RACE 1

WILLIAM HILL GOLD WEEKEND AUTUMN MILE HANDICAP (3)
4yo+ (Rated 0-95) £30,000 7f192y (1580 Metres)

Going: **Good (Good to Soft in places)**

Left handed, flat. In essence, York is a very fair track, ideal for the long-striding galloper. In recent seasons, the field tends to come more down the centre of the track than has historically been the case, particularly if conditions are testing. The track was made into a circuit in 2005 and offers a straight five furlong/six furlong track, on which a high draw has been a distinct disadvantage in recent years, while seven furlong races start on a chute.

Draw: **Against High** Pace Information: **Strong**

1	17	POWER FIZZ (IRE) (33) (C)	93
	1214-1001	4 9-11 62.1kg	Tom Marquand
Progressed in the early stages of last year and defied a 10-month absence in good style at Newcastle in March. Excuses next 2 starts during the summer and right back on the up when successful over 7f here a month ago. Way he stuck to his task suggests 1m will be within range so needs considering.			
2	14	NORTHERN EXPRESS (IRE) (20) (C, D)	96
	63551359	8 9-9 61.2kg	Paul Mulrennan
Likeable sort who enhanced his fine York record with a 7f win in July. Nothing wrong with next 2 starts before coming unstuck in the mud at Ayr 3 weeks ago (1m). Return to this venue can only help.			
3	2	OZAT (FR) (35) (D)	93
	8-0080037	5 9-9 61.2kg	Silvestre De Sousa
Useful multiple winner in his native France. Has dropped in the weights and shaped well a couple of times for current connections, notably at Ascot on penultimate start but was disappointing at that venue last month (tongue tied for first time in Britain).			
4	9	BEAGLE BAY (FR) (118) (D)	100
	2-1411	4 9-8 60.8kg	Hector Crouch
Made it 3 wins from 4 starts this year when seeing off subsequent John Smith's Cup winner Raammee at Sandown (1m, good) in June. Didn't look all out to do so and there's almost certainly more to come from this low-mileage 4-y-o. Will take some stopping up 5 lb.			
5	18	INSPIRED (IRE) (27) (CD, BF)	95
	45212110	4 9-6 59.9kg	Clifford Lee
4-y-o who is thriving on his racing, finding another chunk of improvement as he made it 3 wins since July in 19-runner C&D handicap last month, asserting close home. Escaped a penalty for that but 6-day turnaround may have caught him out at Doncaster.			
6	4	NIKOVO (34) (D)	95
	08543315	7 9-6 59.9kg	Jason Hart
Model of consistency since the turn of the year and improved when winning at Newmarket in July, exploiting his lower turf mark. Form of that success has been franked by the second since and wasn't far off that level when fifth on all-weather last month. Assessor may have him.			
7	7	MIRSKY (27) (D)	95
	00799920	7 9-6 59.9kg	Mark Winn
Proved at least as good as ever when landing the Thirsk Hunt Cup over 1m in May and produced his best effort since when 1½ lengths second of 9 to Spoken Truth at Ripon. Recent Leopardstown run wasn't one of his better efforts but he's clearly capable from this mark.			
8	12	HENLEIN (AUS) (7)	98
	90-700802	5 9-4 59.0kg	Kevin Stott
Smart runner-up in 1¼m Group 1 at Randwick in October 2024. No real impact in handicaps for present yard since returning from an absence (too high in the weights initially) but eased in class, he found only one too good in minor company at Ascot a week ago. Mark now looks more realistic.			
9	1	SPOKEN TRUTH (IRE) (20) (D, BF)	95
	23264313	5 9-4 59.0kg	Daniel Tudhope
Shaped well on several occasions for new connections before deservedly coming good at Ripon (1m, soft) in a first-time tongue tie in August. Did all he could from 5 lb higher when third on heavy ground at Ayr so clearly arriving in good order.			

