10 Pete Baldwin has very good capacity and speed for this class. Got a tough trip from outside the leader in the last race and gave up. Should have a nice chance in an open race. **1 Freeman Dance** has developed well and scored a couple of strong wins lately. **8 Mellby Maybe** was really nice in the last race and will be interesting to follow for Björn Goop again. **2 Timotejs Gamble** has good capacity, but does not trot perfectly.

8 Caughtredhanded is absolutely top class and on the days he competes at his best, few in this class can beat him. **1 Don E.Star** should have a good chance to take the lead and considering his nice attitude he should have a nice possibility even if the opposition is tough. **5 Pure Atlas** has been matched in France and has one run under his belt after a layoff. His form should be improving and he will finish strongly. **3 Kattbo Hunter** was clearly on the way up in the last race and should not be overlooked.

9 Com Best is unbeaten after two starts and has done really well. Has shown that he is a promising horse. Should have a good chance despite this second row. **4 Indian** has galloped in three of four career starts, but won the only time he avoided a mistake and he also impressed greatly. **6 Marshall V.S.** is very capable but has been up and down in the Netherlands. Very well-bred and if he races at his best he will be in the fight for victory. **8 Jasmin Gaagaa** is driven by Carl Johan Jepson.

9 Mackenzie Bro has been in tough company lately and also galloped a lot, which is anything but optimal. Without a mistake he has a good chance of winning. **2 Julia Pricefighter** has not started for 1.5 months and is somewhat hard to predict in terms of form. Normally a contender. **8 Galaxy Roc** makes his debut for trainer Björn Goop. Has not convinced in Italy lately but can do better. **7 Dats Millian** is matched in the V85 and has taken both wins together with Jepson.

5 Camille Adi has looked really nice this year and already showed as a 3-year-old that she has good potential, but the last impression was absolutely delicious. Good chance to take the lead here. Won't be easy to pass. **6 Pure Glamour** is well-bred and is certainly better than shown so far. Barefoot this time could be the key. **7 Facetime Cash** has won more than half of his starts. Is a bit up and down. **9 Hybrida** is not reliable, but owns good capacity.

9 City Slicker has been one of the best horses of his year throughout the career. He finished third in the last E3 final and is now back after a break. Even though this is not the most important task in his career, he should have a good chance of winning. **7 Neutron Star** galloped in the last E3 final. Had done very well before that. Better number than the main rival. **1 Long Night Out** has done well without winning lately and got a perfect starting position. **5 Rockabilly Artist** is developing strongly.
