RACE 1

JOHN SMITH'S NURSERY HANDICAP (4) 2yo (Rated 0-85)
£25,000 6f (1210 Metres)

Going: **Good to Firm (Good in places)**

Left handed, flat. In essence, York is a very fair track, ideal for the long-striding galloper. In recent seasons, the field tends to come more down the centre of the track than has historically been the case, particularly if conditions are testing. The track was made into a circuit in 2005 and offers a straight five furlong/six furlong track, on which a high draw has been a distinct disadvantage in recent years, while seven furlong races start on a chute.

Draw: **Favours Low** Pace Information: **Strong**

13

SUPER TUSCAN (IRE) (14) (D)
541 2 9-9 | 61.2kg
Rob Hornby
Transformed by gelding operation when winning an 8-runner novice over 6f at Chepstow 14 days ago, quickening clear. Makes nursery debut with scope for further progress and is one to take very seriously.

28

BIG CIGAR (IRE) (42) (D)
15 2 9-9 | 61.2kg
Oisin James Orr
Won first time up over this trip on all-weather in May. Only matched that level when fifth of 9 in a conditions race dropped in trip at Beverley later that month, but looks sure to be suited by the return to 6f for this nursery debut and could get back to winning ways here.

31

DUBAI CHAMPION (IRE) (24)
431 2 9-8 | 60.8kg
Andrew Mullen
Made it third time lucky when winning a 6-runner maiden at Hamilton by 3¼ lengths 24 days ago, keeping going well. Now makes nursery debut with the step up to 6f likely to prove right up his street so he's open to further progress and looks sure to be in the mix.

42

FURTURRA (14) (D)
47231212 2 9-7 | 60.3kg
S. B. Kirrane
Progressed from sellers when winning novice at Redcar 21 days ago then was second of 11 over C&D 14 days ago. Bags of experience on his side for nursery debut and looks set to give his running, though obviously may prove vulnerable to less-exposed rivals.

57

BALLISTY (IRE) (25) (BF)
323 2 9-1 | 57.6kg
Jason Hart
Ran to a similar level when placed all 3 starts to date, including when third of 9 to subsequent winner at Wolverhampton on all-weather debut 25 days ago. Makes nursery debut back on turf with progress required.

65

BOLETO (IRE) (24) (D)
10 2 9-1 | 57.6kg
Rossa Ryan
Won on debut in a maiden at Pontefract in June but wasn't up to better company when 19th of 25 in Windsor Castle Stakes (listed) at Ascot 24 days ago. Now makes nursery debut on just third outing with more required.

74

SOCIAL SPIRIT (17) (BF)
356 2 9-0 | 57.2kg
Billy Garritty
Shaped with promise a couple of times prior to disappointing as favourite when sixth of 11 in a maiden over 7f at Carlisle 17 days ago. Now drops back in trip for nursery debut but has a bit to prove after not looking an easy ride last time.

86

RBFLYING (IRE) (14)
653 2 8-13 | 56.7kg
Ben Robinson
Suited by step up to this trip when third of 11 in a novice over C&D 14 days ago, finishing behind Furturra on that occasion. Now makes nursery debut with further progress required.

99

BRANDENBURG (68)
01 2 8-9 | 54.9kg
Joanna Mason
Much improved when winning 5f maiden at Beverley in May for Stephen Hanlon, but that wasn't a strong contest and plenty more looks required stepping up in trip on nursery debut for a new yard.

9 DECLARED RUNNERS

BETTING FORECAST:

7-2 Super Tuscan, **5-1** Big Cigar, **11-2** Dubai Champion, **15-2** Furturra, **9-1** Ballisty, **10-1** Boleto, **12-1** Social Spirit, **16-1** Brandenburg, **18-1** Rbflying

TIMEFORM VIEW:

BIG CIGAR was a winner at this trip on debut and looked to find 5f too sharp last time so he's still got plenty of potential and can resume winning ways on nursery bow. Super Tuscan looked a different proposition after being gelded recently and can continue his progression, while Dubai Champion is another who can be competitive with the step up in trip set to suit.

JOHN SMITH'S RACING HANDICAP (2) 3yo+ (Rated 0-105)
£45,000 7f192y (1580 Metres)

Going: **Good to Firm (Good in places)**

Left handed, flat. In essence, York is a very fair track, ideal for the long-striding galloper. In recent seasons, the field tends to come more down the centre of the track than has historically been the case, particularly if conditions are testing. The track was made into a circuit in 2005 and offers a straight five furlong/six furlong track, on which a high draw has been a distinct disadvantage in recent years, while seven furlong races start on a chute.

