RACE 1

**RACING AGAIN 14th SEPTEMBER MAIDEN HURDLE (4) 4yo+
£10,000 2m5f34y (4260 Metres)**

Going: **Good (Good to Firm in places)**

Left handed, undulating. In theory, an uphill finish should dictate that plenty of races change complexion late in the day but, in practice, that isn't the case, the run-in being short on both courses and plenty of those in front having a tendency to pick up again when challenged.

Pace Information: **Weak**

1	ROCK ARMOUR (IRE) (12)	55
	5 11-4 71.7kg David Thompson Barely modest sort nowadays on Flat and offered very little on hurdling debut over 2½m here 12 days ago.	<i>Joshua Thompson (5lb/2kg)</i>
2	WAY MAKER (IRE) (25)	98
	110-32U32 5 11-4 71.7kg Mickey Bowen Dual bumper scorer who ran to a fair level on second hurdles start when runner-up in a Southwell maiden in June. Let down by his jumping since but this isn't a deep race and slightly longer trip will suit.	<i>James Bowen</i>
3	EARNEST BELIEF (IRE) (49)	94
	3-4333 4 11-1 70.3kg Donald McCain A fair maiden on Flat for John & Thady Gosden. Hit the frame all 5 starts over hurdles at up to 17f and now steps up markedly in trip on the back of a breathing operation.	<i>Theo Gillard</i>
4	DATSTHEHOLYALLOFIT (IRE) (12) (BF)	100
	44-123 5 10-11 68.5kg Patrick Neville Progressive form in bumpers, getting off the mark at Kelso in May. Made up a lot of ground late in the day when second in novice at Worcester on hurdles bow but fluffed her lines when presented with what looked a great opportunity over 2½m here 12 days ago.	<i>Brian Hughes</i>
5	OCEAN ROSE (IRE) (58)	
	666 5 10-11 68.5kg Barry John Murphy Crystal Ocean mare who didn't show a great deal in bumpers this summer but is at least bred to be suited by this step up in distance now hurdling.	<i>Callum Pritchard</i>

5 DECLARED RUNNERS

BETTING FORECAST:
13-8 Datstheholyallofit, 9-4 Way Maker, 5-2 Earnest Belief, 25-1 Ocean Rose, 80-1 bar

TIMEFORM VIEW:
None of these are particularly convincing but EARNEST BELIEF stayed well on the level so this trip may well unlock a bit more on the back of a breathing operation. Datstheholyallofit and Way Maker are the viable threats.

TIMEFORM 1-2-3:

ROXYFET SPORTS LOUNGE FOR PRIVATE HIRE MARES' HANDICAP HURDLE (5) 4yo+ fillies and mares (Rated 0-100) £6,150 2m3f188y (3990 Metres)

Going: **Good (Good to Firm in places)**

Left handed, undulating. In theory, an uphill finish should dictate that plenty of races change complexion late in the day but, in practice, that isn't the case, the run-in being short on both courses and plenty of those in front having a tendency to pick up again when challenged.

