3 Ferdinand Ferry has done well in both starts so far. The three-year-old is a quick starter and from a nice starting position, he has a good chance of winning as well. **6 Pivot Heldia** is approaching the first win after three good efforts and is a contender in this race. **8 Spice On Ice S.** has made one start for the new trainer and is certainly better now. He should not be underestimated. **5 Garonne Bro** came back well after a gallop as second last time and with a similar effort he is in the mix.

4 Paul McCartney is coming off a good performance and together with experienced Jessika Sidbäck, he should have the best chance to win this race. **3 Garbino** took three wins in a row at the beginning of the year and if he finds that form again he will be in the right for victory again. **1 Kajser** will have difficulty holding the lead, but if things work out along the way he could be in the mix. **9 Ture Travare** won easily in the last race and even if he met easy opposition, the impression was really good.

1 Daisy Vik can open fast and should have a good chance of finding the lead and once there the mare will not be easy to reach. **7 Grodda Jet** is good for this company and the mare clearly has the capacity to challenge for victory. **12 Old Maid Boko** finished strongly in the last race. It was her first start since February - and she will certainly be much improved to this race. **4 Hvenhilda Quick** is well drawn but the form is hard to predict now. Normally in the mix.

2 Knut Rapid had a strong seasonal debut last year and that race has probably improved the six-year-old's form a lot. Good chance regardless of the journey. **3 Kiss Me Sis** also got a run under the belt in the last race and is the main challenger to our pick. **6 Simb Rooney** has shown good form lately. Contender with the right trip from behind. **10 Nencini** is really good every now and then and if he gets it right, no one is safe.