Draw: **Against High** Pace Information: **Strong**

1	1	DAVID OF ATHENS (USA) (105) (D)	92
	51964-110	4 10-2 64.4kg	
	Hamad Al Jehani	<i>Pierre-Louis Jamin</i>	
	Useful colt who landed a double in Group 2 Jebel Ali Mile in February. Clearly didn't give his running (found to have bled) in Group 2 Godolphin Mile the following month. Has been given time to get over that (also been gelded), but he faces no easy task at the weights on handicap/turf debut.		
2	9	CERULEAN BAY (IRE) (24) (D)	99
	21103-425	5 10-2 62.1kg	
	David O'Meara	<i>Daniel Tudhope</i>	
	Winner of back-to-back Goodwood handicaps last autumn. Even better this year with narrow second in valuable C&D handicap before shaping well to finish fifth (second home in group) in Royal Hunt Cup at Ascot. Similar performance should see him go close.		
3	7	CHECKANDCHALLENGE (24) (D)	97
	43639-060	7 9-11 62.1kg	
	William Knight	<i>Rossa Ryan</i>	
	On a long losing run since his success in listed race at Newmarket in November 2023. Has proven he can be competitive in top-end handicaps, though, beaten just over 4 lengths following a very slow start in the Royal Hunt Cup last time.		
4	13	COSI BELLO (23)	96
	1124-10	4 9-8 60.8kg	
	Charlie Fellowes	<i>Paddy Bradley</i>	
	Lightly-raced sort who started his career 2-2 in all-weather events. Capped fine 3-y-o season with fourth in strong 1m Ascot handicap prior to notching third 7f success at Haydock on return. Failed to get competitive in the Buckingham Palace (7f) latest. Unexposed stepping back up in trip, though.		
5	10	APIARIST (IRE) (23) (C, D)	100
	03-413060	5 9-8 60.8kg	
	Kevin Ryan	<i>Tom Eaves</i>	
	Prolific all-weather scorer whose sole turf success came here (7f). Typically travelled strongly when eye-catching sixth in Thirsk Hunt Cup in May. Underlined he's a hostage to fortune when hampered in Buckingham Palace last time, but has a valuable turf handicap in him if getting the breaks.		
6	5	TUSCAN HILLS (FR) (22) (D)	87
	11/706-00	4 9-7 60.3kg	
	Nigel Tinkler	<i>Rob Hornby</i>	
	Useful juvenile (2-2). Highly tried/no impact in a variety of events for Robson De Aguiar, latterly finishing down the field in the Duke Of Edinburgh (1½m) at Royal Ascot. This doesn't look much easier on first start for new stable.		
7	4	THE LOST KING (23)	99
	30-121340	4 9-7 60.3kg	
	Andrew Balding	<i>P. J. McDonald</i>	
	Caught the eye in the Britannia last season. Back on the up with pair of all-weather wins before translating that form to turf with solid fourth in this grade at Newmarket. Caught in an unfavourable position in Buckingham Palace latest, but he's expected to make much more of an impact here.		
8	6	KHAFIZ (IRE) (35)	95
	11793-500	4 9-5 59.4kg	
	Roger Fell	<i>Oisin James Orr</i>	
	Twice a winner in novice company over 7f for Roger Varian. Went wrong way for Ed Bethell following promising fifth behind Cosi Bello at Haydock. Mid-season trainer change hardly looks a positive, either.		
9	11	FIRST PRINCIPLE (47) (D)	97
	812-21006	4 9-4 59.0kg	
	William Haggas	<i>Jason Hart</i>	
	Forward-going type whose progress has halted since winning at Wolverhampton in the spring. Attitude again looked questionable at Windsor (1¼m) on latest start, and he's certainly worth a go in first-time cheekpieces.		
10	12	MR SWIVELL (16) (D)	98
	21820-704	5 9-1 57.6kg	
	Kevin Philippart de Foy	<i>Ray Dawson</i>	
	Won 3 times and finished runner-up in an ultra-competitive Ascot handicap during a fine 2025. Did well to run to a similar level (pulled hard) when fourth in a solid-looking Newcastle handicap last time. That could well be a springboard for another bold show.		

11	8	BRAGBOR (36) (D)	96
	13224-770	5 8-11 55.8kg	
	Richard & Peter Fahey	<i>Warren Fentiman (3lb/1kg)</i>	
	Winner twice on the all-weather at Newcastle last year. Ran creditably without hitting those heights on turf debut at Chester (1¼m). Didn't handle the undulations of Epsom last time, but he still has something to find at the weights.		
12	3	NEW IMAGE (22) (D)	97
	d9/86-3057	6 8-11 55.8kg	
	David O'Meara	<i>Mason Paetel (5lb/2kg)</i>	
	Clearly hasn't been the easiest to train since a progressive 2024. Record this season has been patchy, and it's hard to be confident that he'll capitalise on a falling mark. Stable jockey rides Cerulean Bay.		
13	2	GENTLE GEORGE (22)	92
	6116-00	3 8-8 54.4kg	
	R. Mike Smith	<i>Cam Hardie</i>	
	Looked a useful prospect for Michael Appleby when winning sprint events at Sandown/Haydock last September. Well held both starts for current yard. Will at least benefit from return to further having struggled in Palace Of Holyroodhouse at Royal Ascot (5f) latest.