10	15	MR SWIVELL (20) (D)	97
	0-7042878	5 9-3 58.5kg	Jack Mitchell
Won 3 times around 1m in 2025. Looked as good as ever when runner-up over C&D in July and shaped as if still in good form after a slow break forced him into a change of tactics upped to 1¼m back here the following month. Too free to get home at Newbury and now back in distance.			
11	8	KHAFIZ (IRE) (33)	94
	3-5004407	4 9-1 57.6kg	Jason Watson
Dual 7f novice winner for Roger Varian but went the wrong way for Ed Bethell before making frame on first 2 starts for this yard. Could never land a blow when down the field at Ripon over 6f but way he shaped over 7f here last time suggests this test may prove beyond him.			
12	11	NIZAM (FR) (13) (D)	96
	56-070000	4 9-0 57.2kg	Cam Hardie
Useful 3-time winner in France but has just the one creditable effort to show from 6 outings for current yard. This is easier than the Cambridgeshire last time, at least.			
13	16	EMPIRE OF LIGHT (IRE) (8) (D)	94
	541-11002	5 8-13 56.7kg	Oliver Stammers
Ended 2025 with a win at Chester and picked up where he left off when shading tight finishes at Haydock (10.5f) and Thirsk (1m) in the spring. Found things harder in big-field events at this track but back in calmer waters, he found only one too strong at Nottingham a week ago.			
14	3	POINT OF CONTACT (IRE) (23) (C, D)	96
	56-618457	4 8-13 56.7kg	Callum Hutchinson
Showed benefit of reappearance run when making breakthrough in handicaps at this track (9f) in June, showing a good attitude. Has been expensive to follow since, albeit running pretty well in 3 of his 4 starts. Visor may just sharpen him up a touch.			
15	5	MILITARY LEADER (19) (D)	95
	13222120	5 8-11 55.8kg	Sam James
Most progressive in 2026, successful at Southwell and Thirsk on return in May and continued to progress in defeat before notching third win in 15-runner event at Thirsk in August. Ran at least as well from 9 lb higher when second to Monoceros at Haydock (1m) before first below-par run latest.			
16	13	FINAL NIGHT (34) (D)	95
	62360224	4 8-10 55.3kg	M. P. Sheehy
All 4 wins have come over 1m at Kempton. Has at least matched that form on turf in recent starts, continuing in good heart when 3 lengths fourth (suffered some interference) at Haydock last time. May prove vulnerable back in Class 3 company here, though.			
17	10	GLENFINNAN (IRE) (17) (D, BF)	93
	19420185	6 8-9 54.9kg	Connor Beasley
Pair of Beverley wins around 7.5f in 2026 and posted another sound effort back there 17 days ago. This looks a shade too competitive, however.			
18	6	SALAM DUBAWI (13) (D)	99
	033d40060	4 8-8 54.4kg	Lauren Young (5lb/2kg)
Fair German 1m winner. Has improved for new yard this season, scoring at Hamilton (9f) in May and good fifth in John Smith's Cup here (demoted from third for hanging left). Has shaped better than the result all 3 starts since so in better heart than form figures suggest.

BETTING FORECAST:

4-1 Beagle Bay, 10-1 Spoken Truth, 11-1 Henlein, 11-1 Power Fizz, 12-1 Inspired, 16-1 Point of Contact, 16-1 Northern Express, 16-1 Nikovo, 18-1 Ozat, 20-1 Salam Dubawi, 25-1 Khafiz, 28-1 Mr Swivell, 28-1 Mirsky, 28-1 Glenfinnan, 33-1 Nizam, 33-1 Final Night, 33-1 Empire of Light, 40-1 bar

TIMEFORM VIEW:

A big-field handicap but the claims of BEAGLE BAY are there for all to see having beaten the subsequent John Smith's Cup winner Raammee at Sandown when last seen in June. His subsequent absence is no concern given the yard he represents and looks ahead of his mark. Power Fizz, course specialist Northern Express and Salam Dubawi head the opposition.

Going: **Good (Good to Soft in places)**

Left handed, flat. In essence, York is a very fair track, ideal for the long-striding galloper. The track was made into a circuit in 2005 and offers a straight five furlong/six furlong track, on which a high draw has been a distinct disadvantage in recent years, while seven furlong races start on a chute.

Draw: **N/A** Pace Information: **Very Strong**

1	3	WAASIL (29) (D)	4113	2	9-7	60.3kg	Sam James	90
		K. R. Burke	Progressive son of Ardad who made it 2 wins from 3 starts in a 4-runner nursery at Newbury (7f) towards the end of July. Ran at least as well when third over 1m at Doncaster 4 weeks ago but needs to find another jolt of progress conceding weight all round.					
2	10	DONTLOOKANYFURTHER (IRE) (21) (BF)	6119	2	9-5	59.4kg	Jason Hart	93
		John & Sean Quinn	Space Traveller colt who found further improvement when supplementing his Redcar novice win under a penalty at Thirsk last month. Was very impressive on latter occasion but sent off a warm order, flopped badly on nursery debut at Ayr 3 weeks ago. Now goes up in distance.					
3	8	REGENCY ROYAL (GER) (27) (D)	201	2	9-4	59.0kg	Callum Hutchinson	95
		Andrew Balding	Shaped very well from a poor position when staying on strongly for second over 6f at Chester on debut in July. No impact in a maiden at Glorious Goodwood (7f) but back at Chester he was a ready winner 4 weeks ago. That form puts him in the mix.					
4	1	TURNSTILE (4)	73337518	2	9-2	58.1kg	David Allan	82
		Tim Easterby	Improvement looked to have stalled but following 9 weeks off/gelding operation, he stepped forward to make a winning nursery debut at Ayr (6f, soft), relishing the more testing conditions. In nothing like the same form at Pontefract on Monday and has his work cut out here.					
5	6	NAKILA SUN (GER) (46)	621	2	9-0	57.2kg	Jason Watson	90
		Andrew Balding	Raced freely but saw out 1m well when off the mark at the third attempt in a Windsor novice in August. That isn't form to be getting carried away with but he's in the right hands to go on from that.					
6	5	CAPITANO JOSEPI (IRE) (40) (D)	1	2	8-13	56.7kg	Jack Mitchell	93
		Kevin & Lauren Frost	Picked up for just 1,000 gns this year and looks an absolute bargain as he landed a few bets on debut at Yarmouth in August, overcoming a tardy start and greenness. Expected to build on that and could be a big player.					
7	14	ONGOMBO (18)	86291	2	8-13	56.7kg	Paddy Bradley	89
		Charlie Fellowes	Fared as well as could be expected when mid-field in a sales race at Doncaster and turned out 11 days ago, made the most of an easier opportunity at Ffos Las (6f). More needed back in this company but 7f ought to be within range.					
8	11	SANBONA WARRIOR (IRE) (29) (D)	2142	2	8-13	56.7kg	Daniel Tudhope	90
		William Knight	Promising start when second at Kempton and held off a couple of next-time-out winners when going one better at Doncaster (7f, firm) in July. Below expectations when fourth of 7 in nursery at Newmarket but fitted with cheekpieces, a runner-up effort back at Doncaster was much more like it.					
9	12	THEHEATISON (21)	55143252	2	8-13	56.7kg	Silvestre De Sousa	92
		Nick Scholfield	Novice winner at Bath in July and has shown better form in defeat since, including second in a big-field nursery at the Ebor meeting along with another runner-up effort at Newbury. Isn't obviously capable of better					
10	4	SCIENZA (35)	75	2	8-12	56.2kg	Tom Marquand	84
		Andrew Balding	£40,000 yearling, Bated Breath colt. Half-brother to 7f winner Jungle Knight. Showed only greenness on debut at Newmarket but more like it when fifth at Kempton. This is a difficult ask at this stage of his career, though.					

