SKY SPORTS RACING SKY 415 NURSERY HANDICAP (5) 2yo
(Rated 0-75) £7,600 6f1y (1210 Metres)

Going: **Standard**

Lingfield's left-handed all-weather track is laid out inside the turf track and, measuring just less than a mile and a quarter round, is essentially sharp in nature. This, along with how the races often pan out ensures that stamina is rarely at a premium and strong-travelling types with a turn of foot are often favoured. Predominantly flat, there is a slight downhill turn in to the straight. At shorter trips, prominent racers tend to outperform those ridden more patiently, though there seems little advantage over further. Lingfield's surface is polytrack.

Draw: **N/A** Pace Information: **Very Strong**

1	9	FRUMOASA (IRE) (19) 130 2 9-9 61.2kg Charlie Fellowes Made a winning start in 5f Southwell maiden in April and similar form when third in novice at Kempton (6f) the following month. Faced a stiff task when tailed off in sales race at Newmarket 19 days ago, so this should be more suitable as she goes handicapping with visor added.	v	89
2	7	MY MARIA (IRE) (15) (D) 432221 2 9-7 60.3kg Archie Watson Billy Loughnane Runner-up 3 times in a row before making a successful all-weather debut in 11-runner novice at Wolverhampton 15 days ago. That was her first try over 6f and she can go well again back in handicap company.	s	96
3	5	LADY ROSALIND (19) (D) 9170 2 9-7 60.3kg William Haggas Left debut form well behind when winning a Ripon novice in July. Down the field both starts since, though had plenty to find when well held in sales race at Newmarket 19 days ago. In good hands as she switches to all-weather for nursery debut.		92
4	6	SEA PALACE (12) 336 2 9-6 59.9kg Ollie Sangster Ebrahim Nader Stepped forward from his first outing when third of 7 in a Ffos Las novice (6f, good to firm) in June. However, failed to give his running dropped to 5f on softer ground at Chepstow 12 days ago. Cheekpieces reached for on all-weather debut.	s	91
5	3	LOCATION LOCATION (42) (BF) 5323 2 9-6 59.9kg James Fanshawe Showed more fitted with a hood when runner-up in novice at Thirsk in July. However, with eyeshields added (now discarded) he raced too freely when third of 10 in maiden at Wolverhampton 6 weeks ago. Tongue strap now goes on for nursery debut.	h+t	94
6	10	REX REGUM (24) (BF) 9832 2 9-5 59.4kg Tom Clover Molly Keegan-Price (7lb/3kg) Making nursery/all-weather debut, progressed again when 1¼ lengths second of 8 to Trust Yourself at Wolverhampton 24 days ago. Well-bred type so there could be better still to come.		95
7	4	ARABICA QUEEN (13) (D) 421305 2 9-5 59.4kg Jonathan Portman Rob Hornby Made it third time lucky in a 6f Newbury novice in June. Creditable third of 6 in nursery at Windsor next time but below form the last twice, dropped back to 5f when fifth of 8 at Sandown 13 days ago. Now makes first start on all-weather.		96
8	1	SULTAN DARIUS (IRE) (28) (C) 4841 2 9-5 59.4kg Marco Botti With the form of his Yarmouth run on third start boosted since, improved fitted with a hood for nursery debut when winning 9-runner event at this course (5f) last month, despite again racing freely. Respected with the potential for plenty of pace in this race.	h	99
9	2	HOLI SCARLETT (IRE) (13) 76313036 2 9-4 59.0kg Stuart Williams Jack Doughty Made a successful nursery debut at Nottingham (5f) in early-July and placed twice since, running her best race when third at Newbury (6f) last month. Possibly unsuited by softer conditions at Sandown (5f) 13 days ago and the return to further should suit.		93

10	11	TRUST YOURSELF (IRE) (14) (D, BF) 00613 2 9-2 58.1kg James Tate After 8 weeks off (had a breathing operation), proved a different proposition on nursery bow when winning at Wolverhampton last month. Ran respectably under a penalty when third of 7 at Southwell 2 weeks ago and now eases back down in grade.		96
11	8	HORNDEN (FR) (24) (BF) 346 2 9-2 58.1kg Adam Kirby David Egan Made the frame in a couple of maidens which have been working out well, before meeting trouble in running when sixth of 10 on nursery debut at Wolverhampton 24 days ago. Remains with potential and is worth another chance.	t	100

Hasn't managed to repeat that effort in 2 starts since, though, racing too freely when sixth of 8 in nursery won by Trust Yourself at Wolverhampton last time.		95

