**6 Bilbao Ace** crossed the finish line ahead of several opponents last time, but got disqualified. Could find the lead here and the horse to beat in front! Bike. **3 Staro Roseway** was second in the last V85 race and did really well. Needs some racing luck but is dangerous. **8 Madewithlove** has looked positive after a short layoff and will compete barefoot now. Early contender with the right trip. **7 Megan di Quattro** was beaten by Madewithlove and Bilbao Ace in the last race. Should not be overlooked here.

**3 Diskoteka** has been improved barefoot. Is in fine form and has a clearly better lane than the main rivals. Nice task and our pick! **11 Numa Mearas** has been racing from outside the leader in two races in a row and shown good strength. He is the least experienced horse in this field, but is getting better with each race. **10 Zäta Tornado** got a puncture sulky in the comeback and should be a bit sharper now. **4 Carnivore M.D.** races with an American bike this time.

**6 Ultimate Scotch** galloped with energy left in the last race. Going down a lot in class now and can do it tough. Good chance! **12 Explorer Grue** has not convinced of late but can do better and has shown good capacity for this race. Contender but needs some racing luck. **3 Kelvin Key** has scored a couple of good wins even though he has been competing against easier opponents. Bike and barefoot this time. Interesting. **1 Gone Fishing N.O.** is a bit up and down but has good capacity. Possible with the right journey.

**5 Lundåsens Affe** is very good for this class when he avoids a mistake. Will certainly get an offensive start and if he reaches the front he has a good chance. **8 Sörstormen Ö.K.** comes from victory and faces good conditions here. Can do it tough and is the main challenger to Lundåsens Affe. **11 Guli Black** should be considered too without a mistake. If he lives up to his capacity he will be in the mix together with Lilius. **7 Erga Spik** has got two runs under his belt after a short break and the form should be on the way up.