BETTING FORECAST:

7-2 Cerulean Bay, 11-2 Cosi Bello, 15-2 Apiarist, 10-1 The Lost King, 12-1 Mr Swivell, 14-1 First Principle, 16-1 Checkandchallenge, 16-1 David of Athens, 20-1 New Image, 20-1 Tuscan Hills, 28-1 Khafiz, 33-1 Bragbor, 50-1 bar

TIMEFORM VIEW:

APIARIST looks well worth another chance to confirm the promise of his Thirsk Hunt Cup run. He's taken to record a second success at this track, with likeable top-end handicapper Cerulean Bay feared most. Cosi Bello, The Lost King, and Mr Swivell are others to consider in a competitive event.

The track was made into a circuit in 2005 and offers a straight five furlong/six furlong track, on which a high draw has been a distinct disadvantage in recent years, while seven furlong races start on a chute.

Draw: **Against High** Pace Information: **Very Strong**

1	7	WASHINGTON HEIGHTS (42) (CD)	97
	37100-081	6 9-4 59.0kg	Tom Eaves
Smart sprinter who won this race last year and got back on track with victory in 8-runner listed race at Carlisle (5f, good, 11/2) 42 days ago. Has to concede weight all round but should go well again at this level.			
2	15	AMERICAN AFFAIR (25) (CD)	98
	0/1151-020	6 9-1 57.6kg	Paul Mulrennan
Very likeable sprinter who improved again last season, winning 3 of his 4 starts. Came on plenty for reappearance when second in Temple Stakes at Haydock but was too free when last of 26 in King Charles at Royal Ascot last time. Capable of bouncing back but is drawn widest of all.			
3	10	JM JUNGLE (IRE) (25) (CD)	98
	23160-490	6 9-1 57.6kg	Jason Hart
Made the leap from handicaps to pattern company last season, winning the King George at Goodwood. Turned in his best effort of this season when eleventh of 26 in King Charles III Stakes (80/1) at Royal Ascot (5f, good to firm) 25 days ago and definite possibilities if building on that run.			
4	14	LEXINGTON BLITZ (IRE) (35) (D)	93
	22219-313	4 9-1 57.6kg	Lewis Edmunds
Robert Cowell Built on an encouraging return with a career-best victory in an 11-runner handicap at Goodwood (5f, good) in May. Ran at least as well in defeat from a 9 lb higher mark in the Epsom Dash and his style should be well suited to this track, though stall 14 might not be ideal.			
5	13	REDORANGE (42) (D, BF)	98
	43287-814	4 9-1 57.6kg	P. J. McDonald
Had a solid 2025 and built on an encouraging return over C&D at the Dante Meeting when scoring in ready fashion in a 9-runner Windsor handicap (5f, good to firm) later that month. Not at his best back up in grade behind Washington Heights at Carlisle latest but given a break since.			
6	1	STARLUST (25) (CD)	92
	3910/74-60	5 9-1 57.6kg	Rossa Ryan
Finished a respectable fourth in the King Charles III Stakes at Royal Ascot in 2025 but has offered little on both runs back this season, including in latest renewal of aforementioned race, acknowledging he was rather caught in no-man's land from his low draw early on. First-time visor fitted.			
7	5	AZURE ANGEL (25) (D)	93
	3881-6150	6 8-13 56.7kg	Daniel Tudhope
Bounced back to her best when resuming winning ways in 5f listed event Bath in April. Has run as well as entitled to in stronger company subsequently, including when twelfth of 26 in King Charles III Stakes at Royal Ascot (5f) latest. Should give her running but likely to be vulnerable again.			
8	3	DICKENSIAN (22) (CD)	91
	162333-10	3 8-13 56.7kg	Shane Gray
Useful juvenile who signed off with a good third in Flying Childers at Doncaster (5f) and advanced his form when reappearing with victory in C&D listed race. Not seen to best effect tackling handicap company for the first time at Royal Ascot and better judged on previous form.			
9	2	ASPECT ISLAND (22)	91
	2133-7300	3 8-10 55.3kg	Joanna Mason
Placed at listed level against fellow 3-y-os (including Dickensian) over C&D in May but has struggled both starts in Group 1 company at Royal Ascot subsequently. Cheekpieces on for 1st time and should benefit from a return to calmer waters.			