BETTING FORECAST:

9-2 My Maria, 5-1 Sultan Darius, 13-2 Rex Regum, 7-1 Location Location, 8-1 Trust Yourself, 11-1 Horndean, 16-1 Holli Scarlett, 18-1 Lady Rosalind, 18-1 Sea Palace, 22-1 Frumoasa, 28-1 Arabica Queen, 28-1 Greek Street

TIMEFORM VIEW:

HORNDEN shaped as if ahead of his opening mark when not beaten far at Wolverhampton last month, worst affected by the trouble in the race, and he can gain compensation this time around. A pair of last-time-out winners are feared most, Sultan Darius successful on his nursery debut and the pick for second ahead of My Maria.

Phoenix of Spain colt who went close under an attacking ride at Wolverhampton (8.5f) early in June. Pulled hard and again ran below that level when second of 5 in novice at Nottingham (8.3f, good) 42 days ago but will set the standard if a return to all-weather brings him back to his best.				
4	8	TIME ALONE (IRE) (42)	t	75

Tom Ward		<i>Billy Loughnane</i>		
Lucky Vega gelding improved from debut when fourth of 5 in novice (14/1) at Nottingham (8.3f, good) 42 days ago. First run for yard after leaving Dr Richard Newland & Jamie Insole. Will likely have more chance in handicaps after this.

20,000 gns yearling, Ghaiyyath gelding. Dam unraced half-sister to high-class winner up to 1½m Best Solution and very smart 2-y-o 7f-1¼m winner (stayed 1½m) El Bodegon.

Well held in a trio of starts so far, though got caught wide without cover when last of 12 in novice at Kempton (7f) 22 days ago. Strong-looking colt who ought to be capable of better based on pedigree, but he's probably more one for nurseries.				
3	2	FULLY STOCKED (IRE) (54) (BF)		90
	24	2 9-7 60.3kg	David Egan	
Showed plenty to work on when second in a Kempton maiden on debut. Failed to repeat that effort when fourth of 5 at Nottingham in July, though the winner and third have both scored since. Could yet do better having been gelded.				
4	4	MAXTON		85

Took a step forward when placed in novices at Windsor (6f) and Yarmouth (7f) in July. Poorly drawn when well held on nursery debut at York 22 days ago, so no surprise to see him bounce back for his leading yard with cheekpieces fitted.				
6	8	PIRATES PARADISE (IRE) (19)		82

Showed encouragement when mid-field in a Yarmouth novice (7f) on debut, but was still in need of the experience when seventh of 12 in maiden at this course 19 days ago, again slowly away. Could be one for further down the line.				
7	10	TOM THUMB (15)		75

9	5	TAKAAFUL (19)	★	100
	43	2 9-2 58.1kg	Billy Loughnane	
Shaped promisingly in 2 starts this summer, the least experienced in the field when third of 7 in conditions event at Chester 19 days ago. The one to beat with further improvement to come.				
10	6	TIDAL BLUE (IRE)	h	84
		2 9-2 58.1kg	Sean Dylan Bowen	
Foaled April 13. €37,000 foal, £50,000 yearling, Dark Angel filly. Closely related to 2-y-o 1m winner Duke Legacy and half-sister to 5f winner Mutasawi and 6f-8.3f winner Luna Celeste. Dam 2-y-o 5f winner. Wears hood for debut and may just be better for this experience.

TIMEFORM VIEW:

TAKAAFUL has made a promising start to his career with 2 in-frame efforts, still green when third at Chester last month, and she looks to hold leading claims back in a maiden. 		Mark Rimell					<i>Rob Hornby</i>	
		Long-standing maiden who returned to form from out of the blue when third of 12 in classified event over this C&D 23 days ago, though had the benefit of a good position. Needs to be able to build on that effort back in a handicap.						
10	4	MAURY (IRE) (23) (CD)	59-148979	4	8-10	55.3kg		97
		Craig Benton					<i>Olivia Tubb (5lb/2kg)</i>	
		Made a winning return in a C&D handicap in March. Made the frame next time but down the field in 4 starts since, albeit not ideally placed in classified event here last month. Others still more persuasive.

BETTING FORECAST:

4-1 Vitalline, 11-2 Midnight's Dream, 13-2 Fulford Cross, 7-1 Jackson Street, 7-1 On Key, 10-1 Majestic Wave, 11-1 Francisco, 14-1 Coiled, 18-1 Maury, 28-1 Tilsworth Max, 66-1 bar

TIMEFORM VIEW:

Preference is for MIDNIGHT'S DREAM who had been in good heart prior to his run in a higher grade here last time. He is taken to quickly get back on track and resume winning ways from his reduced mark, with Francisco next best as he returns to this shorter trip. On Key completes the shortlist.

