RACE 3 — V65-1 — Volt 2500 — RANK

3 Malvik is very gifted and really good for this class. Together with Åsbjørn Tengsareid, the horse has a very nice task and without a mistake he is the likely winner of this race. **7 Hold My Beer** could challenge our pick on sheer ability. Normally in the mix. **12 Kiwi Bobcat** has done well lately but needs some racing luck from this handicap. **4 B.K. Sweet And Sour** did not convince in the last race, but had scored three wins in a row before that.

1 Sobel Promise has put in consistent and good performances most of the time. This lane is a bit tricky at the narrow Klosterskogen track, but the horse can open quickly and should be able to reach a good position. Good chance to win. **2 Jessie Leg** is definitely good for this class and is guaranteed a nice trip from here. **6 Karlo Vang** has four runs under his belt after a long layoff and his form seems good. Early choice but needs some racing luck. **7 Euro S.L.** doesn't win very often, but is consistent.

RACE 5 — V65-3 — Volt 2100 — RANK

1 Bjørnemyr Even has started his career brilliantly with four wins in seven starts. Faces nice conditions in the first circle and should take an early lead. From that position he is the horse to beat. **11 Hvatt Rauen** has really nice speed for this class but is not completely reliable. Without a mistake he will be in the fight for victory. **6 Brenne Viktor** is capable but still inexperienced. Won despite a gallop in the last race, but tougher task this time. **7 Bjørlimy** should not be overlooked.

3 Skinnes Storm looked nice a bit behind the winner in the last start. Nice conditions this time and now he is racing barefoot again, which is an advantage. Good chance of winning. **5 Lex Even** scored a really good win two starts back at Bjerke. Might prefer the short distance, but handles this one too. Early contender. **8 Moi Oda** is consistent and good. Possible with the right trip from this poor starting position. **6 Karmland Lukas** owns quite good speed.