10	4	HEAVENLY HEATHER (25) (D)	100
	1-1525426	5 8-10 55.3kg	Barry McHugh
Progressive in handicaps, running a cracker when second of 12 to at the Dante Meeting and seemed to excel herself at the highest level when 1½ lengths sixth in King Charles III Stakes at Royal Ascot (5f) 25 days ago. Obvious chance if backing that up.			
11	6	LUNA A INBHIR NIS (7) (CD)	97
	1325-0362	4 8-10 55.3kg	Ray Dawson
Most progressive at 3 yrs as she racked up 5 handicap victories and has upped her game further this season, producing a decidedly useful effort when second of 9 in Sprint Stakes at Sandown (5f, good to firm, 18/1) last week. In the mix with a repeat.			
12	11	MILITARY CODE (28) (D)	94
	110272-7	3 8-10 55.3kg	Connor Planas
Dual 5f novice winner last year and also a close second in listed races at Sandown and over C&D later in the campaign. Needs to bounce back from a below-par display at Sandown on reappearance, though.			
13	9	MISS ATTITUDE (25) (D)	99
	2710-7458	6 8-10 55.3kg	Rob Hornby
Better than ever when landing listed race at Deauville in August and returned to a similar level when eighth of 26 in Group 1 King Charles III Stakes at Royal Ascot (5f, good to firm) 25 days ago, nearest finish. Merits consideration back down in grade.			
14	12	NAANA'S SHADOW (IRE) (14) (CD)	95
	221-61311	3 8-5 53.1kg	Andrew Mullen
Speedy sort who is progressing well, making it 3 wins from her last 4 starts in handicaps over C&D (good to firm) 2 weeks ago. Ceiling may not yet have been reached and well worth a shot at this higher level.			
15	8	REVIVAL POWER (IRE) (22) (CD)	95
	102115-70	3 8-5 53.1kg	James Sullivan
A three-time 5f winner at 2 yrs, making all in C&D listed race and Flying Childers at Doncaster for last 2 successes. Easy to back and shaped as if needing the run over C&D on reappearance in May but produced a laboured effort switched to a handicap at Royal Ascot last time.

BETTING FORECAST:

TIMEFORM VIEW:

HEAVENLY HEATHER, a progressive handicapper, excelled herself upped markedly in grade when sixth of 26 in the King Charles III Stakes at Royal Ascot and is well worth the chance to confirm that was no fluke back down in grade. Las year's winner Washington Heights must concede weight all round but is expected to go well again at this level, while Redorange appeals as the type to bounce back from a lesser effort following a short break. 3-y-o Naana's Shadow is another interesting contender.

		135-21312	4	9-12 62.6kg	
		Andrew Balding		<i>P. J. McDonald</i>	
Better than ever since switching to front-running tactics, winning over 1¼m at Chelmsford and Chester. Posted another very good effort with second of 16 in handicap at Epsom (1¼m) last time. That form is working out well so he's a player off an unchanged mark.					
2	9	WARRANT HOLDER (IRE) (22) (CD)		t	99
		21231-12	4	9-12 62.6kg	
		John & Thady Gosden		<i>Robert Havlin</i>	
Much improved on the back of being gelded this season, returning with C&D win before an excellent second of 17 in Duke Of Edinburgh at Royal Ascot (1½m) 22 days ago. Finished clear of rest there so merits serious consideration off the same mark.					
3	13	YABHER (70) (D)			97
		5/892101-1	4	9-11 62.1kg	
		William Haggas		<i>Jason Hart</i>	
Low-mileage son of Sea The Stars who resumed from 7 months off with an easy all-the-way success in 12-runner handicap at Newmarket (1½m) in May. Hiked up 12 lb but open to further progress and merits serious consideration for top yard.

		01640-720	5	9-10 61.7kg	
		K. R. Burke		<i>Shane Gray</i>	
Scored over C&D last May and posted another good effort over C&D with second in 15-runner handicap in May. Not discredited when in midfield in Royal Hunt Cup at Royal Ascot (1m) since so not out of things back up in trip.					
5	3	DANGER BAY (IRE) (47) (D)			97
		2/3119-1	4	9-9 61.2kg	
		Edward Bethell		<i>Daniel Tudhope</i>	
Lightly-raced son of New Bay who advanced his form on his reappearance with impressive victory in Zetland Gold Cup at Redcar (1¼m) in May. Up 8 lb but he's firmly in the picture with more to come.					
6	2	WILL SCARLET (5lb/2kg ex) (16) (D)		s	95
		1-0425191	5	9-9 61.2kg	
		Simon & Ed Crisford		<i>Mason Paetel (5lb/2kg)</i>	
A multiple ex-French scorer who made it two wins in his last 3 runs for current yard in 9-runner handicap at Newcastle (1¼m) 16 days ago. Not taken lightly under a 5 lb penalty.					
7	1	HAND OF GOD (57) (D)			98
		11/960-71	5	9-8 60.8kg	
		Harry Charlton		<i>Lewis Edmunds</i>	
Smart winner at Royal Ascot in 2024. Had a disappointing 2025 but right back on song when resuming winning ways at Newbury (1¼m) 21 days ago. Can't be ruled out despite a 5 lb weights rise.					
8	6	QUAI DE BETHUNE (FR) (36) (D)		h	97
		3/14631-6	4	9-7 60.3kg	
		Hamad Al Jehani		<i>Rob Hornby</i>	
Signed off for Andrew Balding with victory in 1¼m Golden Gates at Royal Ascot last June. Changed hands for 775,000 guineas (also gelded) and shaped encouragingly with sixth of 16 in handicap at Epsom (1¼m) on his return last month. Hood added. Very much one to consider with that run under his belt.					
9	21	DAIN MA NUT IN (IRE) (142) (CD)			90
		961180-17	5	9-6 59.9kg	
		Lucinda Russell & Michael Scudamore		<i>Tom Eaves</i>	
C&D winner last August. Kickstarted 2026 with win at Sakhir in January but only seventh of 10 in listed race there (11f) following month. Freshened up since but others look better treated at these weights.					
10	17	AULD TOON LOON (IRE) (36) (D)		t	94
		3/2001-837	7	9-4 59.0kg	
		Tom Dascombe		<i>Pierre-Louis Jamin</i>	
Posted a good third at Windsor in May and not seen to best effect when seventh of 16 in handicap at Epsom (1¼m) following month when left with a lot to do. No forlorn hope.					