Pace Information: **Very Weak**

1	SPOT ON SOPH (IRE) (173) (CD) 24132575- 10 12-0 76.2kg  Sam England <i>Rebecca Hitchen (10lb/5kg)</i> Won at C&D around this time last year prior to finishing runner-up at Bangor the following month. No real impact in 2 starts earlier this year and this might act as a pipe-opener after 6 months off.	t		96
2	O'FAOLAINS GLORY (IRE) (25) (D) 22P1140-9 9 12-0 76.2kg  Susan Corbett <i>Nathan Moscrop</i> Better than ever when completing a handicap chase double at Musselburgh over the winter. Found Go North Final at Carlisle too competitive in March and likely needed the outing reverted to hurdles at Perth last month.			96
3	ASA (FR) (149) 89763138- 7 11-13 75.7kg  Philip Kirby <i>Miss Natasha Cookson (7lb/3kg)</i> Better than ever when winning over fences at Catterick in February but seemed to struggle to acclimatise to the return to hurdles at Hexham when last seen in April. Has had another breathing operation during absence.			95
4	STELLARMASTERPIECE (FR) (52) 66/355-111 6 11-7 73.0kg  Micky Hammond <i>Sean Bowen</i> Completed a hat-trick of hurdles wins at Stratford in July before bringing up a cross-code 4-timer on the Flat at Catterick (1½m, good) 23 days ago. The one to beat back over obstacles with yard remaining in good form.	s		100
5	LONE STAR (25) (D) 6230-5437 9 11-5 72.1kg  Philip Kirby <i>Joe Williamson</i> Not the easiest to score with, though she might've needed the outing when seventh of 10 in handicap hurdle at Market Rasen (19f, good to firm, 20/1) 25 days ago and is now back at her last winning mark.	t		99
6	CURIOUS MRS FOX (45) 43-6642 5 10-12 68.9kg  David Thompson <i>Joshua Thompson (5lb/2kg)</i> Poor maiden on the Flat but she's learning with experience over hurdles and wasn't beaten far when second of 11 in handicap hurdle at Uttoxeter (2m, good to soft) 45 days ago. Back up in trip.			98
7	YANKA BLUE (IRE) (12) (BF) 29-665227 5 10-6 66.2kg  Barry John Murphy <i>Paul O'Brien</i> Runner-up twice in July, most recently in an 8-runner handicap hurdle at Newton Abbot (2¼m, good), but yard hasn't been in the same form in recent weeks and she was only seventh of 10 in handicap hurdle at this course (17f, firm) 12 days ago.			97
8	DUSKY SPYGLASS (182) 5/4P- 8 10-5 65.8kg  Mike Murphy <i>Freddie Keighley (5lb/2kg)</i> Lightly-raced maiden who was sent off at 200/1 and pulled up on her handicap debut at Huntingdon (21f, good to soft) in March. Can only be watched after a further 6 months off.	h		87
9	BROOKLYN LULLABY (21) 76U07-525 6 10-2(9-13) 64.4kg (63.0kg)  Michael & David Easterby <i>Harry Bannister</i> Didn't offer much in bumpers/maiden hurdles but has shown more in handicaps this season, beaten only by a thriving rival in 10-runner contest at Stratford (19f) in June. Failed to see her race out upped to a similar trip when fifth of 8 at Worcester (2½m, good) 21 days ago. 3 lb out of the weights.			94

BETTING FORECAST:

TIMEFORM VIEW:

STELLARMASTERPIECE has been thriving this summer and can complete a cross-code 5-timer, with the steadily progressive Curious Mrs Fox rating as the main danger.

CHRISTMAS PARTIES AT SEDGEFIELD RACECOURSE
HANDICAP CHASE (Qualifier) (4) 5yo+ (Rated 0-110)
£8,900 3¼m59y (5280 Metres)

Going: **Good (Good to Firm in places)**

Left handed, undulating. In theory, an uphill finish should dictate that plenty of races change complexion late in the day but, in practice, that isn't the case, the run-in being short on both courses and plenty of those in front having a tendency to pick up again when challenged.

Pace Information: **Very Weak**

1	GLENMALURE FLYER (IRE) (20) 96808/131 8 11-9 73.9kg	t		100
	Dan Skelton		<i>Harry Skelton</i>	
Ex-Irish recruit (with plenty of point experience) who looked a different proposition when scoring in impressive fashion at Bangor (3m) on chasing/yard debut and resumed her progress when beating 2 subsequent winners in a 6-runner handicap chase (3/1) at Stratford (3½m, good to soft) 20 days ago.				
2	THANK YOU BLUE (12) (C) 1P5P-4322 9 11-6 72.6kg	t		98
	Jennie Candlish		<i>I. J. Power</i>	
Completed a quick-fire hat-trick over hurdles at Ludlow in February. Not as good over fences (not the most fluent jumper) but rating reflects that and he arrives after a pair of good second-placed finishes, most recently in an 8-runner handicap here 12 days ago. Stamina is an unknown upped in trip.				
3	LIMERICK LEADER (FR) (7lb/3kg ex) (5) 222-23341 9 11-4 71.7kg	b+t		96
	Nick Scholfield		<i>James Bowen</i>	
Bounced back under an attacking ride to capitalise on a much-reduced mark in a 7-runner handicap chase at Bangor (3m, good, 17/2) 5 days ago. 7 lb penalty will demand more but he might be able to dominate this small field from the front again.				
4	SIR CARNEGIE (IRE) (7lb/3kg ex) (2) 42-311651 6 11-9 73.9kg	b		97
	Mickey Bowen		<i>Sean Bowen</i>	
Made it 4 wins for current yard at Hexham (3m) in June but has produced lacklustre efforts both starts since, so has a little bit to prove at present.				