RACE 6

FOLLOW @attheraces ON INSTAGRAM HANDICAP (4) 3yo
(Rated 0-85) £10,000 1m1y (1610 Metres)

Going: **Standard**

Lingfield's left-handed all-weather track is laid out inside the turf track and, measuring just less than a mile and a quarter round, is essentially sharp in nature. This, along with how the races often pan out ensures that stamina is rarely at a premium and strong-travelling types with a turn of foot are often favoured. Predominantly flat, there is a slight downhill turn in to the straight. At shorter trips, prominent racers tend to outperform those ridden more patiently, though there seems little advantage over further. Lingfield's surface is polytrack.

Draw: **N/A** Pace Information: **Weak**

1	4	LAKE COMO (IRE) (22) (D, BF) 211-34764 3 9-11 62.1kg	s		100
		George Boughey Won novice/handicap on all-weather last December. Sound efforts in defeat on first 2 outings this year but hasn't kicked on as expected, in cheekpieces last time (also gelded prior) but not seen to best effect when fourth of 9 in handicap at Kempton (1m) recently. Worth another chance.		Billy Loughnane	
2	1	ROGUE DEFENCE (22) (CD) 1514 3 9-9 61.2kg			96
		Jack Jones Dark Angel gelding who went 2-3 with victory in 12-runner C&D novice in July, always holding on. Improved further sent handicapping when fourth of 8 at Kempton (1m) just over 3 weeks ago and warrants plenty of respect back here (2-2).		Robert Havlin	
3	2	VINCENZO PERUGIA (IRE) (33) 310-27004 3 9-9 61.2kg			99
		Charlie Johnston Ready winner of Beverley novice last summer. Very good second at Musselburgh on reappearance/handicap debut but hasn't kicked on, though did prove more competitive in a less well-contested handicap when fourth at Newmarket last month. Mark eases another 2 lb on all-weather bow.		David Egan	
4	6	KAINDY (IRE) (15) 72-31 3 9-8 60.8kg			90
		Roger Varian Strong in the betting and didn't need to improve to get off the mark with something to spare in 7-runner novice at Kempton (7f) just over a fortnight ago. Remains open to improvement with the demands of a well-run handicap sure to suit much better.		Ray Dawson	
5	5	LOBLOLLY (IRE) (27) (C) 16-633471 3 9-5 59.4kg	s		95
		S. P. C. Woods Found it easier back down markedly in grade and gained a first win in handicap company sporting first-time cheekpieces in 4-runner event at Epsom (8.5f, firm) last month. That form hasn't worked out so others are more appealing here.		Daniel Muscutt	
6	3	QUEEN TAMARA (IRE) (19) (BF) 5212-973 3 9-3 58.5kg	s		98
		Harry Charlton Made it third time lucky at Chepstow last summer and has worked her way back to form this season, most recently when third of 10 in handicap at Redcar (1m, good) just under 3 weeks ago. Heads into the autumn fresher than most so should remain competitive on all-weather debut. Cheekpieces applied.		Finley Marsh

BETTING FORECAST:

9-4 Kaindy, 4-1 Loblolly, 9-2 Rogue Defence, 15-2 Queen Tamara, 8-1 Lake Como, 8-1 Vincenzo Peruggia

TIMEFORM VIEW:

This can go the way of LAKE COMO, who made the frame without being seen to best effect at Kempton recently and George Boughey's charge is worth another chance to open his account for the campaign. Kaindy didn't need to advance his form to get off the mark last month and is open to improvement now handicapping, he's put forward as the main threat. Rogue Defence rounds off the shortlist.