11	14	RAAMMEE (28)		h	 100

		Roger Varian		<i>Ray Dawson</i>	
Looked a smart prospect when winning pair of 1m all-weather novices last autumn. All the better for his reappearance fourth when an excellent second of 12 in handicap at Sandown (1m) 4 weeks ago. Hood is retained and big shout off same mark with this step up in trip also a likely plus.

		Mrs J. Harrington, Ireland		<i>Oisin James Orr</i>	
Ended 2025 with a pair of 1m/1¼m wins and has continued on the up this season, third of 20 in handicap at the Curragh (1¼m) last time. This Irish challenger shouldn't be underestimated.

		6214-5150	6	9-1 57.6kg	
		Richard & Peter Fahey		<i>Billy Garritty</i>	
Resumed winning ways at Pontefract in April but turned in a rare below-par effort when twelfth of 16 in handicap at Epsom (1¼m) last time. The sort to bounce back.

		5337160-5	9	9-0 57.2kg	
		Ed Walker		<i>Paul Mulrennan</i>	
Landed a useful handicap at Doncaster last September and made an encouraging return from 8 months off when fifth of 16 in handicap over C&D 29 days ago. Can take a step forward here.

Advanced his form of late, gaining a second success in his last 3 runs in 12-runner handicap at Newmarket (1½m) a week ago. Not out of things under a 5 lb penalty.					
16	15	SPELL MASTER (22)			98
		424/301-83	4	8-10 55.3kg	
		Oli Rix		<i>Jonny Peate</i>	
Ended a light 2025 campaign with success at Newcastle (7f) in October for Andrew Balding/. Changed hands for 150,000 gns thereafter and took his form up a notch with third of 13 in handicap at Newmarket (1m) 22 days ago. Considered on his first go over this longer trip.

		Richard & Peter Fahey		<i>Barry McHugh</i>	
Dual winner for Karl Burke in 2024/25. In excellent form for his current yard, hooded when second of 16 in handicap over C&D last time. This keen-going sort enters calculations off the same mark.

German 1m maiden winner for Andreas Schutz in 2025. Looked a different model when successful on second start for current yard at Hamilton (9f) in May. Backed that up with a good third of 10 in handicap at Ayr (1m) 6 days ago. Possibilities.

22 DECLARED RUNNERS

BETTING FORECAST:

6-1 Raammee, 6-1 Warrant Holder, 7-1 Yabher, 9-1 Danger Bay, 10-1 Hand of God, 16-1 Respond, 20-1 Castle Stuart, 20-1 Altareq, 25-1 Will Scarlet, 28-1 Sportingsilvermine, 33-1 Spell Master, 40-1 bar

TIMEFORM VIEW:

Roger Varian's lightly-raced RAAMMEE rates just the pick of the weights on the back of an excellent Sandown second and with this step up in trip also rating a positive, he looks the way to go in a cracking John Smith's Cup. Both Warrant Holder and Yabher also look to have better days ahead of them and rate major threats. Respond, Danger Bay and Quai De Bethune also warrant plenty of respect in this wide-open contest.

RACE 5

Going: **Good to Firm (Good in places)**

Left handed, flat. In essence, York is a very fair track, ideal for the long-striding galloper. In recent seasons, the field tends to come more down the centre of the track than has historically been the case, particularly if conditions are testing. The track was made into a circuit in 2005 and offers a straight five furlong/six furlong track, on which a high draw has been a distinct disadvantage in recent years, while seven furlong races start on a chute.