4 DECLARED RUNNERS

BETTING FORECAST:

6-4 Glenmalure Flyer, 11-4 Thank You Blue, 11-4 Limerick Leader, 10-1 Sir Carnegie

TIMEFORM VIEW:

GLENMALURE FLYER has made a fine start for the Skelton yard and an 8 lb rise might not get to the bottom of her given her current rate of improvement over fences. Limerick Leader dominated from the front at Bangor last week and might pose the main threat if getting another easy lead this time.

TIMEFORM 1-2-3:

1. GLENMALURE FLYER 2. LIMERICK LEADER 3. THANK YOU BLUE

WINNING CONNECTIONS CONFERENCE HIRE HANDICAP
CHASE (Qualifier) (5) 5yo+ (Rated 0-100) £6,150 2m77y
(3290 Metres)

Going: **Good (Good to Firm in places)**

Left handed, undulating. In theory, an uphill finish should dictate that plenty of races change complexion late in the day but, in practice, that isn't the case, the run-in being short on both courses and plenty of those in front having a tendency to pick up again when challenged.

Pace Information: **Very Weak**

1	WESTERTON (IRE) (51) 559/82P5 6 12-0 76.2kg	s	90
	Jennie Candlish Useful middle-distance handicapper at best on Flat. Well below that level over hurdles but probably unlucky not to score on second start current yard at Warwick (2m) in May. No threat since, including back on the Flat, but he's an interesting chasing debutant in a weak race with yard still in form.	<i>I. J. Power</i>	
2	HOOPER (18) (D) 49P/5244 10 11-13 75.7kg	s+t	89
	Nigel & Willy Twiston-Davies Lost his way for the Nicky Henderson yard and no upturn for new stable following a lengthy absence.	<i>Miss Amber Jackson-Fennell (7lb/3kg)</i>	
3	SOCKS OFF (IRE) (477) (C, D) 623P333/6- 9 11-12 75.3kg		91
	Kevin & Lauren Frost Winless since 2023 (placed over fences in November 2024), though made the frame in a couple of handicap hurdles last spring. Shaped as if needing the run having a very rare Flat outing on yard debut (formerly trained by Michael & David Easterby) in January but has been absent for another 7 months.	<i>Lee Edwards</i>	
4	DEXTER (FR) (21) 2P27-4643 9 11-10 74.4kg	s+t	 100
	Oliver Greenall & Josh Guerriero Successful in 17f Cartmel handicap chase last August and having dipped back below that winning mark, he ran better than for a while when 2 lengths third of 10 to Getaway Jewel in handicap chase at Worcester (2m, good) 21 days ago. Better off at the weights this time and enters calculations.	<i>Toby Wynne</i>	
5	AMERICAN EMPIRE (IRE) (12) (D) 3243-3375 6 11-9 73.9kg	s+t	88
	Donald McCain Fair bumper winner who ran to a similar level over hurdles when third in a Hereford maiden in April. Made more of an impact in handicap when fifth of 9 here (2½m, firm) 12 days ago. Seemed stretched by the trip there, so shorter distance should suit now sent chasing.	<i>Theo Gillard</i>	
6	GETAWAY JEWEL (IRE) (9) (C, D) 64-232214 12 10-12 68.9kg		94
	Micky Hammond Back in good heart, building on a couple of runner-up efforts when notching a rare win in 2m handicap chase at Worcester 3 weeks ago, holding on gamely. Shaped as if still in top form until Cartmel's marathon run-in caught him out there 9 days ago and he's respected after another quick turnaround.	<i>Brian Hughes</i>	
7	APPLEJACK POET (IRE) (12) 4F7-364P8 9 10-11 68.5kg	s	79
	Barry John Murphy Now 16 runs since his sole win (over hurdles) in 2023 and just the one decent effort this summer. Cheekpieces back on.	<i>Callum Pritchard</i>	
8	TROPICAL TALENT (460) (C) 378732/52- 7 10-9 67.6kg	s+t	90
	Oliver Greenall & Josh Guerriero Has won just once from 26 starts but was in decent form in the spring, runner-up in a Bangor handicap hurdle when last seen over obstacles in July. Had breathing operation/run on the Flat since, and he's respected with yard going in better form.	<i>Jack Tudor</i>	
9	PEACE MOTIVATOR (58) (D) UUFP-UP8P 6 10-3 64.9kg	t	60
	Barry John Murphy Temperamental sort. Regressed since winning a bumper on debut for Olly Murphy in autumn 2024. Makes chase debut after a breathing operation (also sporting a first-time tongue strap).	<i>Charlie Maggs (3lb/1kg)</i>	

