5 Mellby Onyx has started his career in a really good way. Defeated by a much better horse in the last race, but still a good second. Meets quite easy opponents. **2 Once A Year** has not won a race yet but looks to be nice. Has shown good speed from the start. **4 Kirsi Zet** is making the first start for a new trainer. Could be on the way up. **7 Game Stop** has been clearly improved lately, although his last effort was perhaps somewhat mediocre.

10 Chamberi started his career with three wins in a row and looked absolutely brilliant as he won by a wide margin each time. He was up against some very tough opponents in the last race. He wins often. **7 Pixie Brodda** has won two races in a row and been improved significantly. Fantastic stable form. **4 Pure Bliss** is a nice trotter whom Jesper Rydberg will probably have fun with. **5 Phenomenne** is speedy but a bit up and down and not reliable either.

4 Plucky Swamp is very capable for this class but has struggled a lot during his career. Without a mistake he has top chance. **3 Champus** is much better than the results show and the last race was a clear step in the right direction. He has to be considered from a perfect lane. **6 Cabin Pressure** has been matched in quite tough races. A run under his belt after a layoff should mean that the form is coming. **9 Superstitious** has two runs under his belt after a long break.

6 Email Address is not at all reliable, but owns very nice speed for this class. Top chance without a mistake, but not sure if he avoids a mistake. **4 Mighty Mearas** has taken his first career win. He is strong in every way and has shown the best capacity in the first circle. **11 Homely Style** is making his second start for Stefan P Pettersson and will likely be improved by that run under his belt. **7 Martinique Decoy** does alright most of the time.

10 Farlow Selva got locked in with energy left in the last race. Has won more than half of his career starts. Could be the strongest at last. **12 Chico De Calamar** has got a well-deserved break before this race. His form is a bit questionable, but as good as the horse has been, his chances are nice anyway. **3 Flys Punk Rocker** did well as third in the last race. Doesn't win very often but is a contender with the right journey. **1 As Always Marke** won an easy race last time. Is a quick starter without a mistake and will reach a good position.

12 Jay Jay Zet has been in tough companies for most of his career. He drops a bit in class for this race, but has a poor starting position. Still our winner. **7 Hugo Boss Shadow** is normally really good for this field, but after his latest performance he is a bit hard to predict. **1 Xanthis Kylie** is another horse who is hard to predict, to say the least. Last year's runner-up in the Swedish Oaks has not convinced at all this season. **11 Ace Of Marke** probably prefers to run in front.