Draw: **N/A** Pace Information: **Weak**

1	9	ROCK N ROLL PINKIE (14) (CD)		93
		1326-2455 6 9-11 62.1kg Ivan Furtado <i>David Nolan</i> Steadily progressive handicapper who hit the target 3 times last season, including twice over C&D. Sound-enough start to this season, faring about as well as could be expected in Group 3 Bronte Cup over 1¼m here in May. Falsely-run race against her over that C&D 2 weeks ago so forgiven that.		
2	10	SECRET FORCE (IRE) (20) (D)	v+t	95
		6/461-431 4 9-7 60.3kg Adrian Keatley <i>M. P. Sheehy</i> Flat/hurdles winner during the winter in Ireland for Gavin Cromwell and cemented a very solid start for this yard when landing 5-runner handicap at Pontefract 3 weeks ago. Value for a bit extra given how that race panned out so he needs considering up 4 lb.		
3	3	CRUDEN (29) (D, BF)	s	100
		008/2-5252 5 9-7 60.3kg Dan Horsford <i>Rossa Ryan</i> On a losing run but he comes here in excellent nick, better than ever when finding only a rejuvenated rival too strong in 1¼m handicap at Goodwood 4 weeks ago, clear of the rest. Return to 2m in his favour so major claims from the same mark.		
4	6	TROJAN SUN (17) (D)	s	96
		109-93816 6 9-3 58.5kg Jim Goldie <i>Paul Mulrennan</i> Successful 4 times in 2025 and benefited from a drop back in grade this season when winning over 1¼m at Carlisle last month. Combination of 5 lb penalty, drop to 11f and a better race found him out back there 17 days ago.		
5	8	TREASURE ISLANDS (14) (D)		96
		5-4812310 4 9-1 57.6kg Tim Easterby <i>S. B. Kirrane</i> Off the mark at Ripon (2m) in April and capitalised on drop in grade in 4-runner handicap at Catterick last month. Enjoyed the run of the race on that occasion and found the going tougher when mid-field under a penalty at Newcastle 2 weeks ago.		
6	11	VALLEY OF FLOWERS (IRE) (7) (D)		98
		443-67241 8 9-0 57.2kg Samantha & Jacqueline Coward <i>Joanna Mason</i> Ended losing run dating back to 2023 when a smooth winner at Carlisle (11f) last week, eased near the line and value for a bit extra. 5 lb rise is fair enough given manner of that success and she stays 2m well, so is one to consider.		
7	7	TERRORISE (14) (CD)	t	87
		51060-006 5 8-13 56.7kg Brian Ellison <i>Ben Robinson</i> Hurdles scorer last May and ran out an emphatic winner of this race a year ago. Ended 2025 with a poor run at this venue and continued out of sorts this season, including in a visor 2 weeks ago. Tongue strap now applied.		
8	2	COSMIC SOUL (IRE) (169) (D, BF)	t	97
		2221434-1 6 8-10 55.3kg Patrick Neville <i>Andrew Mullen</i> Flat winner over this trip at Carlisle a year ago and in excellent form over hurdles this spring, completing a cross-code 4-timer (all hurdles wins at Sedgfield). Heavy defeat away from that venue at Perth a month ago but he can be a factor back on the level.		
9	4	DIVISION DAY (36) (BF)		94
		3465112-1 4 8-8 54.4kg Brian Ellison <i>Warren Fentiman (3lb/1kg)</i> Back-to-back Flat winner during the autumn and in good nick over hurdles this winter too, second at Sedgfield in February. Stuck to his task well when adding to tally on the level (1¼m) at Doncaster last month but must cast aside a disappointing performance at Worcester.		
10	1	FURHAAN (14)		96
		9415-0975 4 8-6 53.5kg Jim Goldie <i>Lauren Young (5lb/2kg)</i> Made a winning handicap debut at Windsor (11.5f) in September for Ed Walker before leaving yard for 32,000 gns after next outing. Yet to fully hit his stride for current connections but he's unexposed over 2m.

Cam Hardie
Won over hurdles in March and found the trip inadequate when down field over 1¼m returned to the Flat here 29 days ago. Should strip fitter for that outing and be suited by a return to this trip, but this is a better race than she need contest. Engaged 5.40 here Friday.

11 DECLARED RUNNERS

BETTING FORECAST:

4-1 Cruden, 5-1 Secret Force, 11-2 Valley of Flowers, 15-2 Treasure Islands, 10-1 Division Day, 14-1 Cosmic Soul, 14-1 Rock N Roll Pinkie, 18-1 Furhaan, 20-1 Queen Roslyn, 25-1 Terrorise, 28-1 Trojan Sun

TIMEFORM VIEW:

CRUDEN has been knocking on the door for his up-and-coming stable, just about better than ever when second at Goodwood 4 weeks ago. He's perhaps a shade fortunate to be left on the same mark given the distance back to the rest so is taken to cash in. Secret Force was value for extra at Pontefract last time so he demands respect, with Valley of Flowers another in-form rival to consider.