9 DECLARED RUNNERS

BETTING FORECAST:

9-4 Dexter, 9-2 Getaway Jewel, 7-1 Socks Off, 15-2 Westerton, 17-2 Tropical Talent, 11-1 Hooper, 12-1 American Empire, 50-1 bar

TIMEFORM VIEW:

DEXTER remains on a competitive mark and is weighted to this time get the better of Getaway Jewel, who bested him at Worcester 3 weeks ago and has since run well enough at Cartmel. Tropical Talent is also shortlisted in a race that lacks depth.

SEDGEFIELD RACECOURSE FOR OUTDOOR EVENTS
HANDICAP HURDLE (3) 4yo+ (Rated 0-130) £10,700

Going: **Good (Good to Firm in places)**

Left handed, undulating. In theory, an uphill finish should dictate that plenty of races change complexion late in the day but, in practice, that isn't the case, the run-in being short on both courses and plenty of those in front having a tendency to pick up again when challenged.

Pace Information: **Weak**

1	LORIKO (FR) (25) 3262-1121 5 12-0 76.2kg	95
	Dan Skelton Harry Skelton Beat his sole rival at Huntingdon in May, before also landing the odds in a Uttoxeter novice (2m) a month later. Almost landed the hat-trick at Market Rasen next time before being seen to good effect to scrape home in a 3-runner race there 25 days ago. Mark now looks a shade stiff back handicapping.	
2	SKYJACK HIJACK (IRE) (61) 1115/P6-P5 8 11-10 74.4kg	93
	Jennie Candlish Sean Quinlan Front runner who completed a remarkable 6-timer in 2024. Hasn't looked the same horse since returning from a 15-month absence, first-time tongue strap/cheekpieces failing to spark a revival at Worcester last time.	
3	LADIES DAY (IRE) (53) 2220-2114 5 11-2 70.8kg	95
	Tom Ellis Jack Andrews Enthusiastic type who finished runner-up in listed bumper last winter. Off the mark with smooth success in Bangor maiden prior to following up at Uttoxeter, and she ran at least as well when fourth of 11 at Cartmel (17f, good, 9/2) on handicap debut 53 days ago.	
4	GLORY AND HONOUR (IRE) (12) (D) 532-71472 10 11-0 69.9kg	100
	Sam England Rebecca Hitchen (10lb/5kg) Veteran who returned to winning ways in reapplied blinkers in 6-runner handicap hurdle at Hexham (2m) in June. Partnered by this 10-lb claimer when beaten only a short-head in a 6-runner handicap hurdle at this course (17f, firm) 12 days ago and he makes appeal with yard in still in top form.	
5	BALLYGEARY (IRE) (53) (D) 66736-535 9 10-8 67.1kg	99
	Mike Sowersby Charlie Maggs (3lb/1kg) In decent enough form at present but he's long been ungenune and again seemed to lack the resolution in the finish when backing out into fifth in a 5-runner handicap hurdle at this course (17f, firm) 12 days ago.	

5 DECLARED RUNNERS

BETTING FORECAST:

11-10 Loriko, 10-3 Glory And Honour, 4-1 Ladies Day, 10-1 Ballygeary, 25-1 Skyjack Hijack

TIMEFORM VIEW:

GLORY AND HONOUR has recaptured his form this season and with 10-lb claimer Rebecca Hitchen retaining the ride, is fancied to notch a second win of the campaign. Loriko has had a productive summer but his mark now looks on the harsh side for winning a couple of thin, small-field events. However, he can still prove the biggest threat ahead of Ladies Day.

FAIRLIGHT STUDIOS CAFE @ SEDGEFIELD RACECOURSE
HANDICAP HURDLE (5) 4yo+ (Rated 0-100) £6,150
3m3f9y (5440 Metres)

Going: **Good (Good to Firm in places)**

Left handed, undulating. In theory, an uphill finish should dictate that plenty of races change complexion late in the day but, in practice, that isn't the case, the run-in being short on both courses and plenty of those in front having a tendency to pick up again when challenged.

