7 Cab Frontline has six wins and likes this discipline. He will benefit from this small field and is the obvious favorite. **6 Global Easy Rider** tested this discipline for the first time in a long time in the last race and scored a good win. Barefoot now and the main challenger. **3 Gold Ripasso** sprinted quite nicely to a second place behind Global Easy Rider two starts back. **2 Safety Tile** was a clear third behind Global Easy Rider and Gold Ripasso in the same race.

5 Kjölstad Gutten is the least experienced, but has shown the most talent. Stands this long distance and is our winner. **2 Ottar** came back well after a gallop in the last race and is a close favorite for the lead now. **7 Kringlers Loke** has beaten Ottar on two occasions and owns good strength. **10 Guli Nicke** has been beaten by Kjölstad Gutten and Ottar lately, but faces a handicap. 4 Kick Off Nordic scored a nice win in the lead in a similar V64 race last time. Better lane now and possibly first barefoot. Is our pick! **12 Zäta Tornado** is a stable companion to our winner. Has higher capacity, but has taken both victories from the front. He passes many opponents with the right journey. **8 Vamos** has looked clearly positive lately and probably competes barefoot here. Should not be overlooked. **7 Beau Fille** sprinted fast a bit behind the winner in a slightly tougher race last time and is going down in class now.

7 Soldhøjdens Drake has put in several nice performances in a row and should have a good chance to take over the lead after a while. Good chance. **4 Blomsterprinsen** belongs to the same stable and owns a high top level. Is a bit up and down though. Mats Djuse again is an advantage. **5 Hibovalle** won eight races last year but has found it tough to win since he moved up in class. **1 Komnes Omer** scored a good win in an easier race last time.

14 Julius Zet finished with energy left in the V85 last Saturday. Going down a lot in class now and our winner in this open race! **9 Maffia Mearas** is coming off two straight wins at Orkla where he won without impressing. A slightly tougher task now, but still an early choice. **12 Alfred Gratien** has not started for two months now, but is good for this race and Mats Djuse now is exciting. **10 Kelvin Key** was not too far behind Maffia Meares after a tougher journey when they met last time.

4 Ove Schermer opens fast with the circular start and likes to run in the lead, where he has three wins out of three on Swedish soil. He will be driven Mats Djuse now. Our winner. **2 Funny Guy** is perhaps the best horse but has not been trotting perfectly lately. Was positive mediocre race last time and is a very early contender here. **10 Diablo** makes his debut for Jill Ivarsson and has been matched in tough company. **7 Justin Bieber Sisu** was defeated early in the last race but is normally good enough to be in the mix here.