11	2	ALJOON (IRE) (18) (D)	0231	2	8-11	55.8kg	Connor Beasley	87
		Jack Jones	Gelded and just about best effort yet when landing 7f maiden at Wolverhampton 18 days ago. Needs to raise his game again to trouble a few of these.					
12	7	CHAN NOIR (49)	164	2	8-11	55.8kg	Clifford Lee	86
		Jane Chapple-Hyam	Won on debut at Nottingham in June but hasn't built on that as hoped twice since, not looking an easy ride when fourth at Salisbury in August. Tackles 7f for the first time.					
13	15	ALBERICH (IRE) (14) (BF)	2	2	8-10	55.3kg	George Wood	87
		Harry Eustace	Foaled February 16. €25,000 yearling, €35,000 2-y-o, Ghaiyyath colt. Dam 7f-11.5f winner. Well backed and displayed plenty of ability when second of 3 starting out at Newcastle 2 weeks ago. Form of that steadily-run novice yet to be tested but improvement is expected.					
14	16	BRUSHSTROKE (35)	22	2	8-8	54.4kg	Sean Dylan Bowen	87
		T. J. Kent	Promising start to his career when length second of 11 in maiden at Lingfield (7f, all-weather) in August. Wasn't in quite the same form despite achieving same result at Ascot, where he looked unsuited by drop to 6f.					
15	9	EVERATEASE (48) (C)	66411027	2	8-8	54.4kg	Jack Callan	100
		Eve Johnson Houghton	Winner of 6f sellers at Chester and York at the start of the summer, with the form of the latter franked on several occasions since. Upped his game when second of 5 in a nursery at Windsor and much better than bare facts of seventh-place finish behind stablemate at Newmarket. The one to beat.					
16	13	GOD OF TITANS (IRE) (22)	082	2	8-8	54.4kg	Jack Doughty	84
		Clare Hobson	Got cheaper each time he went through the sales ring and having looked very limited on his first 2 starts, improved from nowhere to finish second at Southwell on first try at 7f 3 weeks ago. This looks a tall order.

BETTING FORECAST:

6-1 Regency Royal, 13-2 Waasil, 8-1 Everatease, 8-1 Dontlookanyfurther, 9-1 Capitano Josepi, 11-1 Nakila Sun, 12-1 Ongombo, 14-1 Theheatison, 16-1 Alberich, 18-1 Sanbona Warrior, 25-1 Chan Noir, 40-1 bar

TIMEFORM VIEW:

CAPITANO JOSEPI looks a steal having been picked up for a song this year given he made a taking winning debut at Yarmouth and given he'll know more this time, a bigger performance may well be forthcoming. Eve Johnson Houghton has already had a very productive 2026 in sales races and Everatease is favoured by these weights, so needs taking very seriously. Regency Royal completes the shortlist.

