1 La Yuca followed well from first over in the last European Filly Championship and sprinted fast in the Årjängs Stora Sprinterlopp two starts back. Top chance to lead all the way here. **8 S.G.Empress** is very good and to kept up the pace nicely at last behind La Yuca in the last Filly-EC. Possible barefoot is exciting! **4 Celiaz** won the Stoeliten during the Elitlopp weekend from the front, but has not been as good since. **2 Meghan B.R.** held well in the Filly-EC and can probably do better than shown for Redén.

8 Neutron Star is very good and when he did well in the last race after a couple of mistakes he was the best from the first over without going empty. This number is of course poor. **5 MaigaardLovesCosta** has high capacity but has galloped in the three starts he has made for Redén. Back after a break and some changes now. **1 One Express** was one of the best of his year as a 2-year-old. Was fiery in the lead last time. Favorite for the front again. **9 Ideal Kronos** kept the pace well in the last race. Contender.

10 Iron Dice has started his career promisingly and last time the horse won by a wide margin. Our pick. **5 Pandora River** is very well-bred and he won from first over in the last race and was clearly nice. New trainer here but starts without a layoff. **7 Conrads Skifs** is a very quick starter and held on well from the lead two starts back. Towards the front? **3 Index Kronos** is also a quick starter. Should have won last time.

6 Grace In Heaven galloped straight away in the last race but has been very good otherwise. Is a quick starter and is working well. **3 Deer Hunter** was unbeaten in four starts in a row before the last race when she got locked with lots of energy saved. Debut for Redén now and can open fast. **8 Fusion Blaze** is undoubtedly one of the best horses in this race and she has been in both E3 finals. Poor number and maybe shoes now. **10 Retro Racer** has high capacity and could cause an upset.

2 Pamela Boko has a nice task and is our pick in a fairly open race. She won a heat to the Stochampionatet very easily from the lead and finished sharply in the last race. Quick starter. **4 Showtime Zon** finished well from a difficult number in the last race and is in good form. Very fast from the start. **11 Olympia Sting** galloped still fighting for victory in the final turn last time. **1 Dats Bella** has done brilliantly this summer and was second in the Stochampionatet.

14 Bright Star U.S. was awesome from the front in the last race after high speed all the way. Good, but this distance is a question mark. **12 Barn Ready** is a top horse but galloped suddenly last time. The form is a question mark. **1 Snickup** was delicious after a strong final lap to victory in the last V85 final. He will lead this for a long time. **6 Shogun R.R.** was too fiery behind the gate in the last race but came back brilliantly after. Run under his belt and the right distance now.
