RACE 1

UNIBET 3 UNIBOOSTS A DAY FILLIES' NOVICE STAKES (4) 2yo fillies £10,000 6f (1210 Metres)

Going: **Standard to Slow**

Kempton is a right-handed, polytrack, flat, oval-shaped course with two loops. The inner circuit, used for races over five and ten furlongs is sharp and has a finishing straight of just under two furlongs, favouring the speedy, handy type, markedly so over the minimum trip. The turn on the outer course is more sweeping and the straight is approximately three furlongs long, making for a fairer test. Over both five and six furlongs, there is a relatively short run to the first bend.

Draw: **N/A** Pace Information: **Weak**

1	6	BIDSTA (IRE) (23) (D)	21	2	9-9	61.2kg		100
		George Boughey					Billy Loughnane	
		Confirmed debut promise when landing the odds in 8-runner novice at Yarmouth 23 days ago, value for extra as she didn't seem to be doing much in front. The one to beat with potential for better still to come.						
2	3	BLING (IRE) (15)	57	2	9-2	58.1kg		91
		Hugo Palmer					David Probert	
		Ran to a fair level when mid-field in a Newbury maiden on debut (Bidsta ahead in second), but wasn't able to build on that when seventh of 8 at Pontefract 15 days ago. Has something to find switched to all-weather.						
3	7	HALLIWELL STREAM (IRE) (23)	445	2	9-2	58.1kg		95
		Jane Chapple-Hyam					Edward Greatrex	
		Promise when making the frame first 2 starts, before possibly needing the run after 4 months off when fifth of 9 in novice at Beverley (5f) 23 days ago. Could be in the mix as she goes up in trip.						
4	8	LILYWHITE HART (24)	95563	2	9-2	58.1kg		90
		Dean Ivory					Kieran O'Neill	
		Offered something to work on in 6f maidens but hasn't managed to find any progress in 7f nurseries the last twice, third in 8-runner contest at Yarmouth last month. More needed as she makes all-weather debut.						
5	2	LUCILLE CEE (IRE)		2	9-2	58.1kg		
		Tom Clover					Neil Callan	
		Foaled April 12. 19,000 gns yearling, Blackbeard filly. Dam unraced half-sister to Coventry Stakes winner Arizona and smart US 1m/9f winner Nay Lady Nay. Yard amongst the winners and capable of readying one on debut.						
6	4	SARASOTA BLUE BLUE (IRE) (43) (BF)	7	2	9-2	58.1kg		53
		Sir Mark Prescott Bt					Jack Gilligan	
		Sent off favourite first time up but was in need of the experience when seventh of 11 in novice at Carlisle 6 weeks ago, slowly away and never on terms. Clearly thought capable of better.						
7	5	THREELITTLEANGELS (IRE) (16)	3	2	9-2	58.1kg		87
		Roger Teal					Joe Leavy	
		Attracted support and showed plenty to work on when third of 11 in novice over this C&D on debut 16 days ago, finishing well. Open to improvement with that first experience behind her.						
8	1	WINTOUR (IRE) (24)	96	2	9-2	58.1kg		83
		Clive Cox					Harry Davies	
		Hasn't made much impact in her 2 starts so far, returning from 4 months off when sixth of 9 in novice at Yarmouth (7f) 24 days ago. Drops in trip but will be of more appeal in handicaps.						

8 DECLARED RUNNERS

BETTING FORECAST:

11-10 Bidsta, 6-1 Threelittleangels, 8-1 Sarasota Blue Blue, 11-1 Halliwell Stream, 11-1 Bling, 14-1 Lucille Cee, 18-1 Lilywhite Hart, 22-1 Wintour

TIMEFORM VIEW:

An expensive breeze-up purchase, BIDSTA went one better than on debut when doing enough to score at Yarmouth last month and she can continue her promising start to defy a penalty. Threelittleangels shaped encouragingly on her first outing and is feared most, ahead of Halliwell Stream.