Draw: **N/A** Pace Information: **Strong**

1	5	TIERRA DEL TORO (48)	98
	212-3944	3 9-9 61.2kg	
Ralph Beckett <i>Jason Hart</i> Has held his form in valuable handicaps this year, faring best of those drawn high to once more make the frame in the Melrose over this C&D 48 days ago. Should give another good account but this mark seems to have the measure of him.			
2	4	GLORY ROAD (GER) (14) (D)	97
	2-32101	3 9-6 59.9kg	
Ralph Beckett <i>Hector Crouch</i> Showed improved form to make a winning handicap debut at Newcastle (12.5f) in July. Never got competitive in the Melrose over C&D next time but back on the up when winning 5-runner handicap (5/2) at Haydock (1¼m, soft) 14 days ago by neck from Itica, just holding on. 5 lb higher now.			
3	3	MYTHICAL BAY (IRE) (34) (D)	97
	2-1231197	3 9-4 59.0kg	s
Andrew Balding <i>Callum Hutchinson</i> Overcame the rise in class when registering a third career success in 7-runner handicap at Newmarket (1¼m, firm) in July. Hasn't seemed to benefit from an increased emphasis on stamina in the Melrose or at Haydock on his last 2 starts, though, and cheekpieces now go on.			
4	1	HARPER VIOLET (IRE) (30)	97
	3-41	3 9-0 57.2kg	
K. R. Burke <i>Clifford Lee</i> Promising third at Doncaster on her sole run at 2 yrs and has clearly benefited from patient handling this season, getting off the mark at the third attempt in 12-runner maiden at Carlisle (11f, good to soft) 30 days ago. Should be suited by the longer trip and can improve again now handicapping.			
5	2	BALTIC FLEET (IRE) (48)	96
	51-232P38	3 8-13 56.7kg	s
Ian Williams <i>Jason Watson</i> Back on track when third at Ascot on his second outing for this yard (sold from George Boughey for £170k) and shaped as if effective enough over this trip when eighth of 17 in the Melrose (good to soft) 48 days ago, albeit carrying his head a bit awkwardly. Cheekpieces replace visor.			
6	10	BINTKNIGHT (21)	97
	512141	3 8-10 55.3kg	
Harry Charlton <i>Lewis Edmunds</i> Quickly doubled her tally on handicap bow at Lingfield (1¼m) in August. Not seen to ideal effect under a patient ride when a close fourth of 8 at Kempton (1½m) next time and quickly back on the up when winning 8-runner handicap at Newbury (1½m, good to firm, 11/2) 21 days ago. Up in trip now.			
7	8	PRINCE OF CALYPSO (IRE) (6lb/3kg ex) (9)	96
	3-373151	3 8-10 55.3kg	s
Edward Bethell <i>Connor Beasley</i> Did well under the circumstances when off the mark at Wolverhampton (1½m) in August. Had a troubled passage when fifth at Beverley (heavy) after and resumed progress when winning 7-runner handicap at Catterick (1½m, good to firm) 9 days ago. Penalised but unlikely we've seen all he has to offer.			
8	9	ITICA (14)	98
	02-56172	3 8-8 54.4kg	
Andrew Balding <i>Jack Callan</i> Showed much improved form upped to 11f when opening account in 6-runner seller at Goodwood (soft) in August and quickly to back form with some ease in the ground when a neck second of 5 to Glory Road in handicap at Haydock (1¼m, soft, 14/1) 14 days ago. 2 lb better off with that rival now.			
9	6	GASPACHO (31) (BF)	100
	511-4	3 8-7 54.0kg	t
William Haggas <i>Joanna Mason</i> Off the mark at Pontefract last autumn and progressed again when landing 6-runner nursery at Newmarket in November. Short in the betting but shaped as if she'd come on for the run when fourth of 7 in handicap at Leicester (1¼m, good) 31 days ago on last month's return. Bred to stay this far.

BRIDGE OF EAGLES (IRE) (34)

Silvestre De Sousa

Improved to make a winning handicap debut/return at Goodwood (1¼m) in May. Proved consistent rather than progressive subsequently, posting another solid effort when third of 8 in handicap at Haydock (1¼m, soft, 18/1) 34 days ago, albeit perhaps not seeing the race out as well as others.

10 DECLARED RUNNERS

BETTING FORECAST:

TIMEFORM VIEW:
A competitive handicap in which GASPACHO is fancied to step up on her belated return, William Haggas' filly very much bred to be at her best over this sort of trip. Similar comments apply to handicap newcomer Harper Violet, with Ed Bethell's Catterick winner Prince of Calypso also respected under a penalty.

Richard & Peter Fahey 
€82,000 foal, €170,000 yearling. Dark Angel colt. Down the field in 2 course maidens and he'll be of much more interest when qualified for nurseries after this.

BETTING FORECAST:

4-7 Sharadd, 4-1 Our Son Oscar, 7-1 Mehmas Star, 12-1 Mugheer, 50-1 bar

TIMEFORM VIEW:

SHARADD could barely have been more impressive when making a successful debut at Haydock and he should prove hard to stop on his second outing. Our Son Oscar rates the obvious danger.

RACE 5

PARSONAGE HOTEL AND CLOISTERS SPA NURSERY
HANDICAP (3) 2yo (Rated 0-95) £25,000 5f (1010 Metres)

Going: **Good (Good to Soft in places)**

Left handed, flat. In essence, York is a very fair track, ideal for the long-striding galloper. In recent seasons, the field tends to come more down the centre of the track than has historically been the case, particularly if conditions are testing. The track was made into a circuit in 2005 and offers a straight five furlong/six furlong track, on which a high draw has been a distinct disadvantage in recent years, while seven furlong races start on a chute.

