5 Mister Momo scored a good win in the last race. Now the four-year-old has a nice starting position against similar opposition and should have top chance to take a new victory. **6 Herkules A'lr** comes from the same stable as our pick. He has a lot of potential, but comes with two straight gallops which makes him a bit hard to predict. **3 Sweet Candyman** does well most of the time. The starting position is appealing and he could win if the favorite is not at his best. **1 Olivia Hazelaar** is capable, but has galloped a lot towards the end. Possible without a mistake.

5 Ninepoints Nice is still without victory, but has a very nice task here and if the mare takes the lead, she is our winner. **6 Epiphany Face** has done well so far and been at least second in five starts. In the fight for victory again. **8 Ies Ingusmemory** comes back after a pause as a gelding and for a new trainer. Should be followed straight away. **3 Bardissimo** is capable but not completely reliable. If he avoids a mistake he has to be considered early here.

4 Ethel has done well all year. The mare sprinted fast last time - and from a good starting position she gets an offensive trip and should have a good chance regardless of the journey. **3 Gör Som Jag Vill** runs barefoot and with an American bike, which means that she should be considered. **5 Hibovalle** is consistent and good and with the right trip from behind, the horse could pass everyone at last. **8 Kalmar** is a solid trotter who comes in good shape and should not be discounted despite a difficult starting position.

3 Sacrebleu did really well in the last race and showed that he is in top form. Is ideally drawn and could reach the front. Our pick. **4 Alfred Gratien** is strong and can do it tough - and quick pace would be an advantage for the four-year-old. **10 Bottnas Magic** has galloped in three of the last four starts. In terms of capacity he is a contender here. **6 Explorer Grue** has competed in the V85 in three of the last four starts. Could surprise with the right trip.