		Ollie Pears	70834112	6	9-9 61.2kg
		T. Kiely-Marshall (5lb/2kg)			
		Back in cheekpieces, opened account for the year in classified stakes at Wolverhampton last month and followed up in similar event here. Headed only close home in handicap at Newcastle last time, so can make another bold bid in current form.			
2	3	MY MATE KEV (11)			96
		Chris Dwyer	09-056727	4	9-8 60.8kg
		Silvestre De Sousa			
		Successful at Newmarket (6f) last spring but went the wrong way later in the campaign. After 3 months off, took a step back in the right direction this season when runner-up here in August, though wasn't in the same form at Yarmouth 11 days ago. Drops back in trip.			
3	8	PURE PASSION (24) (CD)			95
		Stuart Williams	430121	3	9-7 60.3kg
		Jack Doughty			
		Off the mark at the fourth attempt in classified event at Yarmouth early last month. Not seen to best effect next time, before landing the odds in 6-runner handicap over this C&D 24 days ago. Can make her presence felt.			
4	1	LITTLE JAYBEE (13) (D)			96
		David Evans	9-8969332	3	9-7 60.3kg
		Billy Loughnane			
		Has been heading back in the right direction in 3 starts for current yard, second of 6 in handicap at Ffos Las 13 days ago. On a handy mark as she returns to all-weather.			
5	7	THE FIXER (IRE) (9) (D)			99
		Scott Dixon	9-0001843	5	9-7 60.3kg
		Kieran O'Neill			
		Ended a long losing run at Wolverhampton in June and has made the frame last 2 starts, again beaten less than a length when third of 8 at the same course 9 days ago. Could be thereabouts once more.			
6	5	BIG BARD (23) (C)	s		91
		Gary & Josh Moore	067-19066	8	9-6 59.9kg
		Paddy Bradley			
		Made a winning start to the year at Kempton (6f) in January but hasn't gone on from that effort, returning from a further 10 weeks off when sixth of 9 at this course 23 days ago.			
7	6	A LOTT OF KANE (IRE) (33) (C, D)			93
		Chelsea Banham	39214511	3	9-5 59.4kg
		Joey Haynes			
		Following a breathing operation, bounced back to winning ways in a Wolverhampton handicap (5f) in July. Followed up in 10-runner classified event at this course (6f) 9 days later and he can give another good account.			
8	2	MART (9) (C, D)	b+t		97
		Des Donovan	43643602	5	9-1 57.6kg
		Rob Hornby			
		Isn't long with current yard and with blinkers added, ran well when second of 5 in handicap over this C&D 9 days ago. His losing streak continues to mount up, though.			
9	9	BATTLE POINT (IRE) (16) (CD)			93
		Michael Attwater	40577546	7	8-9 54.9kg
		Laura Coughlan (3lb/1kg)			
		Ran better than for a while when close fifth of 9 in classified event at Bath in July. However, he hasn't been in the same form in 2 subsequent outings, 4½ lengths sixth of 9 to Let's Go Hugo over this C&D 16 days ago.

TIMEFORM VIEW:

LET'S GO HUGO has benefited from the refitting of cheekpieces, only narrowly denied at Newcastle in his hat-trick bid last week, so gets the vote to add to his tally. The Fixer has gone close when making the frame on his last 2 outings and could be the main danger, ahead of Pure Passion.

1	1	BOSTON RUN (IRE) (5lb/2kg ex) (7) (C)	93
	980-66421	4 10-0 63.5kg	<i>Paddy Bradley</i>
Confirmed previous promise and capitalised on a much-reduced mark to belatedly open his account in 7-runner event at this course (1¼m) last week, having the run of the race. Fancied to go close again under a 5-lb penalty.			
2	5	HIGHLAND HARVEY (IRE) (9) (BF)	96
	35213332	4 9-8 60.8kg	<i>Ray Dawson</i>
Has held his form well since coming to Britain, finally shedding the maiden tag in an 11.5f classified event at Yarmouth in July. Good placed efforts all 4 starts since, having every chance when second of 8 at Brighton (1½m, good) 9 days ago. In the mix.			
3	2	PRIDE EYE (14)	97
	0-1074452	4 9-5 59.4kg	<i>Billy Loughnane</i>
Caused 66/1 shock over 1m at Southwell in January and got as close as she has since minus her usual tongue tie when second of 13 in classified event here (1¼m) a fortnight ago, just falling short as she tried to reel in a more prominently-ridden rival. Respected back up in trip.			
4	4	ARLECCHINO'S REX (30)	99
	13323777	4 9-5 59.4kg	<i>Rose Dawes (5lb/2kg)</i>
Does most of his racing at Wolverhampton, finally doubling his career tally over 9.5f in March. Did enough to suggest that 1¼m is within reach at the first attempt when seventh of 12 at this course last month but this extra 2f asks another question.			
5	9	MASTER OF PUPPETS (FR) (421)	80
	980-	4 9-3 58.5kg	<i>Jack Doughty</i>
Failed to show any ability in 3 starts last summer. Can only be watched upped in trip on yard/all-weather debut.			
6	8	PABLO PRINCE (37) (CD)	94
	24674765	8 9-2 58.1kg	<i>Robert Havlin</i>
Not the same force as when successful 3 times over C&D in 2022/23. Hit the frame a couple of times this year but his recent profile is off-putting.			
7	3	PURE THEORY (26)	86
	46900567	4 9-1 57.6kg	<i>Oliver Carmichael (7lb/3kg)</i>
Long-standing and uninteresting maiden.			
8	6	MAKE IT UP (IRE) (59) (BF)	 100
	090-3352	3 8-12 56.2kg	<i>Silvestre De Sousa</i>
Ran best race dropped in grade having been sent off favourite when second of 13 in classified event over C&D a couple of months ago. Returns with stable in red-hot form so fancied to make his mark back in a handicap.			
9	7	MISTER PRETENTIOUS (24)	96
	00-08042	3 8-9 54.9kg	<i>Kieran O'Neill</i>
Took a big step forward when second of 9 in handicap at Windsor (11.5f, good to firm) last month. Back on all-weather and can go well nudged up 1 lb in his bid for a first success.