Draw: **Against High** Pace Information: **Strong**

1	7	NOBLE RAIDER (IRE) (146) (D)	90
	231	2 9-9 61.2kg Kevin Philippart de Foy  <i>Hector Crouch</i> Continued theme of race-by-race progress when landing the odds in a Doncaster maiden in May. Off the track since but he's in very capable hands and is a likely further improver on nursery debut.	
2	3	BARNABY RUDGE (IRE) (63) (D)	93
	114	2 9-7 60.3kg James Fanshawe  <i>Non Runner</i> Stable's 2-y-os well forward and made a winning start in a 5f novice at Nottingham in June. Followed up under penalty at Newcastle (strong form) and perhaps best to overlook backward step at Musselburgh given he missed the break at speed-favouring track. Open to improvement having been gelded.	h
3	4	BLACK VELVET BOY (IRE) (15) (D)	96
	731122	2 9-6 59.9kg John & Sean Quinn <i>Jason Hart</i> Progressive sort who got off the mark at Beverley in July before belying weakness in the market when following up on nursery bow at Windsor 3 weeks later. Cemented a very solid start to career in nurseries with a pair of runner-up efforts since, worn down close home 2 weeks ago.	
4	6	INSTANT FORCE (IRE) (25) (D)	100
	221	2 9-3 58.5kg K. R. Burke <i>Clifford Lee</i> Shaped best without quite justifying short odds in 4-runner maiden at Ayr (6f) on debut and unlucky to bump into a potentially useful southern raider when filling the same spot at Hamilton. Looked a 5f natural when successful in first-time cheekpieces at Windsor and opening mark is lenient.	s
5	2	INFLUENCER MAN (IRE) (21) (D)	95
	42148	2 9-0 57.2kg Adrian Keatley <i>M. P. Sheehy</i> Dug deep when bagging 7-runner nursery at Carlisle (5f, good to firm) in August. Runner-up that day won next time but he's made an underwhelming start to his career in handicaps.	
6	10	ROTELLE (27) (D)	94
	18228	2 8-13 56.7kg Charlie Fellowes  <i>Paddy Bradley</i> Edged out a now useful sort when scoring with a bit to spare on debut at Nottingham in the spring and return to softer ground/application of cheekpieces saw him post best effort yet when second on nursery bow at Sandown (5f) in August. Never really looked like getting involved at Chester,	s
7	1	HARLEY (IRE) (15)	95
	5232142	2 8-11 55.8kg Edward Bethell  <i>Connor Beasley</i> Made the most of what became a straightforward opportunity when winning 6-runner novice at Hamilton in August. Matched that form when second at Pontefract but isn't obviously well treated on this first attempt over 5f. Cheekpieces on.	s
8	9	BEAR LEE (IRE) (28) (D)	94
	414540	2 8-10 55.3kg Michael & David Easterby <i>Joanna Mason</i> Won a weak 5f Musselburgh novice in late-June but has advanced her form in defeat since, doing all she could when beaten 5¼ lengths in a Ripon listed race in August. Backward step in a nursery at Doncaster and now goes down in distance.	
9	5	FURTURRA (21) (D)	95
	21240535	2 8-10 55.3kg Tim Easterby <i>T. Kiely-Marshall (3lb/1kg)</i> Already had plenty of racing when doubling his tally in a Redcar novice (6f) in June. Mixed fortunes since but right back on his game when fifth at Ayr 3 weeks ago, shaping as though return to 5f would be in his favour.	

10 8 **LAKE MURITZ (15)** (D) 93

21655 2 8-9 | 54.9kg

 Tim Easterby *Duran Fentiman*

Confirmed the promise of her debut when successful at Beverley in May. Set a couple of stiff tasks at this venue soon after but given a break, she shaped as though back in reasonable heart despite finishing last of 5 in a 6f nursery at Pontefract.

10 DECLARED RUNNERS

BETTING FORECAST:

2-1 Instant Force, 11-2 Black Velvet Boy, 6-1 Noble Raider, 7-1 Barnaby Rudge, 10-1 Harley, 16-1 Furturra, 22-1 Rotelle, 25-1 Lake Muritz, 33-1 Influencer Man, 40-1 bar

TIMEFORM VIEW:

INSTANT FORCE looked a 5f natural when finding a chunk of improvement to score at Windsor 3 weeks ago and with that race working out well, his opening mark looks lenient. A gelding operation may help Barnaby Rudge get back on the up so he's second choice, ahead of Noble Raider.

