runner-up in a monte Class E at La Capelle over 2,750m on 24 July. Is plainly at the top of his game but would be preferred under the saddle
6. **LADY FAIRY** - Finished 9th in a Class E at Meslay-du-Maine over 2,875m on 28 July 2026. Form has done nothing but regress since winning two on the trot during the spring and we will have little to contribute
7. **MISTRAL JANEIRO** - Finished 3rd in a Class D over track and trip on 21 July. Is unlikely to get his nose in front but, similarly shod, can get in on the action
8. **MYSTIC D'AVE** - 6th in a Class D over 2,750m here on 31 July. Produced 2 fine efforts over course and distance earlier in the month and even though in better company still merits respect
9. **LUPIN DU RIB** - Third in a Class F Apprentices' race at La Capelle over 2,700m on 24 July. Ran 3rd here 10 days earlier but will race shod this time and others preferred
10. **MISS MELODY PEEL** - Non partante
11. **LEADER DE L'AUMOY** - Finished 7th in a Class F over 2,750m here on 28 July. Can trot on a good day but in this category will need to find more
12. **MERRY CHRISTMAS** - Gave an encouraging account Clairefontaine on 13 July but was unable to confirm three weeks later at Rochefort and can be passed over
13. **LUARIA** - Disqualified last time out in a monte Class E at Caen over 2,450m on 30 May. Is here for conditioning sake and has nothing to offer
14. **LEWIS DE GINAI** - Disqualified in last 2, the latest a Class E at Laval over 2,850m on 11 June, and others easier to trust

Summary: MELOPE DU GOUTIER (3) made a costly mistake on the home turn at Enghien last time and would probably have played a major role otherwise. With application, however, she could prove hard to beat. Versatile and in excellent form, MISS MELODY PEEL (10) rates the main danger, just ahead of MARA DU SAPHIR (4), who is competitive at this level. MISTRAL JANEIRO (7) acquitted herself well here recently and can again finish close.

C4 - PRIX BRUNO COQUATRIX - 2750m (a1m1/2) - Class E - Harness - EUR € 33,000

1. **JAINA D'ESSARTS** - Won 2 from 3 before being eliminated in a Lisieux Class E in mid-July. Has otherwise been on a good run of form and, with application, can pick up some prizemoney
2. **JOKER DU MATCH** - Useful for the most part, but has been out of sorts lately and will first need to reassure
3. **INDY DE MAI** - Placed twice during the spring but has since come off the boil, and latest numbers do nothing to inspire confidence
4. **JOLIE QUEEN** - Ran 3rd in a Lisieux Class E in mid-July but failed to confirm at Mauquenchy a fortnight ago and can be passed over
5. **IL MIO** - Moderate individual that was well beaten in a Class F on turf last Saturday and will have nothing to offer
6. **JOCKEY** - Eliminated in last 2, latterly a Class F at Le Mans 3.5 weeks ago. Is hard to fault when focused though and is reunited with Yoann Lebourgeois who won with him at Graignes. Attention
7. **JAZERANE** - Fourth in a Class F at Royan-La Palmyre over 2,475m on 19 July. Is never the easiest of horses to gauge but on good behaviour can get a look in
8. **JUST FOR FUN** - Finished 4th in a Class F at Meslay-du-Maine over 2,875m on 28 July 2026. Is nicely in on the front row and in current form is unlikely to return home empty-handed
9. **JOKER D'AMARO** - Has won 3 of last 4, most recently a Class D over course and distance on 31 July. Trainer could not have wished for a better entry and Mathieu Mottier can be forgiven for feeling bullish. Claim
10. **ICI PARIS EFJI** - Out of the picture in two starts since returning from a lengthy absence. Is still in conditioning-mode and can be ignored
11. **HELLO DE LIGNY** - Has returned modestly following a lengthy stint on the sidelines and will have nothing to contribute
12. **JOCELYNE** - Imposed over course and distance on 10 July before coming 4th in a Brehal Class E 10 days later. Will appreciate returning to a previous formula and is reunited with David Thomain who has already scored twice with her
13. **IBANQUE LEBEL** - Encouraged at Brehal on 20 July but was unplaced in an Amiens Class D 9 days later and the handicap does her no favours
14. **INDIC** - Showed improvement on 10 July run when third in a Class D at Enghien over 2,150m a fortnight later, and with form maintained, is unlikely to be far off the mark
15. **JASMIN GEMA** - Third in a Class E under these conditions on 10 July. Is a veritable model of consistency and will be no soft touch
16. **FULL CASH DE PADD** - Last of 12 in a Class D at Carentan over 2,850m on 11 July, and can be confidently disregarded