1	9	WAIT GEORDIE (28)	93
	1387859	2 9-9 61.2kg	Luke Cotton (3lb/1kg)
Free-going type who made a winning debut in 5f novice at Bath before third in the Lily Agnes at Chester. However, he's now finished down the field all 3 starts in nurseries, failing to convince upped to 6f at Doncaster last time. Now switches to all-weather.			
2	7	HARRY'S POP (18) (D)	94
	74044115	2 9-9 61.2kg	Sean Levey
Well backed and took advantage of a drop in grade when opening account in nursery at Catterick in August and followed up at Brighton 6 days later. Saw his progress come to a halt when well held at Ffos Las 18 days ago, though was possibly unsuited by soft ground.			
3	8	SYDNEY GRACE (IRE) (21)	93
	6124	2 9-9 61.2kg	Kaiya Fraser
Looked potentially useful when getting off the mark in a Carlisle novice (5f) in June and improved further when narrowly denied in nursery at Wolverhampton (6f) in August. Found things tougher when fourth of 8 in listed race at Ayr 3 weeks ago, but this should be more suitable.			
4	4	LAYLATY (43) (D, BF)	97
	4312	2 9-8 60.8kg	David Probert
Promise in a couple of novices before making a winning nursery debut on the turf at Lingfield in August. Progressed again in defeat when runner-up at Ffos Las 6 weeks ago and she can make her presence felt.			
5	2	SOEUR DE FLASH (18)	100
	332	2 9-6 59.9kg	Billy Loughnane
Showed ability when finishing third on first 2 outings and, making a quick switch to nurseries, took a step forward when second in 14-runner contest at Leicester 18 days ago. Major player on all-weather debut with yard going well.			
6	10	FRUMOASA (IRE) (29)	93
	1300	2 9-5 59.4kg	Harry Davies
Made a winning start in 5f Southwell maiden in April and similar form when third in novice at Kempton (6f) the following month. However, has finished well held the last twice, faring no better fitted with visor for nursery debut at Lingfield on latest outing.			
7	3	MINSTER BOY (IRE) (56)	94
	4205	2 9-4 59.0kg	Charles Bishop
Improved from debut when runner-up in 18-runner novice at Newbury (6f) in July, before unsuited by 5f when well held in Super Sprint at the same course. Beaten only a length when last of 5 on nursery bow at Epsom (7f) last time, despite not really handling the track, so he's worth another chance.			
8	11	BAHIA BONITA (20) (D)	98
	431	2 9-3 58.5kg	Callum Shepherd
Has been going the right way in each of her 3 starts, keeping on to win 10-runner maiden at Newcastle 20 days ago. Has wide draw to overcome as she heads into nursery company, but she's not dismissed lightly.			
9	1	MAXIMUS MERIDIUS (IRE) (18)	93
	23434	2 9-2 58.1kg	Rowan Scott
Produced his best effort on nursery bow when rallying for third in 6-runner contest at Chepstow (5f) in August. However, he failed to repeat that effort when well-beaten fourth of 5 at Ffos Las (6f) 18 days ago. Has something to find making first all-weather start.			
10	6	YAHAIIRA (IRE) (99) (D)	90
	06417	2 9-1 57.6kg	William Cox
Fitted with cheekpieces, maintained her run-to-run progress when winning a Newbury novice in June. Finished well held in nursery at Nottingham next time, though, and has been off 3 months since ahead of all-weather debut.			

11	5	INVINCIBLE ISAAC (53) (CD, BF)	95
	0495613	2 9-0 57.2kg	Kieran O'Neill
Back on the up when making his second nursery start a winning one over this C&D in August. Respectable effort up in grade when third of 8 at Wolverhampton next time and he can give his running again back here.			
12	12	AGENT ROSE (IRE) (25)	84
	709	2 8-9 54.9kg	Ray Dawson
Led for long way when seventh of 9 in novice at this course (7f) on debut but little impact in 2 subsequent outings, well held in 5f maiden at Wolverhampton 25 days ago. Drawn widest for nursery bow, though this step back up in trip promises to suit.			

12 DECLARED RUNNERS

BETTING FORECAST:

4-1 Laylaty, 9-2 Bahia Bonita, 11-2 Soeur De Flash, 7-1 Sydney Grace, 11-1 Harry's Pop, 14-1 Invincible Isaac, 16-1 Minster Boy, 16-1 Agent Rose, 22-1 Wait Geordie, 22-1 Maximus Meridius, 28-1 Yahaira, 40-1 bar

TIMEFORM VIEW:

SOEUR DE FLASH showed improved form on nursery debut when runner-up at Leicester last time, worn down only close home, and she can build on that effort to go one better. Heading the list of dangers is the progressive Laylaty, while Minster Boy remains with potential making his second nursery start.