1	2	TOCA MADERA (IRE) (17) (D)	100
	04530201	5 9-9 61.2kg	
	David O'Meara	Daniel Tudhope	
	Ended losing run at Doncaster (5f) in June and shaped with plenty of promise in top-end handicaps here/Goodwood subsequently. Not at best in the Portland at Doncaster but quickly back on track when landing 6-runner conditions event at Beverley (5f) 17 days ago. Solid claims back in a handicap.		
2	6	TATTERSTALL (IRE) (27) (D)	99
	4/00-32501	6 9-6 59.9kg	
	Michael Dods	Connor Beasley	
	Prominent racer who has been lightly raced in recent seasons and capitalised on the drop in grade equipped with first-time cheekpieces when recording first win for 2 years at Lingfield (5f) 4 weeks ago. Arrives pretty fresh for this time of year and respected back on turf from 5 lb higher.		
3	8	AGAINST THE WIND (27) (D)	92
	630-30009	4 9-5 59.4kg	
	Kevin Ryan	Kevin Stott	
	Successful twice in 5f handicaps last season and returned with a good third at Southwell in March. Not threatened in 4 turf starts since but did fare better than of late when 6 lengths ninth of 21 in the Portland at Doncaster (5.6f) last month. Has looked more reliable on all-weather.		
4	7	NOVAMAY (21) (D)	96
	4-9516810	4 9-4 59.0kg	
	Michael Dods	Rhys Elliott (5lb/2kg)	
	Confirmed herself better than ever when doubling this season's tally at Catterick (5f) in August. Found herself in the firing line from an early stage when down the field in a strongly run listed race at Ayr since but her new mark does demand more now in any case back in a handicap.		
5	14	HALLO SPACEBOY (20) (C, D)	96
	321-22180	3 9-3 58.5kg	
	Ed Walker	Tom Marquand	
	Son of Starman who confirmed the promise of his second in a red-hot Ascot handicap when justifying cramped odds over 6f here in June. Not disgraced at listed level next time and he'll find this much more suitable than his Group 3 assignment 3 weeks ago. Better anticipated.		
6	17	SCHRODINGER'S CAT (13) (D)	97
	31265600	3 9-3 58.5kg	
	Grant Tuer	Oliver Stammers	
	Won at Redcar (5f) before fine second behind an upwardly mobile filly over C&D in June. Solid efforts next 3 starts but possibly gone off the boil judged on recent performances at Doncaster/Ripon.		
7	13	ETERNAL SUNSHINE (6) (D)	96
	26021020	6 9-2 58.1kg	
	Jim Goldie	Lauren Young (5lb/2kg)	
	Had a highly productive 2025, including success in the Portland at Doncaster (5.6f). Opened account for the season at Hamilton (5f) in August and best not judged too harshly on her latest Ascot run having been well away from where the action developed. Each-way possibilities.		
8	4	EXCLAMATION (IRE) (28) (D)	97
	01902078	3 9-1 57.6kg	
	Grace Harris	Ashley Lewis (3lb/1kg)	
	Inconsistent performer who was seen to good effect from the front when successful at Chester (5f) in May. More miss than hit since, below best at Beverley and never able to land a blow having been tight for room early back at Chester 4 weeks ago. Others preferred despite sliding mark.		
9	12	FORTIFICATION (26) (CD)	95
	41430740	3 8-12 56.2kg	
	Brian Ellison	Silvestre De Sousa	
	Landed a big-field C&D handicap on stable debut at the Dante meeting prior to finishing placed in pair of similarly competitive course handicaps next 2 starts. Some way below that level on 3 of his 4 starts since, though, latterly when eleventh of 16 at Doncaster 4 weeks ago. Cheekpieces back on now		

10	15	FIDELIUS (13) (D)	96
	12560267	5 8-12 56.2kg	
	Nigel Tinkler	Alex Jary (3lb/1kg)	
	All 6 career victories for Robert Cowell gained on all-weather but went mightily close to breaking his duck on turf when second on stable debut at Redcar (5f) in August. Hasn't scaled same heights in 2 starts since and others look more solid. Tongue strap back on.		
11	11	KODIAC THRILLER (IRE) (15) (CD)	98
	10041990	5 8-9 54.9kg	
	Mark Walford	Jason Hart	
	Twice a winner this year, latterly from 1 lb lower mark over C&D in July. Produced a rare below-par effort at Ripon when ninth in Great St Wilfrid next time, though, and fared no better at Chester/Pontefract last month.		
12	1	BOSTON DAN (IRE) (13) (D)	95
	00470109	3 8-9 54.9kg	
	Tim Easterby	Cam Hardie	
	Finally took advantage of a tumbling mark in a first-time tongue tie at Haydock (5f, heavy) 3 starts back. Looked stretched by return to 6f in Ayr Bronze Cup next time and best to draw a line through his latest run at Haydock given where he raced. Assessor is steadily easing his grip again.		
13	16	STARGAZED (13) (D)	98
	15-208785	3 8-8 54.4kg	
	K. R. Burke	Jack Nicholls (3lb/1kg)	
	A fair 5f winner at 2 yrs who resumed with a very good second behind Fortification over C&D in May. Below that form since though, never a threat when fifth of 10 in handicap at Haydock (5f, soft) 13 days ago. Eases in class now but slow starts remain a concern.		
14	3	EQUITY LAW (13) (D)	96
	36021185	5 8-7 54.0kg	
	Tim Easterby	James Sullivan	
	Recorded back-to-back 5f wins at Pontefract/Thirsk and stepped up on his penultimate Doncaster eighth when fifth of 14 in handicap at Ripon (5f) 2 weeks ago, every chance before fading last ½f. Handicapper looks to have him about right at present.		
15	10	BALDOMERO (IRE) (28) (D)	97
	63736944	8 8-6 53.5kg	
	Michael Appleby	Joanna Mason	
	Four-time winner on turf/all-weather in 2025. Yet to get his head in front this season but performed with credit when sixth in Sky Bet Dash over 6f here in July. Not at very best of late but finds himself operating from career-low mark and foolish to rule out a good showing back at 5f.		
16	5	GO VINCE GO (IRE) (15) (CD)	96
	38043938	3 8-4 52.6kg	
	Tim Easterby	William Pyle	
	A 3-time winner at 2 yrs (including over C&D) who has made the frame on several occasions this season. Easy to excuse latest Pontefract effort (posted wide throughout from outside stall) but drop back to the minimum trip may not suit ideally given how he's shaped in recent starts.		
17	18	PARISIAC (IRE) (10) (D, BF)	98
	12208932	7 8-4(8-3) 52.6kg (52.2kg)	
	Iain Jardine	Andrew Mullen	
	Front runner who's thrived on a busy spell of late, forcing an unexposed one to pull out all the stops when ½-length second at Ayr last time. This looks a tougher assignment but can't be ruled out in present groove. Engaged 3.30 Ayr Thursday.		
18	9	COPPER KNIGHT (IRE) (11) (CD)	96
	69090819	12 8-4(8-2) 52.6kg (51.7kg)	
	Tim Easterby	Duran Fentiman	
	Remarkable veteran with 7 C&D victories to his name and exploited a career-low mark (well backed) when enhancing his similarly excellent Chester record in September. Never figured at Hamilton later last month but type to give another good account back here in race named in his honour.		