Pace Information: **Uncontested**

1	DR SEB (FR) (47)	97
	11/68-5P 9 12-0 76.2kg Mike Sowersby Completed a Uttoxeter double in the summer of 2024 for Olly Murphy. Very lightly raced since and, although he went backwards from a mildly encouraging stable debut when pulled up at aforementioned track last time, it's interesting Brian Hughes now takes the ride down further in grade.	Brian Hughes
2	EAST EAGLE (IRE) (52)	93
	4321-56P1 6 11-8 73.5kg Mike Sowersby Bounced back to something like his best as he convincingly resumed winning ways in a weak race at Stratford (3¼m, good to firm) 52 days ago, driven out. Will likely find life tougher from a 6 lb higher mark.	Charlie Maggs (3lb/1kg)
3	LIPSTICK TRACES (IRE) (12)	99
	553-35F57 6 11-3 71.2kg Justin Landy Placed all 3 starts in bumpers and in a couple of maiden hurdles in the spring but isn't progressing and underperformed making a somewhat belated handicap debut here (2½m) 12 days ago. Upped markedly in trip.	Callum Bewley
4	MORO ROCK (IRE) (82)	100
	2218573-5 9 10-9 67.6kg Sara Ender Finally off the mark at Stratford (3¼m) last summer. Mixed bag thereafter, though wasn't disgraced returning from a 10-month absence at Market Rasen in June and needs considering from a 1 lb lower mark.	Harry Bannister
5	LUMINARIES (IRE) (45)	92
	33P99-077 9 10-5 65.8kg Ewan Whillans Had a cracking spell over hurdles in spring of last year, winning 4 times. More poor efforts than good ones since, though, failing to build on the minor promise of his last run when only seventh of 10 at Uttoxeter latest. Upped in trip with first-time blinkers applied.	Sean Quinlan
6	TIME WAS (IRE) (51)	94
	2434-P858 9 10-2 64.4kg Philip Kirby Long-standing maiden under Rules who hasn't got going at all this season, struggling from home turn at Cartmel on most recent outing. Fitted with a first-time tongue strap up in trip.	Miss Natasha Cookson (7lb/3kg)

6 DECLARED RUNNERS

BETTING FORECAST:

15-8 East Eagle, 11-4 Moro Rock, 6-1 Dr Seb, 17-2 Lipstick Traces, 10-1 Luminaries, 12-1 Time Was

TIMEFORM VIEW:

MORO ROCK wasn't disgraced returning from a 10-month absence in a race that's worked out well at Market Rasen in June and, having slipped below his sole winning mark, he could be the answer. Dr Seb is worth another chance to build on a mildly encouraging stable debut now dropped further in grade and is narrowly preferred for forecast purposes to stablemate East Eagle, who is back up in the weights after running out a wide-margin winner of a thin race at Stratford.

1	PERGAMON (FR) (69) 114561-11 5 11-8 73.5kg  William Shanahan (5lb/2kg) Completed a hat-trick over hurdles in determined fashion at Perth (2m) in July. Not seen to best effect when last of 3 back on the level at Doncaster since and remains of interest back in this sphere.	s+t	 100
2	KING ULANDA (IRE) (56) (D) 42PF6-141 6 11-8 73.5kg  Jack Tudor Confirmed he's as good as ever when making it 2 wins from 3 starts this season on return to hurdling at Uttoxeter (2m) in July, drawing clear at the last but closed down quickly near finish. Nudged up 3 lb but should remain competitive.	s+t	98
3	MAX OF STARS (FR) (18) (D) 12413U-44 6 11-5 72.1kg  Brian Hughes Enthusiastic front runner who was successful 3 times over hurdles in 2025. Fit from the Flat but hasn't achieved the same heights in 2 hurdle starts this summer, including in refitted headgear latest.		95
4	SAINT POLO (FR) (2) (CD, BF) 923-71113 6 11-2 70.8kg  Luke Scott (3lb/1kg) Failed to meet expectations on both starts over fences, including at Newton Abbot on Monday, but has won all 3 of his starts over hurdles in between, all out when overcoming a 7 lb higher mark over C&D in late-August.	s+t	98

4 DECLARED RUNNERS

BETTING FORECAST:

2-1 Saint Polo, 9-4 Pergamon, 3-1 King Ulanda, 11-2 Max of Stars
