RACE 1

COPYBET OVERNIGHT BEST ODDS GUARANTEED NOVICES' HANDICAP CHASE (5) 4yo+ (Rated 0-100) £6,150 2m7f (4630 Metres)

Going: **Good**

Flat, left-handed with easy turns. Portable fences take little jumping, though many runners show a tendency to go right in the home straight. Long home straight should, in theory, give hold-up horses plenty of time to recover ground, but when conditions ride on the firm side in the summer months it pays more often than not to race handily. Beware betting on close finishes as camera is situated some way short of winning line.

Pace Information: **Very Weak**

1	KENZO DES BRUYERES (FR) (22) 445-75P6 6 11-12 75.3kg	s+h	81
	Mickey Bowen  James Bowen Dual point winner disappointed in 3 starts over fences earlier this summer. Signs of a revival under considerate handling when sixth of 15 in handicap hurdle here (23f) 22 days ago and it'll be interesting to see whether he can build on that back over fences in cheekpieces and first-time hood.		
2	SWINGFORTHENCE (IRE) (50) 3/79768-U 5 11-10 74.4kg	s+t	78
	Jennie Candlish I. J. Power Made no impact in maiden/novice hurdles and fitting of cheekpieces failed to improve matters switched to handicaps in the spring. Unseated rider at the first on his return from a 4-month break last time. Will need to improve for switch to chasing.		
3	BROADWAY HONEY (IRE) (99) 8/53355-55 6 11-8 73.5kg		80
	Nigel & Willy Twiston-Davies Sam Twiston-Davies Showed a bit in maiden/novice hurdles but failed to make a serious impression in 4 outings in handicap hurdles, jumping less than fluently on a couple of occasions. Others preferred now chasing after 99-day break.		
4	IZZY'S GREY (IRE) (48) PPP6-4420 7 11-4 71.7kg	s+t	87
	Belinda Clarke Lee Edwards Is 0-16 over hurdles but went close to making a winning start in this sphere at Uttoxeter (3m) in June, some wayward jumping in the closing stages proving costly. Not in the same form when down the field there 11 days later, though.		
5	JO ARENGEOT BEY AA (FR) (13) P/646-1P23 7 11-2 70.8kg	v+t	 100
	Donald McCain Gavin Sheehan Belatedly opened his account under Rules in a Uttoxeter novice handicap in May. Quickly back to form when second there in July and shaped as if still in good heart despite a mixed round of jumping when third of 7 at Sedgefield (3¼m, good to firm) 13 days ago. This stronger headgear should suit.		
6	MAN OH MAN (IRE) (14) 72-592782 7 11-2 70.8kg	s	83
	Dean Summersby Bryan Carver Finished ahead of a couple of next-time-out winners when going close to breaking his duck over hurdles at Newton Abbot (2¼m) in late-June and was back to form when beaten just a length in a 6-runner event there (3¼m, good to firm) 14 days ago. Overall record is patchy but place claims on chase debut

11-10 Jo Arengeot Bey Aa, 7-2 Izzy's Grey, 13-2 Man Oh Man, 9-1 Kenzo Des Bruyeres, 12-1 Broadway Honey, 22-1 Swingforthence

TIMEFORM VIEW:

JO ARENGEOT BEY AA arrives here in decent heart and makes most appeal in a thin race. Izzy's Grey might pose the biggest threat if back to the form of his chase debut.

1	CREBILLY (IRE) (21) (D)	s	98
	5/68PS-142 9 12-0 76.2kg Jonjo & A.J. O'Neill		Harry Cobden
Finally capitalised on a falling mark over a trip looking a bare minimum for him nowadays over hurdles at Market Rasen (20.5f) in May. Went about things in laboured fashion when second in a 6-runner chase at Stratford (19f) 3 weeks ago and he might remain vulnerable to speedier rivals at the trip.			
2	SNIFE (IRE) (106)		96
	4871416-2 9 11-12 75.3kg Dan Skelton		Harry Skelton
Two hunter chase wins this year and also a creditable sixth in the Aintree Foxhunter in April. Plugged on into second in a 4-runner handicap chase at Newton Abbot when last seen and it would be no surprise if this acted as a pipe-opener after a 4-month break (down the field in this race last year).			
3	KARNAVAL POINT (FR) (10) (CD)	b	98
	461-13163 6 11-10 74.4kg David Pipe		Rian Corcoran (5lb/2kg)
Dual chase winner in France and matched that tally in 3 starts over fences for new yard this summer. Well held over hurdles next time but swiftly back to form reverted to chasing when third of 7 in handicap chase (8/1) at Cartmel (21f, good to soft) 10 days ago.			
4	GLEN TO GLEN (IRE) (26) (D)	s	99
	5710-SR1 4 11-6 72.6kg Nick Scholfield		Kielan Woods
Useful Flat performer who won a juvenile maiden hurdle at Cork (17f) in December for Joseph O'Brien. Overcame a mixed round of jumping to make a winning yard debut over fences at Perth in August (form reads well) and it's easy to overlook his recent Flat spin.			
5	YOUDECIDE (IRE) (13)	★	100
	2/F444P-11 6 10-9 67.6kg Ben Pauling		Ben Jones
Point/hurdles winner who, after 5 months off, opened his chase account with a clear-cut success at Stratford 2 weeks ago and made light of a 3-day turnaround to follow up in comfortable fashion at Fontwell (2¾m, good to firm). That form has already been franked and the hat-trick beckons.			

