8 Mr Gaagaa has been in tougher races lately and is coming off a fourth place in a V85 final. Much easier now and should have a good chance together with Stefan Persson. **12 Gunpoint** is in top form. Has been very consistent and good at the end and won closely in the last V86 race at Örebro. Difficult lane. Now driven by Petter Karlsson. **4 Stepping Gogo Girl** is clearly better than the latest results show. Is fast from the start and our favorite for the front. Can lead this for a long time. **6 Lauser** has not been convincing at the end but can do better and we always have respect for Robert Bergh.

2 County is our idea. The horse but has been locked in at the end and is one of two horses who have won in this weak race. Can open fast and is our favorite for the lead with André Eklundh. **8 Made By Nordic** is the least experienced but has been quite consistent and good so far. Difficult lane but an early choice in this field. **7 Teton Lineasy** was fourth ahead of our pick in the last race and was not empty either. Faces the best conditions money-wise but has a tricky number. Should be considered. **12 Happy End** is coming in good form but has not won yet after 23 attempts. Hopes for high pace from here.

8 Amagayo E. scored a good win from the outside of the leader two starts back together with today's driver and followed well as fourth in the last race. Is strong and will probably be driven offensively. Our pick. **6 Black Dahlia** was second behind Monnier Mearas two starts back and set a good time. Did not trot well in the last race but has a couple of runs under the belt and should be on the rise. Good chance in this field. **11 Listas Prosecco** sprinted very quickly to a second place in the last clockwise race. Seems in good form and hopes for quick pace from here. **7 Simb Soulman** took two consecutive second places in June and July and is not that bad. Driven this time by Magnus Jakobsson and that is a clear advantage.

6 Paleo Boko is much better than the latest results show. He lost his style on the way to victory two starts back and galloped. Not reliable but if he avoids a mistake, he has a good chance. **4 Bearnard** is an early contender for us. Galloped under attack two starts back and finished well as third in the last race. Is well drawn. Now with Ole Johan Östre. **5 Olara Boko** is not as bad as the results suggest and she is our clear favorite for the front in this race. Can lead this for a long time. **11 Elsa Vendil** sprinted to a second place in the last race and is driven again by Fredrik Berg.

12 Quattro Håleryd makes his debut for trainer Robert Bergh and that is of course exciting. Faces quite easy opposition but has a difficult number. Our winner right after the layoff. **8 Miyagi** had a brilliant season last year and comes from a third place after a layoff. Should be on the rise and could get an offensive start despite this lane behind the gate. **6 JS Camaro** has done well at the end and he is our favorite for the front in this race. Can lead this for a long time. **9 Kapucine d'Inverne** faces the best conditions money-wise but doesn't win very often. Comes from two consecutive third places. Mainly a place bet.

8 Dencos T.D. won ahead of Due Due during the Elitlopp weekend and did very well. Has been matched in tough company at the end and has been quite consistent. Easier now but a bad lane. Now driven by Hans Crebas. **4 Kiss Me Sisu** is very fast from the start and we think he can lead the race for a long time. Stefan Persson is in the driver this time. **12 Listas Champagne** has won three of six races this year. Coming from victory and is in good form. Of course needs a bit of luck from here. **2 Rolyman** has a good lane and finished quickly to a third place in the last race. Has not won yet this year but could at least be a place bet.