1	2	CAPTIVE BEAUTY (IRE) (24) 8-602830 3 9-9 61.2kg Ross Burdon Just failed to make a winning handicap debut at Wolverhampton (7f) and backed that up at the second attempt when third of 11 at Yarmouth in late-August. Not in the same form back at former course last month and her patchy profile tempers enthusiasm from a win perspective.	94	Kaiya Fraser
2	6	POSITIVE THOUGHTS (IRE) (20) 69536864 3 9-9 61.2kg John & Sean Quinn Remains a maiden and again didn't look the easiest ride minus her usual headgear when fourth of 10 at Newcastle (1m) just under 3 weeks ago. Loughnane booked but she's one to treat with caution.	96	Billy Loughnane
3	13	TWILIGHT BABY (38) 9-833 3 9-9 61.2kg Gay Kelleway Just modest form in her 4 runs so far, most recently when third of 4 in maiden at Brighton (7f, good) just over 5 weeks ago. Needs this handicap debut to spark some improvement.	82	Rob Hornby
4	9	MISS MAMBO (IRE) (32) (BF) 0-7367624 3 9-8 60.8kg Gay Kelleway Ran well when second of 10 at Southwell (1m) in early-August but performed a shade below that level when fourth of 12 at Wolverhampton (8.6f) the following month. First-time visor replaces the blinkers and that could elicit further improvement.	94	Benoit de la Sayette
5	14	ERNIE MCCREW (IRE) (11) (D) 45526317 3 9-8 60.8kg J. S. Moore Gained reward for some good placed efforts in recent months when getting off the mark in 1m Lingfield handicap in first-time cheekpieces last month. Things didn't really go his way at Wolverhampton last time so worth treating as still in form.	90	Edward Greatrex
6	10	LIHOU LADY (133) 6-674 3 9-8 60.8kg David Evans Little promise in 3 all-weather starts and did plenty wrong on handicap/turf debut at Chepstow (1m, good to firm) back in May, more to her waywardness than just the undulating track.	82	Joe Leavy
7	11	GRAND VISTA (IRE) (12) 50383687 3 9-7 60.3kg William Muir & Chris Grassick Maiden who underperformed and looked awkward to boot without his usual headgear when seventh of 9 at Ffos Las (1m, heavy) 12 days ago.	92	Ray Dawson
8	12	GREY SANDS (IRE) (18) (D) 7-2137559 3 9-6 59.9kg Kim Bailey & Mat Nicholls Scored at Southwell (1m) for Joseph O'Brien back in January. Below that form for his current yard though (including over hurdles) so not easy to warm to despite a sliding mark.	99	Dougie Costello
9	8	HENFIELD (10) (D) 0-9821425 3 9-5 59.4kg Karen Jewell Won 1m classified race at Lingfield in July. Upped her game again when second of 9 in handicap there last month but run of good form halted at Wolverhampton (9.5f) 10 days ago. Bounce back needed.	97	David Probert
10	5	ALICE'S INFLUENCE (42) (D) 12343454 3 9-4 59.0kg David Evans Gained a first win at Wetherby in April and largely in good nick since, not disgraced with the visor back on dropped into classified company when fourth of 8 at Ffos Las (1m, good to soft) 6 weeks ago. Headgear left off for her return to a handicap.	92	Alexandra McDonnell (7lb/3kg)

11	7	CALL ALERT (15) 05407 3 9-3 58.5kg William Muir & Chris Grassick Well beaten in a couple of all-weather handicaps last month. Needs first-time cheekpieces to have a transformative effect.	s	93	Kieran O'Neill
12	4	ARVANA BELLE (IRE) (12) (BF) 73542522 3 9-3 58.5kg Rod Millman Has just the one win to her name but has finished runner-up 3 times from her last 4 starts, shaping better than the distance beaten suggested at Ffos Las (1m, heavy) 12 days ago, sure to have been a fair bit closer granted a fair shake of the dice. In the mix on all-weather debut.		100	Darragh Keenan
13	1	GIRLS ALLOWED (IRE) (27) 966-46290 3 9-2 58.1kg Julia & Shelley Birkett Ran her best race to go close in a 7f classified event at Yarmouth in August. Tailed off on both subsequent outings so best watched for now. Returns to all-weather for the first time since her debut.		89	Dylan Hogan
14	3	WILD ROSIE (11) 7-7607846 3 9-2 58.1kg Chris Dwyer Ran one of this season's better races when fourth of 10 at Lingfield (1¼m) last month. Not in the same form back down in trip at Wolverhampton (8.6f) since and others look stronger for win purposes.	h	94	Harry Davies

TIMEFORM VIEW:
ARVANA BELLE posted another solid effort when finishing runner-up (for the third time in her last 4 starts) at Ffos Las recently so Rod Millman's filly gets the tentative nod to gain reward for her consistency and make a winning all-weather debut. Miss Mambo has been knocking at the door and fitted with more severe headgear, she's put forward as the main threat. Captive Beauty and Ernie McCrew can fight out third.