5 DECLARED RUNNERS

BETTING FORECAST:

5-2 Youdecide, 11-4 Crebilly, 9-2 Glen To Glen, 11-2 Snipe, 13-2 Karnaval Point

TIMEFORM VIEW:

YOUDECIDE jumped and travelled with plenty of fluency when scoring at Fontwell 13 days ago and he can take the step up in grade in his stride to complete the hat-trick. Glen To Glen is much respected on the strength of his winning stable debut at Perth, whilst Karnaval Point has had a good summer and also can't be ruled out.

BETTING FORECAST:

6-5 Delulu, 85-40 Spanish Darling, 7-1 Megatothemax, 14-1 Jaunty Trooper, 40-1 bar

TIMEFORM VIEW:

DELULU was unlucky not to make a winning start over C&D and she can make amends at the chief of expense of dual point winner Spanish Darling, who stayed on into third in that same race. Jaunty Trooper might prove best of the rest.

2	BILLY BUTCHER (IRE) (701) 64/ 8 11-4 71.7kg Dave Roberts Modest at best in bumpers and showed only poor form in 2 hurdling starts in 2024. Easy to oppose after lengthy absence.	75	Lewis Saunders (5lb/2kg)
3	BLUEY BAY (179) 550P- 6 11-4 71.7kg Martin Keighley Modest fifth in 2 bumpers and well held on 2m Lingfield hurdle debut. Pulled up over 3m at Chepstow when last seen in March and looks easy to oppose again.	70	James Best

5	LOCK STOCK (258) 220/229- 6 11-4 71.7kg Stuart Edmunds Runner-up on 2 of 3 bumper starts last winter and filled the same position on his first 2 hurdle outings in the autumn. 6	THEPASSINGCYCLONE (109) 56-U 6 11-4 71.7kg Dominic Ffrench Davis Showed some ability amidst greenness when rallying for fifth in 10-runner bumper at Chepstow on debut in January. 11	SAVANNA STORM (IRE) (18) 748 4 11-2 70.8kg David Pipe Settled better and showed a bit more than on bumper debut when third at Newton Abbot (17f, good to firm) in July but well beaten switched to hurdling over this C&D 18 days ago. Wears first-time hood.	79	Rian Corcoran (5lb/2kg)
12	SYTADEL (FR) 4 11-2 70.8kg Dan Skelton Decisive winner of an 11-runner maiden at Le Lion-d'Angers (1½m, good to soft) on his second outing on the Flat for Xavier Blanchet last May. 1	DAARIS (IRE) (13) 8 7 11-12 75.3kg Kevin & Lauren Frost Hasn't looked in much form this summer, latterly on belated return to hurdles at Sedgfield (17f). Significant step up in trip (fair stayer at his best on Flat) at least offers some hope of a revival.	s	88	Lee Edwards
2	CRAFTY GAEI (IRE) (22) (BF) 008-32 7 11-10 74.4kg Olly Murphy Ex-Irish recruit who again did all his best work at the finish behind a next-time-out winner here (2½m) last time. Step up in trip should suit, and he's taken to get off the mark on just his third start for the excellent Olly Murphy team.	s+t	100	Sean Bowen
3	BRIONYWELLS (16) (CD) 9048-1143 6 11-10 74.4kg David Killahena & Graeme McPherson Completed the first leg of a double when successful over C&D on return in May. Still in good heart when 12½ lengths third (behind a dominant Skelton improver) at Stratford (2¾m) latest. Expected to give another good account here.		97	Nick Slatter (3lb/1kg)
4	BUTCHERS BILL (100) 6/835F-P7P 6 11-4 71.7kg Anthony Day Well below his Irish form in 5 starts for current connections. Plenty to prove returning from 3 months off.	s	92	Isabelle Ryder (5lb/2kg)
5	FOREST SPIRIT (IRE) (18) 9753-2743 5 11-0 69.9kg Mickey Bowen Fair middle-distance winner on the Flat. Hasn't hit those heights over hurdles, though ran one of her better races when 3¾ lengths third (possibly unlucky not to finish closer) over 2½m here latest. Looks worth another go over this sort of trip and rates a serious danger if she stays.	s	99	James Bowen
6	ATHENA'S DREAM (13) 8674-2352 4 10-13 69.4kg Harriet Dickin Error-prone maiden who has run to a fairly consistent level in staying handicaps. No match for an eased-down winner when 10 lengths second of 5 at Fontwell (3¼m) latest. Change of headgear will need to sharpen up her jumping, if she's to be in the shake-up here.	v	97	Megan Bevan (7lb/3kg)
7	COULD BE YOU (IRE) (22) 3P0P9-F 6 10-13 69.4kg Neil Mulholland Placed both starts in Irish points. Set to fare no better than on handicap/stable debut when falling in 2½m handicap here on return (had breathing operation in interim). At least warrants a market check stepping up in trip on just his third start for capable yard.		97	Bradley Harris (3lb/1kg)
8	FRENCH DIABLO (FR) (16) (BF) 68-P31P 4 10-12 68.9kg Max Comley Lightly-raced 4-y-o. Form of July's breakthrough success at Stratford (2¾m) hasn't worked out, and he ran badly when bidding to follow up there 16 days ago.		97	David Bass
9	RAMAAH (67) 55P38-533 5 10-10 68.0kg Sarah-Jayne Davies Fair all-weather winner. Change of headgear has been the catalyst for his best couple of hurdle runs, travelling as well as any when 2¼ lengths third at Market Rasen (23f) 10 weeks ago. Needs more again in a better race here, though.	v	95	James Best
10	TIS BUT A SCRATCH (481) 2P957P/35- 10 10-6 66.2kg Georgie Howell Long-standing maiden. Followed one of his better efforts with a bad one at Utttoxeter in May last year. Easy enough to swerve on return from 16-month absence.	s	96	Tabitha Worsley