Summary: JOKER D'AMARO (9) made all to land the 31 July Quinté+ on his first start with Mathieu Mottier and immediately faces another excellent opportunity at the earnings limit over the same trip. Barring mishap, he should fight out the finish with a re-shod JOCKEY (6), provided Yoann Lebourgeois keeps him trotting. Despite an early mistake, JASMIN GEMA (15) finished third behind JOCELYNE (12), who is shod to preference, in the 10 July Quinté+ and could turn the tables this time. Showing improvement and still behind in earnings, INDIC (14) should also have a say in the outcome.

C5 - PRIX CABOURG JET (PRIX CARDERES) - 2750m (a1m1/2) - - Mounted - EUR € 20,000

1. **LAWRENCE DAIRPET** - Previously a good trotter but has been completely out of sorts this season and has no possible chance
2. **LYTERIOS DU SKY** - Has form here and will be fully-fit following a trio of conditioners, but has disappointed so far this term and cannot be considered a player
3. **LEO DES KECHES** - Reassured somewhat when fifth in a Class F at Plesse over 3,100m on 26 July but in this category will have his work cut out
4. **LE TANGO DU RENARD** - Ran encouraging 4th at Le Mont-Saint-Michel in mid-July but was unable to confirm when eliminated at Brehal 11 days later, and can be passed over
5. **LATINO BOY** - Finished 4th in a Class F at Pornichet over 2,725m on 23 July after having run 7th in 10 July race of reference. Is not the most generous of horses though and others easier to back
6. **LE VENT DU HOULET** - Finished 4th in a Class E at La Capelle over 2,750m on 24 July. Will be partnered by an in-form apprentice and is unlikely to disappoint
7. **LOVIOU JOSSELYN** - Ran 3rd at Vichy before coming 2nd in a Class F at Le Mans over 2,950m on 25 July 2026. Is very hard to fault in this branch of the business and is in with a realistic chance of imposing this time
8. **LOS PACOS** - Lost his action in a Class F over course and distance on 10 July. Has never finished out of first 2 when focused and, with application, can make his way back into the winners' circle
9. **LOUIS GAILLARD** - Finished 6th in a Class E at Enghien over 2,250m on 29 June. Has otherwise been in excellent shape and can get in on the action if he takes to the new profile
10. **LEIPZIG TEK** - Complicated trotter with solid references in the other code. Is barefoot for monte bow and has a reasonable chance of picking up a first-five payout
11. **LORD OF WIND** - Third in a Class F over course and distance on 10 July 2026. Benefits from a good engagement and Justin Maillard will be keen to take advantage. Place prospect

Summary: LOVIOU JOSSELYN (7), in good form and proven with Raphaël Vilault, can fight out the finish with LOS PACOS (8) who comes from a yard enjoying a rich vein of form. LORD OF WIND (11) caught the eye with a strong late finish here last time and can confirm that promise. Racing barefoot and partnered by a capable apprentice, LE VENT DU HOULET (6) completes the shortlist.