Lily Pink got back on track last time, but she may have to settle for a third silver medal from 4 outings, while Watch Party is also respected with this step up to 1m expected to suit. BETTING FORECAST:
5-2 Kinetic Impact, 11-4 Assiri Heights, 13-2 Sin City, 10-1 El Presidente, 11-1 Beaujon, 14-1 Thornthwaite, 28-1 Nascondino, 28-1 Heart Throb, 33-1 Opal Rose, 80-1 bar

TIMEFORM VIEW:
ASSIRI HEIGHTS took another step forward when fourth on his recent handicap bow at Southwell and can gain a first win at the fifth attempt now back in novice company for his in-form yard. Both Kinetic Impact (second choice) and Sin City have layoffs to overcome but still need considering. Thornthwaite could emerge as the pick of the newcomers and also needs factoring in.

TRY UNIBET'S SUPERBOOSTS HANDICAP (Qualifier) (5) (D.I)
4yo+ (Rated 0-75) £8,000 1m (1610 Metres)

Going: **Standard to Slow**

Kempton is a right-handed, polytrack, flat, oval-shaped course with two loops. The inner circuit, used for races over five and ten furlongs is sharp and has a finishing straight of just under two furlongs, favouring the speedy, handy type, markedly so over the minimum trip. The turn on the outer course is more sweeping and the straight is approximately three furlongs long, making for a fairer test. Over both five and six furlongs, there is a relatively short run to the first bend.

TIMEFORM VIEW:
This looks wide open but it could be worth siding with dual C&D scorer HAVANA TOUCH who wasn't at his best in the mud at Ayr last time and can bounce back in style here with Billy Loughnane now up. A La Noche remains handily weighted and could emerge as the main danger, although Valentine Boy is another to consider returned to his optimum trip.

	88-062178	5	8-9	54.9kg
	Martin Dunne		Tyler Heard	
	Ended a losing sequence at Newmarket (1m) in June. Well below par both runs since though, too free when eighth of 12 there (1m) 15 days ago.			

BETTING FORECAST:

TIMEFORM VIEW:

Lots with chances but GUNFIGHTER looks the way to go given he did well to get up over C&D last time and now has the services of Billy Loughnane for the first time. It'sneverjustone is next on the list after taking a step back in the right direction with his recent Ayr fifth, while Asteverdi and The Hare Rail also need factoring into this open-looking handicap.

TIMEFORM VIEW:

Got off the mark in 6f novice at Salisbury in August. Caught the eye on his all-weather debut when fourth of 9 in 7f handicap at Southwell 15 days ago, finishing well having been hampered over 1f out. Makes polytrack debut. Big shout at these weights.				
8	7	ANGELS' SHARE (27) (D, BF)		94
	89853314	3 9-10 61.7kg	Taylor Fisher

10	11	LOQUELLA (IRE) (25)		93

Made a winning debut at Newcastle (6f) last November. However, she hasn't built on it this year, seventh of 10 in handicap here (1m) 25 days ago. Others more persuasive.				

11	3	YACHTSMAN (31)	s+t	93

Successful twice at Wolverhampton last spring for Simon & Ed Crisford. However, he ended his time with that yard on a low-key note and it's been a similar story in 5 starts for new connections this summer. Hooded for first time.				
14	1	MANHATTAN CHUTE (IRE) (53) (BF)		93
	99709129	4 8-10 55.3kg	Gina Mangan	
Unreliable sort but he gained a second success of 2026 at Leicester in July. Went with little fluency though when ninth of 12 in handicap at Windsor (6f, good to firm) last time.

TIMEFORM VIEW:

BOLD SHOUT caught the eye when an unlucky-in-running fourth at Southwell on his first all-weather run and is taken to build on it and make a winning start on polytrack.
