10 Lion Journey has not started since January. He has not won a race yet, but despite the lack of races and this tricky post, he should have a good chance to win. **11 Wearekind** is doing well most of the time. Came back well after the last race and shows good form. In the mix. **8 Princess Märtha** galloped in the comeback and is not entirely reliable. Now she competes barefoot for the first time which is interesting. **12 Mayson** has been consistent and good but clearly needs some luck from this starting position.

12 Fahrenheit is coming back after a break and for a new trainer. He is matched in tough V85 races and even though his form is not at its peak, he should of course be considered. **6 Xander** is a quick starter and should be able to take the lead. The five-year-old has won two out of four races from the front and leads this for a long time. **15 Apollo Prophet Cal** put in a great effort in the last race when he was able to win despite basically being in three wide the whole race. In the battle for victory. **4 John Filip** kept up the pace well in the last race. Better with that run under his belt and is in the mix.

10 Seles Tequila could decide the last race after a strong final lap. Has three runs under his belt after a break now and his form is almost at its peak. Will be tough to resist at the end. **9 Dottie** took her first win in the last race. Jorma Kontio knows the mare well and she is in the mix again. **4 Väskinge Helmi** comes with double gallops and today's form is a question mark. Contender without a mistake. **2 Sörbo Doris** has not won yet and should primarily be seen as a place bet.

6 Wise Surprise doesn't win very often, but has the form to score the first win of 2026. Ranked highest in an otherwise wide open race. **7 Noor Schermer** gave away the lead a bit into the last race and then got locked in with energy left. In the mix despite this number. **2 God Only Knows** followed alright in the last race. Good post and barefoot for the first time. He should not be overlooked. **12 Super Queen B.S.** did well last time in the first race in four months. She will pass many opponents at the end.

Should reach a good position from here and the mare is possible with the right trip. **11 Martinique Decoy** likes the long distance and is getting closer to the first win on Swedish soil.

7 Phantom Le Soleil is used to racing on Saturdays and will now face slightly easier opposition. Barefoot again now which is optimal and this looks like a nice task. **8 Fancy Free** is on the way to the same form as when she took four wins in a row last season. Normally a contender here. **3 St. Raphael Decoy** is a good sprinter with a nice number. Got locked in last time and is in clearly better form than the results show. **12 Run Riddle** took two wins in a row during the spring. In the mix if he has the same form now.