1	6	ARABIAN FORCE (IRE) (56)	t	98
	117233-23	4 9-0 57.2kg	William Haggas	<i>Jason Hart</i>
Progressed well last season, his best effort when third in the Great Voltigeur here. Creditable second in listed race at Longchamp on return, before bumping into a pair of top-level performers in the Aston Park Stakes at Newbury (1½m). Interesting back up in trip with tongue strap added				
2	1	DUKE OF OXFORD (44)	t	96
	30051-157	6 9-0 57.2kg	Michael Bell	<i>Rob Hornby</i>
Proved better than ever when winning 2m handicaps at Kempton and Newcastle at the turn of the year. However, making a rare start on turf he faced a stiff task when last of 7 in Henry II Stakes at Sandown in May. Still has something to find here.				
3	5	EPIC POET (IRE) (28) (D)		99
	02-255346	7 9-0 57.2kg	David O'Meara	<i>Daniel Tudhope</i>
Smart hold-up performer who posted a good third in the Yorkshire Cup over C&D in May, before meeting trouble when fourth of 7 in Henry II Stakes at Sandown. Rare poor effort in listed race won by Gregory here last time, but no surprise to see him bounce back.				
4	3	MOUNT ATLAS (28) (BF)		99
	51924-223	5 9-0 57.2kg	Andrew Balding	<i>P. J. McDonald</i>
Developed into a smart performer last year, winning a 1½m Ascot handicap in July. Has now made the frame at listed/Group 3 level on his last 5 starts, again giving his running when ½-length third of 6 to Gregory in listed race over this C&D in June. Not taken lightly.				
5	2	TABLETALK (IRE) (28) (CD)		100
	22632-252	5 9-0 57.2kg	Tom Clover	<i>Rossa Ryan</i>
Landed the Melrose over C&D in 2024 and did well in pattern company last season despite not managing to win. Soon bounced back from a lesser effort when neck second of 6 to Gregory in listed race here last time and he could be ready to get back to winning ways.				
6	4	PEACE BELLE (13)		66
	4	5 8-11 55.8kg	Jennie Candlish	<i>William Pyle</i>
Fair form when winning the first of her 3 starts in bumpers. Offered something to work on making Flat debut when fourth of 11 in maiden at Wolverhampton (9.5f) 13 days ago, though looks to be up against it in this contest.				

6 DECLARED RUNNERS

BETTING FORECAST:

13-8 Mount Atlas, 2-1 Tabletalk, 5-1 Arabian Force, 8-1 Epic Poet, 18-1 Duke of Oxford, 66-1 bar

TIMEFORM VIEW:

TABLETALK has proved as good as ever with his 2 runner-up finishes this year, going close in the Grand Cup over C&D last month, and he can build on his latest effort to go one better. He is taken to confirm the placings with Mount Atlas from when the pair met here 28 days ago, while Arabian Force could still have more to offer over this trip.

Left handed, flat. In essence, York is a very fair track, ideal for the long-striding galloper. In recent seasons, the field tends to come more down the centre of the track than has historically been the case, particularly if conditions are testing. The track was made into a circuit in 2005 and offers a straight five furlong/six furlong track, on which a high draw has been a distinct disadvantage in recent years, while seven furlong races start on a chute.