18 DECLARED RUNNERS

BETTING FORECAST:

11-2 Toca Madera, 9-1 Parisiac, 11-1 Tatterstall, 12-1 Hallo Spaceboy, 14-1 Baldomero, 14-1 Equity Law, 14-1 Copper Knight, 16-1 Novamay, 16-1 Eternal Sunshine, 16-1 Boston Dan, 18-1 Go Vince Go, 22-1 Stargazed, 22-1 Fortification, 22-1 Against The Wind, 28-1 Kodiak Thriller, 28-1 Schrodinger's Cat, 40-1 bar

TIMEFORM VIEW:

Having quickly bounced back to form when landing a small-field conditions event at Beverley 17 days ago, TOCA MADERA remains on the mark he's been competitive from in top-end handicaps this summer and may well be up to defying top weight eased in class. Hallo Spaceboy will find this easier than recent assignments and is feared, as is Baldomero back at 5f from a career-low mark. Copper Knight also deserves an honourable mention with no less than 7 C&D victories to his name.

	01550443	6	9-12	62.6kg	
	Julie Camacho			<i>Olivia Haines (5lb/2kg)</i>	
	Back to winning ways at Wetherby in June and continues to hold his form, third at Beverley 17 days ago, though once again highlighting he is the sort who needs a fair bit to fall right.				
2	9	DILIGENT RESDEV (36) (CD)	v		100
	5336-9696	5	9-11	62.1kg	
	Michael & David Easterby			<i>Shay Farmer (3lb/1kg)</i>	
	C&D winner who shaped well back from a break at Southwell 5 weeks ago, not ideally placed. Finally lower in the handicap than when winning the 2024 Ayr Bronze Cup.				
3	11	MAGIC BOY (GER) (55) (C, D, BF)			98
	381-24173	4	9-11	62.1kg	
	Nigel Tinkler			<i>Alex Jary</i>	
	Has improved again this season, landing 19-runner contest over 6f here before quickly bouncing back with an excellent close third of 20 at Ripon. Effective over 7f so on the shortlist.				
4	21	SON (7) (D)	s		96
	40623520	5	9-11	62.1kg	
	Tim Easterby			<i>Jack Nicholls</i>	
	Just a maiden win to his name despite a sliding mark and found run of good form coming to a halt at Ascot last week.				
5	10	MELVIN UDALL (IRE) (33) (D)	s		97
	214-19703	4	9-10	61.7kg	
	Grace Harris			<i>Harry Vigors (3lb/1kg)</i>	
	Made a winning seasonal/stable debut at Doncaster in March. Below par next 3 outings but was back to form when third of 19 here (1m) last month, though seeming suited by the extra 1f.				
6	14	KING OF FURY (IRE) (17) (D)			94
	54711907	6	9-10	61.7kg	
	Michael Dods			<i>Rhys Elliott</i>	
	Registered back-to-back Southwell victories in July but has gone backwards since and is tough to recommend at present.				
7	20	QUEST FOR FUN (10) (CD)	t		97
	55303252	8	9-10	61.7kg	
	Tim Easterby			<i>Jake Dickson (3lb/1kg)</i>	
	Well over a year since his last win but good placed efforts 3 of last 4 starts, including when a close second over C&D last month (rarely runs a bad race at this venue).				
8	16	FIRST TIME (IRE) (20)	v		96
	2-0633544	3	9-10	61.7kg	
	Richard & Peter Fahey			<i>Warren Fentiman</i>	
	Won a 6f Newmarket maiden last summer for Harry Charlton. Largely proved consistent in handicaps for current yard this season, beaten less than a length in this headgear at Chester latest.				
9	2	STANLEY SPENCER (IRE) (15)	b		89
	86392080	5	9-10	61.7kg	
	Fionn McSharry			<i>Kyle McHugh (5lb/2kg)</i>	
	Multiple all-weather winner but well held back on turf last 3 starts for new yard.				
10	7	FEEL THE NEED (15) (CD)			99
	0-2006721	6	9-9	61.2kg	
	Michael Herrington			<i>Donagh Murphy (5lb/2kg)</i>	
	Not easy to win with lately but had signalled a return to form at Doncaster and confirmed that impression when ending losing run in comfortable fashion at Southwell 2 weeks ago. Will find this more competitive but 6 lb rise seems fair.				

