5 Cross Lane is a capable horse but has often had problems with his style. Back from injury in the last race and won easily from the front with a fast final lap and trotted well. Nice task. **8 L' Amiral S.J.S.** finished brilliantly to victory two starts back and was unlucky in the last race - forget it. Main challenger. **7 Laban Lagö** showed 1.10 from the front in the last race and followed well. The horse is speedy. **6 Landmark River** sounds the stable very pleased with. Is better than the latest results show.

Found the lead from this number then. **6 Once A Year** made his debut for a new trainer in the last race and had worked well, but he was beaten from the lead. Should be better now. Barefoot behind and can open fast. **10 Toby Barosso** was only beaten by a big promise in the last race and is already down to 1.14-times. Tough handicap. **2 Nick Nack Mearas** is well-bred and will return after a break now.

Favorite for the lead. **7 Fire Starter** has made a few starts on Swedish soil. Problems in the last race with an accident. **6 Ombra** kept up the pace well between horses in the last race.

3 Cantal has scored a couple of brilliant second places in the V85 this summer. Not at his best last time but still our pick. **5 Green Peaks** is coming off a very easy win and could be on the way up now. The opposition is tougher this time but the trainer is satisfied. **9 Bella Bellissima** was strangely mediocre last time, but had been really good before. **12 Power Of Sand** got a tough trip from first over in the last V85 race and gave up. Possible here.

6 Heathcliff D.E. was really good several times last winter and spring. Back after a break last time and got locked in with lots of energy left behind good opponents. **1 Readly J.R.** was a bit tricky in the last race and didn't have his best day. In the start before that he was the favorite against really good horses. Quick starter and first barefoot! **5 Toamericaandback** scored a nice win two races back after a quick start to take the lead. Has had a layoff. **7 Five Bring Joy** also won from the lead in the last race. Where will he end up from here?