TIMEFORM VIEW:
CRAFTY GAEI hasn't been long with the Olly Murphy yard, and he may well go one better than at this course last month. Forest Spirit is a big danger if she stays, while it's hard to rule out C&D winner Brionywells in her current vein of form.

David Killahena & Graeme McPherson

Nick Slatter (3lb/1kg)

Ground-versatile sort who won 4 times around 2½m last season. Back in form when beaten 10½ lengths over a trip that perhaps stretched him at Stratford (3¼m) in April. Can go well after a break and is worth noting in the betting (often a market mover earlier in his career).

3

SWEET HONEY B (IRE) (22)

56-0 8 11-8 | 73.5kg

Clive Boulton-Brooks

Richie McLernon

Point winner who hasn't stood much racing since a promising maiden Rules season in 2023. Went with no promise following a further 7-month absence here (2m) latest, though step back up in trip/return to handicap can only benefit.

4

JESSIE JUMP JET (57)

P/383-2226 6 11-6 | 72.6kg

Samuel Drinkwater

Ben Poste

Made it a hat-trick of seconds when 6½ lengths behind a next-time-out winner at Market Rasen (23f) in June. Below-par effort back in maiden company at Uttoxeter since. Previous form gives her a chance if back on song returning from 8-week break in more severe headgear.

5

BERRY EDGE (IRE) (177)

5/5695313- 8 11-2 | 70.8kg

Dan Skelton 

Harry Skelton

Fair 3-time Flat winner. Decisively opened his hurdle account at Wetherby (soft) in February before matching that form on final start for David Thompson. Subsequently picked up by all-conquering Skelton team for £21,000 and looks very interesting returning on the back of a breathing operation.

6

HARRY GULLIVER (13) (D)

F0U138/56 8 10-10 | 68.0kg

Alex Hales

Bryan Carver

Opened his account in a soundly-run affair at Huntingdon (2½m) in October 2024. Showed plenty of ability remains both starts following a significant absence, a late blunder denying him third when beaten 12 lengths at Fontwell (2¼m) latest. Step back up in trip no issue and looks a likely candidate.

7

SWEET SERENE (188)

56/860751- 6 10-8 | 67.1kg

Georgie Howell

Tabitha Worsley

Finished last season on the up when belying 28/1 odds to get off the mark in mares handicap at Exeter (18.5f, soft) in March (yard's first success since October 2021). Hard to be bullish of a follow up faced with contrasting conditions on return from a 6-month absence.

8

AT SUNRISE (103)

9/7P-45 5 10-6 | 66.2kg

David Weston

James Davies

Lightly-raced maiden who only showed a bit when well-held fifth of 6 on qualifying run over C&D in late-May. Tough ask at the weights on handicap debut/return.

9

NOBLE RECALL (96) (D)

5/412254-P 7 10-3 | 64.9kg

Anthony Day

Isabelle Ryder (5lb/2kg) 

Got off the mark in a bottom-rung handicap hurdle at Southwell in May 2025. Only beaten by progressive ones when runner-up next 2 starts over C&D. No guarantee he's in the same form returning to hurdles, though, offering little on reappearance over fences 3 months ago.

