6 Margaritaz wins quite often and faces good conditions as a filly. Won strongly in Finland in April but has made a mistake from the start since then. Bike now and our pick. **4 Mellby Medusa** was second at this track two starts back and not empty when galloping in the final turn last time. Now driven by Ove A Lindqvist and should be considered early. **3 Paulie Walnuts** has started sporadically and hasn't won for a while but is not bad at all. He is a quick starter and our favorite for the lead. Contender. **1 Champ Ness** scored a surprising win at this track two starts back. Should not be forgotten again from this lane together with Susanne Osterling.

8 Tekla had a brilliant season last year and earned a lot of money. Has shown good form towards the end and came back nicely in the last race. Difficult lane but gets an offensive start and we think she will be in the lead early. **7 Mira Kiro** was second from the front behind Tekla two starts back and is looking for revenge. Driven this time by Mikael Lindqvist and that is no advantage. Contender anyway. **9 Grim** faces quite tough conditions but seems in good form. Driven this time by Marcus Lilius and is possible behind our favorite. **10 Älvsnabben** is clearly better than the latest results show but has galloped towards the end. If he avoids a mistake he should not be overlooked despite this number.

9 Conrads Jessica never had a chance in the last race from a difficult lane and we forget that race. Had been very good in two straight races in May before that and won with Sandra Eriksson two starts back. **2 Bold Silver** is well drawn and has scored three wins in nine starts this year. Good form and should be considered. **11 Real News** made his debut for Roger Nilsson at Lycksele last time and won outright. Driven again by Ove A Lindqvist and can fight for victory again despite this lane. **6 Fructose** faces nice conditions as a filly and is a little better than the latest results show. Has five wins out of five from the lead and will definitely go for that position. Warning.

4 Fabulous Boy had a very good season last year with several good performances in the V75. Has shown good form towards the end and gets the tip despite a tricky number. **2 Viking Lane** also did well last year. He wins quite often and faces perfect conditions money-wise. Challenger. **6 Cester** doesn't win very often but is not bad at all. Nice conditions and could take the lead from this lane. Has a 40 meter meter advantage towards Zorro Swing compared to the last race. **7 Filling Fuel** raced in the V85 last time and was not good enough. Is clearly better than the latest results show and can open fast from this lane.