C6 - PRIX DES DAUPHINELLES - 2050m (a1m1/4) - - Harness - EUR € 22,000

- 1. MILANO BOCNEUF** - Lacklustre 6th in a Class D at Chatelaillon over 2,625m on 27 July but has otherwise been in cracking form. Races first-time barefoot and makes his Cabourg debut with a good hand to play
- 2. MUST GO FAST** - Has looked a different horse since returning to race on turf, latterly successful in a Class F at Erbray over 2,675m on 5 July, but others still preferred
- 3. MIKI DU POMMEREUX** - Finished 7th in a Class F at Durtal over 2,825m on 20 July after having run 3rd in a Biarritz Class D 16 days earlier, but in this company will have his work cut out
- 4. MEPHISTO JAVANAIS** - Gave a good account on comeback late last month when 5th in a Carentan Class E. Will have come on for the run, is clearly in race-mode, and can challenge for a place in the frame
- 5. MAESTRO DE PAGERIE** - Useful on a good day but still chasing that elusive first win. Has a pair of runs in him since the break but is still not an obvious choice
- 6. MANSFIELD D'OYSE** - Won a Graignes Class F on 4 July, 6 days before repeating in a Class F at Amiens over 2,400m on 10 July, and will be a tough nut to crack if he stays in stride
- 7. MONTY BOY** - Victorious in a Class F at Bernay over 2,800m on 12 July. Is enjoying something of a resurgence and although unlikely to repeat, can still finish close
- 8. MEKONG** - Has a pair of runs under his belt following the spring break. Races barefoot for the first time and although not ideally-drawn, can still make his presence felt
- 9. MIRADOR** - Produced a pair of fine performances before being eliminated in a Class E over course and distance on 14 July. Has a lot more going for him here and can make a big splash if focused
- 10. MIGHTY KYDE** - Late developer that has yet to show any aptitude for the game, and even racing barefoot this time has no realistic chance
- 11. MISTER MARTIN** - Produced quite the surprise when successful in a Class F at Amiens over 2,400m on 18 July. A repeat, however, seems most improbable
- 12. MONOGAME** - Gave a good account on re-entry at Amiens on 10 July before finishing unplaced in a Class F at La Capelle over 2,700m a fortnight later. Should not be too hastily-condemned though and in the hands of François Lagadeuc can get back in the game
- 13. MADIBA DE BELLANDE** - Please more than once during the spring, but out of the picture and last two, and recent Carentan disqualification inspires little confidence

Summary: MANSFIELD D'OYSE (6) has been faultless since joining the Nicolas Catherine stable and looks capable of securing a first hat-trick. Although untested in a mobile start, MIRADOR (9) has the ability to play a leading role. Racing barefoot for the first time and reunited with Alan Gendrot who won with him in May, MILANO BOCNEUF (1) is preferred next, ahead of a reconfigured MEPHISTO JAVANAIS (4) who caught the eye on his recent return to competition.

C7 - PRIX DES NIVEOLES - 2725m (a1m1/2) - - Harness - EUR € 22,000

- 1. NEON DU PARC** - Goes clockwise for the first time following a brace of sanctions. Starts on the inside but faces a stiff test and others preferred
- 2. NASH DE SEVIGNY** - Lost his maiden status at Genets on 12 July but failed to confirm in better company at Amiens late last month and can be passed over
- 3. NERZH DE L'AIROU** - Got off the mark over 2800m at Bernay 10 days ago but failed to repeat when disqualified at the same venue a fortnight later. Should not be too quickly-condemned though and David Thomain will be eager to make amends
- 4. NEWTON DE MONGOCHY** - Ran 6th in a Class D at Enghien over 2,875m on 16 July 2026. Has struggled since being stepped up in category and can be ruled out
- 5. NAPHIL MIJACK** - Unexceptional fifth when being conditioned in a Class F at La Capelle over 2,700m on 20 July. Sports pads this time and clearly means business. Place chance
- 6. NOBLE DIABLE MEF** - Courageous fifth in a Class E at Lisieux over 2,725m on 15 July 2026 after having run 3rd in a Graignes Class E on 20 June. Breaks in front but represents a minor place prospect at best
- 7. NEO DRY** - Can prove a handful but is not devoid of ability. Eliminated in last 2 starts but has previously won racing clockwise and, if applied, can finish in the mix
- 8. NORIANO BELLO** - Unlucky 6th in a Class E at Lisieux over 2,725m on 15 July. Is reunited with Robin Lamy who finished 2nd with him at Saint-Malo and, despite the draw, looks the principal threat to NORDLAND VEDAQUAIS (12)
- 9. NORWICH SPORT** - Won at the first time of asking but eliminated in 2 since and will first need to get his house in order
- 10. NECK OUEST** - Sprang something of a surprise when 3rd in a Class F at Neuillé-Pont-Pierre last Sunday but, under these conditions, is unlikely to repeat
- 11. NEW MAN ANGELE** - Made up for 3 straight sanctions when 3rd in a Class F at Amiens over 2,400m on 18 July, however others easier to trust
- 12. NORDLAND VEDAQUAIS** - Stylish winner at Carentan 12 days ago, first time out. Goes right-handed this time and can repeat if he turns
- 13. NOWAK BONBON** - Reassuring 2nd in a Meslay-du-Maine Class F 10 days ago. Has pulled a rough number but Maxime Herrault keeps the drive and is not incapable of picking up a cheque

