3 Rip Wheeler has already won three races this year. Has a nice task here and should have a good chance of finding the lead. Won't be easy to beat from there. **1 Paleo Boko** made a mistake from the start in his debut for Robert Bergh last time and is a bit hard to predict. Can open quite fast but should have difficulty to hold the lead. Per Lennartsson drives. Early choice. **6 Game Changer** wins quite often but was not at his best last time and has got a short break. Is a quick starter and should get a nice trip. Possible. **4 Indian Summer** faces quite tough conditions money-wise but has mostly competed in Denmark. Has three wins already this year and opened very quickly to the lead two starts back.

3 Phineas T.Boko has started quite well with a victory and a second place in three starts. Barefoot now and we think Johan Untersteiner will drive to the front. Good chance in that case. **9 Mighty Mearas** has taken three second spots in four starts but is now back after a layoff. If he is well prepared, he will be in the fight straight away despite a tricky number. **6 Cuha** scored a good win from the outside of the leader two starts back. Galloped after that but we think today's starting method is an advantage. Early choice. **2 Savage Love** faces good conditions as a filly and comes from several nice efforts. Has a good lane and is possible here.

1 Heavenly Flavours gets the tip in this apprentice race. Was second with today's driver Julian Cordeau in June and was brave as third in the V85 at Järlsberg. Our favorite for the lead. **4 Nordic In** has put in several good efforts and earned quite good money this year without winning. Good lane and he also has a good driver. Early choice. **2 Mr Weasley** faces quite tough conditions money-wise but is good for this company. Can open fast and chooses the back of our favorite? Has to be considered. **5 Mondo Diablo** is a stable companion to Nordic In. Has done well this year with three wins from eleven starts. Has two runs under his belt now and should be on the way up.

3 Tour de Valley is our pick in this fun race. He won six races last year and has done quite well this season too without winning. Our close favorite for the lead. **1 Gasparito** has not won yet this year either. Was third in the V85 two starts back and finished third behind Get a Wish at today's track as recently as last Thursday. Will probably get a good trip from here. Driven by Östre this time. **4 Fly Top** has earned the most money this year thanks to two top results at Vincennes. Has also shown good form in Sweden recently. Victor Rosleff now. **10 Frankie Godiva** is definitely good for this company. Comes from two nice efforts and Stefan Persson is a plus. Needs a bit of luck from this lane though.