1	20	YES I'M MALI (7) (CD)		97
	3-0172502	4 9-10 61.7kg	Daniel Tudhope	
Has made a positive start for yard which gets the very best out of this type. Good second of 10 at Newmarket (6f, good to firm) last Saturday. Enters calculations under Tudhope.				
2	4	BETTIES BAY (29) (D, BF)		100
	05/111124	5 9-9 61.2kg	Mason Paetel (5lb/2kg)	
Yet another to be transformed by the switch to James Owen, winning first 4 starts for the stable. Even better form when second at Doncaster (6f, firm) last month and possibly unsuited by softer ground when fourth at Sandown (5f, good to soft) latest. Given another chance back on a firmer surface.				
3	15	GLORY HYDE (IRE) (24) (D)		96
	0-5015111	5 9-8 60.8kg	Joanna Mason	
Right at the top of her game at present, making it 4 wins in last 5 starts when cosily seeing off 5 rivals at Ripon (6f, good to firm) 24 days ago. This is a lot more competitive but she has to be respected in her current mood.				
4	3	JUAN LES PINS (10) (D, BF)		97
	02121329	9 9-8 60.8kg	Robert Havlin	
Won on all-weather at Newcastle (5f) and turf at Thirk (6f, good to soft) in the spring. Also placed at Newbury and Ascot in April/May but run of good form came to a halt at Thirk last time.				
5	12	ALMARADA PRINCE (IRE) (28) (D)		98
	002-86663	5 9-7 60.3kg	David Nolan	
Has a career-low mark and latest C&D third of 21 suggests his turn may be near again. On the shortlist.				
6	5	HAVANA RUM (IRE) (10) (D)		97
	136-26953	6 9-7 60.3kg	Warren Fentiman (3lb/1kg)	
Dual winner in 2025 and good second at Pontefract (5f) on this season's return. Hasn't built on that since, with latest Epsom third only respectable.				
7	19	FIRST FOLIO (44) (CD)		97
	263276-46	8 9-7 60.3kg	T. Kiely-Marshall (5lb/2kg)	
C&D winner. Twelve runs since last win in 2024. Failed to build on reappearance when sixth of 8 in handicap at Yarmouth (6f, good to firm) 44 days ago. Has had a breathing operation since.				
8	17	RUBY RED GOVE (15) (D)		96
	7-2413613	4 9-6 59.9kg	Jonny Peate	
Low-mileage Showcasing filly. Bagged a second win on her turf debut in 8-runner handicap at Pontefract (6f) last month. Creditable third of 8 at Doncaster (6f, firm) since.				
9	9	ALPHA MAGIC (26) (D)		97
	1/3010-480	4 9-6 59.9kg	Billy Garritty	
Successful on second handicap start at Hamilton (6f) last season but has threatened only once in his 4 outings since. Falling in the weights but others are more obvious.				
10	13	WRECK IT RILEY (IRE) (14) (D)	v	97
	0-9148389	6 9-6 59.9kg	Ray Dawson	
Landed a big gamble on second start back at Leicester (6f, good) in April. Creditable third of 12 at Doncaster (6f, good) in May but 2 lesser runs have followed over longer trips. Back sprinting now but others are still preferred.				

11	1	SIXTYGEESBABY (IRE) (15) (D)	v+t	93
	302-80508	4 9-6 59.9kg	Ben Robinson	
Fairly useful 6f scorer for Tom Clover in 2025. Has become a shade expensive to follow after a promising return, failing to beat a rival last twice. A first-time visor (added to tongue tie) needs to help spark a revival.				
12	7	BRIGHT (IRE) (36) (D)		96
	50661-007	6 9-6 59.9kg	Paddy Bradley	
Bounced back to his best to score at Newcastle in December but has found life harder off higher marks in his 3 outings since. Others are more obvious.				
13	8	AMERICAN BAY (21) (D)		98
	726-32572	5 9-5 59.4kg	Jason Hart	
Mostly creditable efforts in defeat this season, including second of 9 at Redcar (5f, good) 21 days ago. One of 2 with a shout for Paul Midgley.				
14	2	ROCK OPERA (20) (D, BF)		99
	608-73412	6 9-5 59.4kg	Oisin James Orr	
Ended a near 2-year losing run at Pontefract (6f, good) last month. Backed it up when runner-up there 19 days later.				
15	16	FISCAL POLICY (IRE) (16) (D, BF)		97
	83225132	7 9-4 59.0kg	James Sullivan	
Ended long losing run at Pontefract last month. Creditable placed efforts twice since and likely to be in the mix again.				
16	6	MISTER SOX (10) (D, BF)	s	98
	0-0287032	6 9-4 59.0kg	S. B. Kirrane	
Twelve runs since last win in 2025. Creditable second of 10 in handicap (9/2) at Thirk (6f, good to firm) 10 days ago, sticking to task. Can make presence felt.				
17	10	KATS BOB (15) (CD)	v	97
	5-2940407	8 9-3 58.5kg	William Pyle	
Successful 5 times in 2025, including C&D, but has yet to score this season, including well below par last twice.				
18	11	EDUCATING RITA (259) (D)		94
	60304530-	4 9-2 58.1kg	Cam Hardie	
Without a win since July 2024. Off 8 months ahead of this first outing for a new yard after leaving Michael Dods. A watching brief is the percentage call.				
19	18	GOOD EARTH (IRE) (21) (CD, BF)		97
	86141542	9 9-2 58.1kg	Connor Planas	
Notched a third victory this year in 6f Haydock handicap in April. Creditable second of 7 in handicap at Newmarket (5f, good to firm, 2/1) 21 days ago. The Michael Herrington stable continues in fine form.				
20	14	MAGIC BOY (GER) (27)		97
	232381-24	4 9-1 57.6kg	Lewis Edmunds	
Won 7f handicap at Redcar last November and made an encouraging return from 7-month absence when 2¾ lengths second of 10 over 6f at Ripon in June. Too keen when fourth over 7f at Doncaster so the return to sprinting could be a good move.

BETTIES BAY had softish ground as a possible excuse at Sandown last time and can show she's still well handicapped for her prolific stable. Almarada Prince was a good third in a similar race here 4 weeks ago and is likely to pop up again soon. Yes I'm Mali, Mister Sox and Fiscal Policy also make the shortlist in a typically wide-open York sprint handicap.
