11 Comedy held strongly in the last race as second and beat several of today's opponents. Has won five races this year and earned the most money. Top chance in this company despite this lane. **9 Harpos New Yorker** won the seasonal debut in January and has shown good form lately. Tricky number but one of many contenders behind our pick. **3 Jerry B.R.** has won six of 25 races which is definitely good in this field. He is coming back after a long layoff but has a good lane and should be considered behind the favorite. **6 Kvåles Tobin** has taken two wins this year and been quite consistent in the end. Mainly a place bet.

5 Lizandro has won four out of six races and won the last one despite galloping. He will face a bit tougher horses this time but should be considered from a good lane. **6 Elysian Face** has two wins in a row and should be on the way up with three runs under his belt. Early choice. **8 Moni Sunlight** has won two of six races this year. Finished quickly in the last race to a third spot and looks in good form. Has a difficult lane but is still a contender. **3 Global Finance** came back strongly as fourth in the last race after a big gallop. Hadn't raced for over a year before that and should be improved now. Outsider.

7 He Dares the Devil gave up as a big favorite in the last race after a very tough start. Had put in several good performances before that. Wins often and gets our pick here too. Revenge. **5 Foreign Affairs** came back strongly as second last time after a gallop and sprinted really well to victory in the last race. Top form and early choice. **2 Walker** has done well this year and did alright as third from the outside of the leader in the last race. He is also in good form and ideally drawn. **9 Bozeman** won ten of 21 races last year and has four victories this season. Galloped over the finish in the last race after a trip from outside the leader. A bit tricky number but possible in this company.

Good chance if he avoids a mistake. **6 Alma Prins** has clearly earned the most money but faces a 60 meter handicap too. This small field is a big advantage. Very early choice. **3 Bragd** won seven out of 19 races last year. Fourth from pocket last time and has been very consistent towards the end.