TIMEFORM VIEW:

MAKE IT UP upped his game when going down by just a head over C&D a couple of months ago and returning from a break with his stable absolutely flying, William Knight's 3-y-o is fancied to get off the mark. He faces a few in-form rivals here though, with Boston Run, Highland Harvey and Pride Eye all expected to give the selection plenty to think about.

1	2	MERITOCRATIC (IRE) (11) 967-5355 3 9-9 61.2kg  James Owen <i>Robert Havlin</i> Still not the most straightforward but he stepped up from his comeback run having been gelded and sporting a first-time visor when third of 10 in handicap at Windsor (1¼m). Turned in a bit of a shocker at Brighton on final start for James Horton and no immediate upturn for James Owen at Yarmouth.	s	94
2	10	BOSOM PALS (45) 62810-400 3 9-9 61.2kg  Tom Dascombe <i>William Cox</i> Showed a good attitude when making a successful start in nurseries at Thirsk last summer. Ran to a similar level when fourth at Nottingham on return but followed that with a pair of shockers, blowing the start each time. Now goes up in distance.		96
3	9	THISONESFORYOU (20) 6815-9344 3 9-9 61.2kg  Clive Cox <i>Billy Loughnane</i>  Left qualifying form well behind when making a winning nursery debut at Leicester (1m) last October. 4	4	THUNDER GODDESS (16) 6452 3 9-8 60.8kg  Andrew Balding  <i>Charlie Tucker (7lb/3kg)</i> Has plenty of stamina in her pedigree and best effort in qualifying runs when fifth at Windsor (1m) last month. Still didn't look the finished article when an improved second over C&D 16 days ago and has a bigger performance in her.	★	100
5	7	SERAGLIO POINT (13) 68307 3 9-6 59.9kg  Hughie Morrison <i>Rob Hornby</i> Well-bred colt who showed more than previously when third over this trip at Ffos Las in June. Failed to improve as hoped in a pair of handicaps but it's too soon to be writing him off with blinkers now on.	b	97
6	3	ALKAIOS (45) 5990 3 9-5 59.4kg  Steph Hollinshead <i>Dougie Costello</i> Little promise shown since his debut, tenth of 13 on handicap debut at Southwell (1m) in July. Significantly back up in trip.	h	90
7	1	ETHEREAL CHARM (IRE) (86) 747-097 3 9-1 57.6kg  Daisy Hitchens <i>Millie Wonnacott (5lb/2kg)</i> Yet to trouble the judge, though latest Wolverhampton run isn't a race to judge her harshly on. Cheekpieces now applied.	s	92
8	6	PRIVATE PROJECT (IRE) (27) (D) 55-630931 3 9-0 57.2kg  Pat Phelan <i>Paddy Bradley</i> Had looked fairly limited for a while but cranked it up a notch when springing a surprise in 10-runner handicap at Epsom 4 weeks ago. 3 lb rise perfectly fair so more going for her than most.		97
9	5	WILD ROSIE (12) 487-76078 3 8-12 56.2kg  Chris Dwyer <i>Silvestre De Sousa</i> Showed more when sixth at Newmarket (1m) in May but yet to get close to that since, hooded and too free when upped to 11.5f 12 days ago.	h	91

TIMEFORM VIEW:

THUNDER GODDESS is the type to improve with racing, and perhaps a further step up in trip, but she makes plenty of appeal at this level on the back of a promising second over C&D recently. Credible threats are thin on the ground but Epsom winner Private Project is certainly one of them, with Thisonesforyou worth a go over this distance.