11	13	BIG CYRIL (IRE) (23)			94
	136/856-09	4	9-8	60.8kg	
	Roger Fell			<i>Jack Callan</i>	
	Placed at listed level as a 2-y-o in 2024 but found things tough during a light 3-y-o campaign and little promise both starts for new yard after 13 months off.				
12	3	KING'S SCHOOL (20) (D)	s+t		98
	8-3125853	5	9-8	60.8kg	
	Gemma Tutty			<i>Molly Keegan-Price (7lb/3kg)</i>	
	Ran well back on turf when third at Ayr 3 weeks ago but seems most effective at Newcastle (all 4 career wins there).				
13	12	LORD BERTIE (FR) (10) (D)	h		97
	60069028	6	9-8	60.8kg	
	David O'Meara			<i>C. Horgan (3lb/1kg)</i>	
	Signs of decline this season and while he's eased to a competitive mark, he seems best when conditions are testing.				
14	8	GOLDEN STRIKE (IRE) (9) (CD, BF)	v		98
	20175324	5	9-7	60.3kg	
	Richard & Peter Fahey			<i>William Pyle</i>	
	Gained a second win of the season in big-field handicap over C&D in May. Continued in good heart until a below-par effort at Catterick 9 days ago.				
15	22	INVINCIBLE BOY (IRE) (4)			91
	23-18750	3	9-6	59.9kg	
	Richard & Peter Fahey			<i>Alfie Redman (5lb/2kg)</i>	
	Landed a soft-ground Pontefract novice on reappearance in April but below that form switched to handicaps since.				
16	18	GOLDEN PHAROAH (IRE) (6) (D)	s		90
	22-280830	5	9-6	59.9kg	
	Scott Dixon			<i>Christian Howarth</i>	
	Sole win from 23 runs came at Ffos Las last autumn. Generally struggled on the all weather early this year and was well held back from 7 months off at Southwell last week.				
17	17	MYSTICAL STORM (13) (D)			97
	14890-631	4	9-6	59.9kg	
	Julie Camacho			<i>T. Kiely-Marshall</i>	
	Took advantage of the drop in class when winning his first handicap making all-weather debut at Southwell 2 weeks ago but not an obvious type to follow up back on turf.				
18	1	THE CHILDE OF HALE (25) (D, BF)			95
	806-90512	4	9-6	59.9kg	
	Ivan Furtado			<i>Liam Wright</i>	
	Arrives at the top of his game, winning at Redcar last month before backing that up with a good second under a penalty. Will find this harder off revised mark, though.				
19	19	CALYXOH (IRE) (35) (D)	v		94
	09730430	4	9-4	59.0kg	
	Patrick Morris			<i>Ashley Lewis</i>	
	Untrustworthy sort who has looked on the downgrade for current yard. Likely to find this too competitive.				
20	6	PACKETOFBISCUITS (13) (D)	b		97
	25078626	4	9-4	59.0kg	
	John Mackie			<i>Finlay Bassett (7lb/3kg)</i>	
	Enjoyed a fine spell on all weather earlier in the year, recording back-to-back wins at Southwell. Bounced back to form after a quiet spell when close second at Yarmouth but only sixth back on the all-weather 2 weeks ago.				
21	15	TOLSTOY (IRE) (7) (CD)	h		95
	7-5400017	7	9-4	59.0kg	
	Brian Ellison			<i>Mason Paetel</i>	
	Quirky sort who ended a long losing sequence (in refitted hood) in classified event at Doncaster last month (form worked out surprisingly well). Not seen to best effect back in a handicap at Ascot since.				
22	5	KENNINGTON (16) (D)	s		96
	31097	3	9-4	59.0kg	
	Hughie Morrison			<i>Oliver Carmichael (5lb/2kg)</i>	
	Impressively landed 7f novice at Lingfield in June. Disappointed next 2 starts in handicaps but showed a lot more when mid-field at Goodwood, shaping as if a return to 7f will suit. Headgear on.

PJ STAFFING GROUP APPRENTICE HANDICAP (4) 3yo+ (Rated 0-80) £25,000 7f (1410 Metres)

BETTING FORECAST:

8-1 Magic Boy, 11-1 Feel The Need, 12-1 Diligent Resdev, 12-1 Mystical Storm, 12-1 Quest For Fun, 12-1 Obelix, 12-1 The Childe of Hale, 16-1 Golden Strike, 16-1 First Time, 22-1 King's School, 22-1 Packetofbiscuits, 22-1 Melvin Udall, 22-1 Kennington, 22-1 Son, 25-1 Tolstoy, 40-1 bar

TIMEFORM VIEW:

DILIGENT RESDEV caught the eye back from a break at Southwell last time and could be ready to strike having now dipped below his last winning mark, with his record here also a positive. Magic Boy remains of interest and is second choice, while the unexposed Kennington took a big step back in the right direction at Goodwood.
