RACE 1 — V4-1 — Auto 1640

6 Overload'em is our idea in this fairly open race. Won after a short break two starts back but got a tough final lap last time. Barefoot now and our favorite for the lead. From start to finish? **5 Bys Arigato** was fourth last time in a Kriteriet heat behind Kodiak Zet among others. Much easier this time but has been a scratch. Good lane and early choice. **4 Global F.N.P.** was not empty when he was interfered to a mistake in the last race. He had shown good form before and is well drawn here. **12 Dats Milian** took this year's victory together with Carl Johan Jepson. Difficult lane of course and of course hoping for quick pace.

RACE 2 — V4-2 — Auto 1640

3 Out Or In won very easily from the lead in a cheaper race last time. He has a perfect task here with Carl Johan Jepson again. Is our favorite for the front. Banker. **9 Com Valentin** is probably as good as our pick and comes from a nice second place. However, he needs some racing luck from this number. **8 Eroll Flynn** is being ranked a little higher even though he didn't trot at his best in his last comeback race. He is definitely good enough to be in the mix. **11 Wise Surprise** has only one win in 26 starts but comes from a good second place and could be an outsider.

RACE 3 — V4-3 — Auto 1640 — RANK

6 Kiss My I.D. gets our pick. Was third in the V85 in August and will face much easier opposition this time. Can open fast and should have a nice trip. **3 Dencos T.D.** won a race during the Elitlopp weekend this year and has earned the most money. Is better than the latest results show and is driven this time by Stefan Persson. Good lane. **5 Made By Love** has done well towards the end and got a short break. He has also a nice number and should be considered in this fairly open race. **4 Mindyourlove W.F.** is a very quick starter and our favorite for the lead. From there many open races have been won...

RACE 4 — V4-4 — Auto 1640 — RANK

4 Åse Tim is our pick in this difficult race. He won two starts back and did well last time. Driven this time by Carl Johan Jepson and has a good post. **2 Leader Wood** has taken three wins in Schweiz this year. Was second in a heat to the Danish Derby but finished unplaced in the final. Easier now and good lane. **1 The Great One** was superior two starts back in an easy race. Took the lead then and goes for that position again. Our close favorite for the lead. **3 Inter K.P.** was first in the last race but got relegated to a third place. Has had a break since then and been castrated. Can open fast.