Summary: NORDLAND VEDAQUAIS (12) created a very favourable impression when making a winning debut on turf and can follow up if he takes to Cabourg conditions. NORIANO BELLO (8) finished strongly after conceding plenty of ground early at Lisieux last time and, sporting front pads on this occasion, rates a serious danger. Unlucky at Bernay on his latest outing, NERZH DE L'AIROU (3) is thoroughly capable of making amends, while a reconfigured NAPHIL MIJACK (5) is worth keeping a close eye on.

C8 - PRIX DES IFS - 2750m (a1m1/2) - Class F - Mounted - EUR € 19,500

1. **NALIANO** - Disqualified on debut in a Class E over course and distance on 28 July. Is plainly an interesting future prospect and on better behaviour can lose his maiden status
2. **NINJA DES FLOTS** - Disqualified under harness at Guerlesquin over 2,900m on 26 July, first time out. Sports a new formula for monte bow but seems a minor place chance at best
3. **NOISY FROMENTRO** - Unplaced in a Class F at Lignieres over 2,100m on 12 July, having qualified unremarkably the previous month, and is not an obvious choice
4. **NOTABLE D'ECHAL** - Produced best performance to date when 5th over 2625m at Saint-Jean-de-Monts last weekend, but still has a lot more to find
5. **NEO MIO** - Makes monte debut after 3 unexceptional harness performances. Has yet to race on a hard surface and others easier to back
6. **NEPTUNE PIERJI** - Has been particularly disappointing since his early-June debut, most recently coming last of 9 in a Class E over course and distance late last month, and can be disregarded
7. **NAME IS JACK** - Modest individual that finished one-paced in a Class E under these conditions 10 days ago and is unlikely to influence the result
8. **NIL DE PAB** - Third in a Class F at Laon, on debut, over 2,850m on 19 July. Will have improved for the run and must not be underestimated
9. **NEW HOPE D'ELEMS** - Returns to the provinces after coming 6th in an Enghien Class E late last month. Has had 5 partners in 5 outings, and Nora Alexandre, the 6th, can expect to pick up a cheque
10. **NEVERMIND DAY** - Given a rest after being disqualified in a Class F at Argentan over 2,150m on 13 April. Comes here fresh and makes his monte debut with legitimate ambition
11. **NASH DE VANDEL** - Eliminated in a harness Class E over course and distance, on re-entry, early last month. Has already impressed in the other code and with Damien Bonne in the irons will be afforded every chance
12. **NICO DU RIB** - Finished 3rd in a Class F over track and trip on 21 July 2026. Has yet to get off the mark but is clearly close to his race and, given the entry, could well have his way this time

Summary: If NALIANO (1) stays in stride he should just have the measure of this field. Showing improvement and well-engaged here, NICO DU RIB (12) rates the main threat, ahead of NEVERMIND DAY (10) who is reunited with Benjamin Rochard, with whom he made an encouraging debut at Caen in March. Bred for the discipline and already a winner under harness, NASH DE VANDEL (11) should logically generate considerable interest.
