**1 Rousson** has done really well recently and scored an impressive win in the last race. Perfect starting position and if he is in the mood he can open fast. Should have an excellent chance of winning. **10 Schuster** came back after a short layoff in the last race and scored a good win. It was in easier competition than he is up against this time. **9 Day To Make Love** has been consistent and good. Needs some luck from this number. **2 Tovarishch** has not won yet so far but is in good shape.

**2 Ravinas Rabagast** did really well in the last race as fourth despite galloping. Coming more and more and just like last time the horse will be driven by Hans Christian Holm. Should be considered. **3 Ais Frost** has been consistent and reliable lately. Clearly strong for this class, really good time last time and with a similar effort the horse will be in the mix. **14 Våler Lill** has impressed lately but faces tough conditions with a lot of handicaps here. **1 Vaksine** can get a perfect trip.

### V65-3

Auto 1600

## RANK

**6 Devils Tongue** has not been at his best lately, but he took a big step in the right direction in the last race when he finished second. If he builds on that performance, he should have a top chance as he faces easier opposition here. **8 Selmer I.H.** is a real horse of honor who always does his best. Is the main challenger. **9 Last Dying Breath** has good speed and capacity, but some luck is needed. **2 Black Paint** is a place bet.

### V65-4

Auto 2040

## RANK

**4 Haslehaugens Vår** has been very strong in two straight starts and is now chasing a third straight victory. Faces nice conditions and Marcus Totland Aadland has driven the horse well. Our pick. **11 Tyri Leo** is perhaps more speedy than our pick but has a worse starting position. Barefoot front now, which should normally be a clear advantage. **10 Teddy Faks** does well most of the time, but doesn't win very often. Maybe Dag-Sveinung Dalen has the solution? **2 Austvass Lykke** is possible too. Mainly a place bet.

**3 Octavio Schermer** comes with five straight wins. Getting stronger and strong, but the opposition is getting tougher too. So far, however, it doesn't seem like he's reached the top and from a perfect starting position he has a good chance again. **5 L.H.Cepheus** has been galloping lately but is a contender without a mistake. **12 Grand Safari** has not started that often lately, but is not bad. **9 Chiquitita Creation** needs over-pace to be in the mix.

Contender. **1 Enjoy Beaufort** has an interesting draw here as the only horse in the first circle. **7 Bombus Jet** has shown really good shape lately.
