V65 ATG

RACE 1 — V65-1 — Auto 1600

8 Vincent Sun wins very often and is coming off two wins in a row. He won easily and should have a good chance again despite a poor lane. **7 Vicious** has taken seven wins this year. He got locked in with energy left as fourth at the end and should be considered early. **9 Rönnerdahl** has had a good season and is better than the latest results show. Finished well as fourth place in the last race and is also a contender behind the favorite. **6 Twenty Dollar** is a bit up and down but could be a place bet.

Good chance again. **9 Who's Next B.** has put in two really strong performances and deserves a win. A bit tricky number but a contender. **11 Mary Chain** is poorly drawn but seems to be in good form. Won after a nice trip in the last race but needs some racing luck this time. **7 Jolin Southwind** won from the pocket in September and never found room in the last race. Maybe not at his best in the last race but should still be considered early on.

1 Linde Hövding is not a superstar but meets fairly modest opposition and has a nice lane. Good chance with the right trip. Our winner in an open race. **4 Spang Teira** earned the most money last year. Scored a good win at the beginning of September and is quite consistent. Early choice in this field. **6 Linnea** has not won yet this year after 17 attempts. Was defeated just before the finish as second last time and galloped in the fight for a place last time. Warning. **3 Nagel** has taken three wins and is better than the latest results show. Has pretty good speed and can surprise with the right journey.

RANK

5 Clickety Clacks has won three of nine races and gets our pick here. Galloped in the last race but had shown good form before that. Was superior in August. Possible banker. **2 Vicstile** has not won yet but taken five second places in nine starts this year. Took three consecutive second places this summer but may not have been at his best of late. Good lane. **6 Quite Nice** has two wins and two second places in seven starts. Has done well at the end but been a scratch due to fever after the last race. **7 Silver Lady A.F.** has not won yet and is in poorly drawn. Ran in the lead in the last race and was defeated shortly before the finish as second. On the way up.

5 Kya Xana won very easily from the lead two races ago and was close to victory from the pocket as second in the last race. Good form and has taken four wins this year. **9 Elmo's Fire** has mostly raced in Denmark lately and done well. Fourth in the last race at this track and should be improved by that run under his belt. Tricky number. **11 Leonardus** has been very consistent and good towards the end and earned the most money this year. Has been in the lead towards the end but has a different lane now. Should still be considered . **8 Lindsay Invalley** got locked in from the pocket two races ago but scored a good win from the outside of the leader in the last race. This lane is a question mark.

Has kept up the pace well towards the end and is an early choice in an open race. **8 Venus de Milo** won easily from the lead in August but has a more difficult lane this time. Had a punctured sulky last time and we forget that race.