10

COSMIC SPIRIT (22)

0809-07 4 10-2(9-11) | 64.4kg (62.1kg)

Ben Case

Mr Joseph Stevenson (7lb/3kg)

Poor maiden who again finished well beaten over C&D last time.

BETTING FORECAST:

7-2 Berry Edge, 9-2 Harry Gulliver, 9-2 Jessie Jump Jet, 8-1 Sweet Serene, 9-1 Getaway With You, 10-1 Sweet Honey B, 14-1 Flawless Clarity, 14-1 Noble Recall, 66-1 bar

TIMEFORM VIEW:

The vote goes to interesting stable-switcher BERRY EDGE. The dangers are headed by Harry Gulliver, who looks to have returned from an absence with plenty of ability still intact, with Jessie Jump Jet and Getaway With You others to consider.

Going: Good			TIMEFORM VIEW:		This may go the way of handicap debutant BATHARA, who hasn't fully convinced with his attitude to date, but looks potentially well treated on his bumper form. It'll be no surprise to see Sean Bowen get a tune out of Traveling Soldier, and he's feared most.
			TIMEFORM 1-2-3:		1. BATHARA 2. TRAVELING SOLDIER 3. IKIGAI STAR
			SMART STATS:		No Smart Stats available for this race
1	BATHARA (FR) (113) 4/12P4-3 5 12-0 76.2kg Jonjo & A.J. O'Neill <i>Jonjo O'Neill Jr.</i> Justified support to land a Warwick bumper last October. Showed more than previously over hurdles (also did plenty wrong) when 12½ lengths third on qualifying run at Warwick (19f) in May. Opening mark looks lenient on his bumper form, and he has leading claims if putting it all together on return.	t		100	
2	AMERICAN EMPIRE (IRE) (13) 3243-3375 6 11-8 73.5kg Donald McCain <i>Theo Gillard</i> Fair bumper winner who hasn't matched his placed maiden hurdle form in handicaps. Did make more impact than of late when beaten 10¼ lengths in first-time cheekpieces at Sedgefield (2½m) latest, however, still has stamina to prove over this longer trip. Engaged 3.30 Sedgefield Wednesday.	s+t		95	
3	IKIGAI STAR (IRE) (22) (D) 55533-P35 6 11-7 73.0kg Charlie Longsdon <i>David Bass</i> Tumbled in weights since winning 4-runner event at Huntingdon (2½m) in May last year. Looks in reasonable heart judged on his most recent couple of efforts in 23f handicaps here (for all the form of those races hardly looks robust). Considered from a slipping mark.			99	
4	TRAVELING SOLDIER (IRE) (50) 2123P-P32 8 11-3 71.2kg Olly Murphy <i>Sean Bowen</i> Sole success came in a poor novice chase at Market Rasen (17f, heavy) last summer. No match for a thriving one in a handicap chase over track/trip latest. On a fair mark for this rare hurdle start, though may need plenty of assistance from the saddle to capitalise.	v		97	
5	USYK (IRE) (60) 426-45R3 5 11-2 70.8kg Nigel & Willy Twiston-Davies <i>Miss Amber Jackson-Fennell (71lb/3kg)</i> Fair form in bumpers. Let down by his jumping/temperament over hurdles, well-beaten third of 5 in maiden at Stratford (2m) on qualifying run in late-June. Hard to be confident he'll improve for the switch to a handicap/longer trip.			91	
6	FARHH ECHO (IRE) (22) 540P880-P 5 10-11 68.5kg D. J. Jeffreys <i>Liam Harrison</i> Standout effort when fourth in 2m course maiden last summer. Ran no sort of race in first-time tongue strap on return here (23f) latest.	s+t		95	
7	DYNAMITE DEFENSE (IRE) (22) 6675-6U3P 5 10-7 66.7kg Sarah-Jayne Davies <i>James Best</i> Modest winner on Flat. Made slightly more impact than previously in this sphere when 12½ lengths third over C&D on penultimate start. Perhaps unsurprisingly failed to back that up (by a long chalk) here last time.	s		98	
8	BABYCHINO (IRE) (22) 773-P532P 4 10-5 65.8kg Alexander Gibbons <i>Fern O'Brien (51lb/2kg)</i> Relatively lightly-raced 4-y-o. Looked to be getting the hang of things with back-to-back places in novice handicaps at Uttoxeter/Stratford earlier this summer. Run of good form came to an abrupt halt when pulled up over C&D last time, though.	v		98	
9	INCA (FR) (100) 77/86-44 8 10-2 64.4kg Sophie Leech <i>Harry Reed</i> Runner-up in an Irish point. Hasn't got competitive under Rules, though, beaten 18¾ lengths on final start for Clare Hobson in early-June. Something to find at the weights on first start for new connections.			95
