5 Kristian Croc has a better number than his main rivals. Has clearly earned the most money this year and will probably find an early lead. Good chance. **10 Nelly Rose** put in a good effort in the last race after a tough journey. Won by a wide margin and beat several of today's opponents. Can do it tough. **11 Griffons Wine** is good for this class and has faced tougher horses than these. However, he hasn't raced since April and got a difficult lane. Still Should be considered early. **9 Flys Popcorn** followed well in the last race after a tough journey but was clearly defeated by Nelly Rose. Looking for revenge here and could surprise.

8 Tyson Henna showed good speed in the last race. Has a difficult lane behind the gate but opened fast from a similar number two starts back. Good chance if he avoids a mistake. **7 Earl's Black Son** is challenging for both the lead and the victory. He won from the front in July but did not impress in the last race and was clearly defeated by our pick. **2 Västerbo Benefit** comes from victory and won comfortably from the front. Driven this time by Kenneth Gorski. **6 Rangs Lime** was fourth behind our pick one last time and is chasing revenge together with Claes Sjöström. Should not be overlooked.

13 Krutallan has not won yet after 18 attempts but it could be his turn now. He has shown good form of late and faces very modest opposition in this amateur race. Possible banker. **9 Nygårds Survivor** has two wins and three second places in ten starts and that is impressive in this field. Tricky number but early choice together with Claes Sjöström. **11 Jakaranda Silvio** is without victory after 24 starts but seems in pretty good form and is at least a place bet. Niclas Hammarström will drive this time. **7 Dream It Happen** has a tricky number. Has not scored a place after six starts but he is facing better conditions now and is quite exciting for a new trainer.

11 Lucky Lane is our pick in this tricky race. Has not won yet this year but put in several quite good performances. Deserves a victory. **12 Fair Trade** is probably the best horse in this race. Won seven out of 13 races last year and earned by far the most money. Has done well this year too but has been matched in tougher companies towards the end. **3 Move It Brodde** won in mid-July at this track and beat several of today's rivals. Comes from a good second place and has a good lane. **4 I Am Timmie** took one third place in seven starts last year but has already won four races this season. He could find the lead after a while here. Dangerous in that case.
